# EXTENSIVE PROTECTION FOR YOU AND YOUR INVESTMENT.

## NON-COVERED COMPONENTS

*This service contract provides mechanical breakdown coverage for repair or replacement of all factory-installed mechanical and electrical operating parts on the covered vehicle. Performance of normal maintenance services for the vehicle as set forth in the owner's manual, the scheduled replacement of parts, aftermarket parts and accessories, and "wear and tear" items are not covered by the contract. Non-covered components include, but are not limited to:*

- **Engine Tune-up:** Spark Plugs, Spark Plug Wires, Air Filters or Canisters, PVC Valve, Fan Belt(s), Distributor Cap & Rotor, Filters or Hoses;
- **Emissions/Fuel:** Emission Control Valves, Complete Exhaust Sytem (including Smog Pump), Adjustments to Carburetor or Injected Systems, or any cleaning of Fuel Systems, Hoses;
- **Brake Systems:** Rotors, Drums, Pads, Linings, Rubber Hoses;
- **Charging Systems:** Battery (including Electric/Hybrid Vehicle Battery Packs), Battery Cables, Electric/Hybrid Charging Units & Cords;
- **Manual Transmission:** Manual Clutch Assembly including Disc, Pressure Plate, Cover, Throw Out Release Bearing & Pilot Bearing;
- **Suspension:** Front End/4 Point Wheel Alignment and/or Wheel Balance, Shock Absorbers/Systems, Struts, Body Mounts;
- **Cooling System:** Additives, Thermostat, Hoses, Cooling System Service (Coolant Flush);
- **Interior & Exterior:** Damage or failure of the following parts & components: Glass, Lenses, Beams, Bulbs, Upholstery & Paint, Bright Metal, Trim Moldings, Tires & Fasteners. Audio Systems & Anti-Theft Devices are not covered unless factory installed;
- **Miscellaneous:** Wiper Blades, Rubber or Rubberlike items, Oils, Coolants, Additives, Refrigerant or Other Fluids & Filters, except in conjunction with the repair of a covered part. Fluid Refill is limited to necessary amounts for one refill per claim on the covered part being repaired.

## WHY GET COVERED?

◆ **PEACE OF MIND**
Your Platinum Protection contract covers your vehicle from surprise repair expenses. In accordance with the terms of the contract, Platinum Protection pays to repair your vehicle at our conveniently located Servco Service Centers. Here are examples of average repair costs:

| | |
|---|---|
| Engine Replacement | $ 10,500* |
| Transmission Replacement | $ 5,500* |
| Power Steering | $ 4,500* |
| Air Conditioning | $ 3,500* |
| Touchscreen Replacement | $ 1,500* |

## OTHER SERVCO PLATINUM PROTECTION BENEFITS

◆ **FACTORY-TRAINED SERVICE TECHNICIANS**
Your vehicle will be repaired by technicians who are knowledgeable with the most up-to-date service information.

◆ **TRANSFERABLE POLICY**
Contract is transferable once (with a nominal fee) to the second owner of the vehicle, increasing your resale value.

◆ **COMPLIMENTARY EMERGENCY ROADSIDE BENEFITS**
Coverage available 24 hours a day, 365 days a year for non-accident-related Roadside Assistance. Benefits include:

- Towing
- Jump Starts
- Flat Tire Changes
- Fluid Delivery
- Lockout Service

◆ **SUBSTITUTE TRANSPORTATION**
Provides a courtesy loaner (based on availability) or rental car reimbursement of up to $40 per day (maximum of 7 days) while your vehicle is being serviced for a Servco Platinum Protection covered repair.

Restrictions apply. See Servco Platinum Protection contract for full details.

**Based on a survey of repair facilities. Costs are approximate and may vary by repair location, and vehicle make and model.*
