

FOR PEOPLE GOING PLACES

Eric MacDonald

MINI SPECIALIST

Andrew Marchand, General Manager of MINI St. Catharines, is pleased to announce that Eric MacDonald and Steve St. Angelo are the store's MINI Specialists.

Eric, a graduate of Denis Morris high school and a business alumnus from Niagara College, has worked in a sales capacity with PerformanceCars for two years. Steve St. Angelo, a graduate of St. Paul high school and also an alumnus of Niagara College's Sales & Marketing Program, has worked for PerformanceCars for the past year.

Both Eric and Steve love representing the MINI brand. "The MINI is fun, fashionable, and affordable," states Eric. "The MINI is also amazingly fuel efficient," notes Steve. What Eric and Steve love best about being MINI Specialists is that they are able to assist a rather unique clientele.

Eric and Steve invite friends, family, and associates to call, email, or visit them at MINI St. Catharines and to ask about the store's Friends & Family Rewards Program.
