² The Advanced Front Air Bags in this vehicle are certified to the new federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should NEVER ride in the front seat of a vehicle with a passenger front air bag. All occupants should ALWAYS wear their lap and shoulder belts properly.

³ Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint.

⁴ Late availability in CA, CO, CT, FL, MA, ME, NH, NJ, NY, PA, OR, RI, and WA.

⁵ No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESC warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt.

⁶ Uconnect in-dash DVD capability is not available in all states. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. Voice commands available when Uconnect Phone is equipped. Any voice-commanded system should be used only in safe driving conditions and all attention should be kept on the roadway ahead. System feature availability and functionality may vary depending on vehicle. See your dealer for details.
