Why Cilajet?

Cilajet is a micro-thin sealant developed specifically for commercial aircraft. It has been tested and proven to resist contaminants adhering to the paint, and to protect metal surfaces against corrosion.

Cilajet products are hypoallergenic & environmentally friendly.

Cilajet guarantees to keep your car's paint protected from most environmental conditions such as UV rays, bird droppings, acid rain, tree sap, and hard mineral deposits.

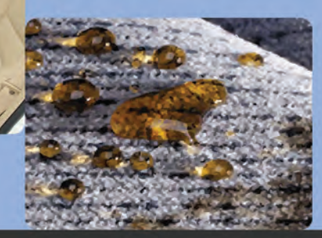
Cilajet helps keep your car cleaner longer, gives it a mirror-like finish, and keeps it looking shiny and showroom new for years to come!

BOEING APPROVED | AIRBUS APPROVED

Conforms to **Boeing Specification** (D6-17487)
& **Airbus Specification** (AIMS09-00-002)
For Use on Commercial Aircraft

EXTERIOR PROTECTION

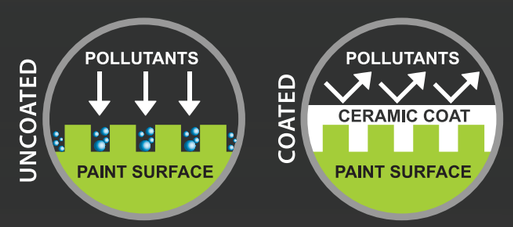
Resists contaminants from adhering to the surface.
Repels bird droppings, tree sap, insects, acid rain, salts, and harsh detergents.
Protects against oxidation, fading, pollution, and water spotting.
Reduces frequency of car washing.



INTERIOR PROTECTION

FAB by Cilajet
Prevents permanent staining from food, drink, oils, lotions, and more.
Easy carpet and upholstery clean-up.

HIDE by Cilajet
Conditions and protects your leather and vinyl seats from drying, fading and discoloration.



WHEEL ENHANCEMENT

Cilajet can be applied to chrome, aluminum or alloy wheels helping to prevent corrosion and resist brake dust build-up, keeping your wheels clean & shiny!
