- Engine air filter
- Engine coolant
- Engine drive belts
- Power Steering fluid
- Radiator hoses
- Tires
- Washer fluid
- Wiper blades
- Steering linkage and ball joints
- Heat shields
- Exhaust system
- Battery terminals and fluid
- Brake system
- Drive belts
- Shocks/struts
- Cabin air filter
- Charging/starting system

We will keep you informed about our inspection results using our easy to read Quality Vehicle Inspection form

Bob Hall's Full Service Promise

Here at Bob Hall's Dealerships we are committed to keeping the Full Service Promise. We will do a complete vehicle walk around and vehicle inspection, then give you a full report.

This is our promise to every customer, on every vehicle, every time!

To show you our commitment, just let us know if we've failed the Full Service Promise in any way and your next lube, oil, filter and inspection is on us at no charge.

We feature:

NOTICE: The recommendations in this menu exceed the manufacturer's requirements. We make these suggestions because of the general driving conditions that exist in the Central Washington area and in the belief that your vehicle will benefit from taking this extra step in maintenance. However, should you desire to only meet the basic manufacturer maintenance requirements as set for in the Manufacturers Warranty Manual, be assured your wishes will be adhered to and your factory warranty will remain valid.
