## Flexible financing & leasing programs

.....

When you finance your vehicle through PerformanceCars, you have access to select financial institutions and to the financing arms of the manufacturers we represent. You benefit from a variety of interest rates, and we tailor our financing programs to meet your specific needs. The result is lower monthly payments and a process that is fast, convenient, and hassle free.

If leasing works best for you, at PerformanceCars you have complete flexibility to trade up or down within a vehicle brand, to choose a new or pre-owned vehicle, or to change from any one of 11 brands to any other.

## Peace of mind protection

.....

New or pre-owned, PerformanceCars offers manufacturer warranty programs and extended warranty programs that will protect your driving enjoyment and ensure your peace of mind.

Our 30-Day Vehicle Replacement Guarantee on all pre-owned vehicles makes certain you'll be happy with your choice. If you are not completely satisfied with the performance or appearance of the pre-owned vehicle you have purchased, you can exchange it for a vehicle of equal value or apply that value to another vehicle.
