

Ameritrans®

By TMC Group, Inc. • Elkhart, Indiana

STYLE AND DURABILITY AT ITS FINEST!

Designed with you in mind.

Ameritrans® buses are designed with generous leg and head room and with large windows for comfortable viewing.

Every bus is built to meet our customer's specific requirements and can be outfitted to suit a variety of business and personal needs or tastes.

Every Ameritrans® interior is constructed with quality fabrics and components. We pay close attention to each detail.

All Ameritrans® buses are built by skilled craftsman who take pride in building a durable, attractive and low maintenance product.

Constructed for safety and longevity, Ameritrans® buses are built with an all steel wall, ceiling and floor frame. The aluminum body sports a fiberglass front and rear cap, fiberglass roof, and full body paint.
