### Choice of Chassis-

Chrysler, Dodge, Toyota & Volkswagen

### Structural Integrity-

Ultra-strong metal alloy shell construction on a steel frame, providing an uncompromising combination of strength and light weight economical features, which require less maintenance and results in longer vehicle life.

### Meets All Standards-

Every van meets or exceeds all FMVSS and CMVSS requirements as well as ADA and DOT specifications

### Single Source-

As a licensed Michigan dealer we can provide new or pre-owned vehicles and equip them to meet your specific needs. We can also provide financing sources, special paint, graphics, and shipping worldwide.

### Picture yourself or your organization in an AutoAbility vehicle

To better serve our customers AutoAbility offers many financial options for the purchase or lease of our vehicles. Listed below are examples of typical financing options. See your dealer for details.

### Municipal Lease | Commercial Finance | Trac Lease
