## **Full Circle: Fred Beans Adds Bill Marsh Ford to Family of Dealerships**

This week Fred Beans Automotive purchased Bill Marsh Ford in Newtown, PA. This was a unique purchase because it was where Fred Beans began his career. Back in 1972 Fred Beans bought a 25% share of Bill Marsh Ford Dealership. This was the first dealership Fred Beans owned, and he entered the partnership with Bill Marsh Ford with the simple and, still true, philosophy of managing business with integrity while meeting and exceeding customer's expectations.

From that partnership Fred Beans moved on to build his Fred Beans Family of Dealerships. And as of this week Fred Beans Automotive added this Ford dealership to the Fred Beans Family of Dealerships.

Bill Marsh Ford, located on Sycamore Street in Newtown, sells both new and used vehicles. They have been in business since 1958 and Fred Beans plans to continue the tradition of great service and selection.
