For Life!

AutoServ is a family owned and operated business in the Lakes Region of New Hampshire for over 25 years. We are truly a 'family' business, not a chain

or public corporation. We have deep roots in this community. For us, this is personal. You are our neighbors, our family and those of the 150+ professionals we

employ, live here and interact in this community on a daily basis. We care what you think and how you feel because we are one of you. We are civically and socially involved in the community and our reputation means everything.

AutoServ's care for our customers is exemplified best by our "AutoServ for Life" program. With AutoServ for Life we 'share' in the cost of ownership with you by providing our customers with benefits no other dealer in the region provides. From our Lifetime Engine Guarantee to our in-house Fitness Center, we are a destination serving the community.

We invite you to try a unique buying experience by doing business with us. You won't regret it.

*Price is important...
but customer satisfaction is priceless*
