At [nissan.ca](http://nissan.ca), you'll find a way to "build your own Nissan," a dealer locator, and more information about key Nissan support services. The Nissan names, logos, product names, feature names, and slogans are trademarks owned by or licenced to Nissan Motor Co. Ltd. and/or its North American subsidiaries. **Always wear your seat belt, and please don't drink and drive.** Printed in November 2016. Catalogue number: 99999-ROG17EN. ©2016 Nissan Canada Inc. All rights reserved.

**OPEN UP** a bigger, bolder world. Get there in a redesigned crossover that brings an aggressive new look to consistent capability. Gain confidence with new intelligent safety tech that keeps an eye out on every part of your drive. Load up in a snap with an interior that adapts for adventure. Where to? Call up directions, friends, and your favourite driving jam at the touch of a button. The new 2017 Nissan Rogue: Slide into gear and explore a life of **POSSIBILITIES.**

**Create some best-in-class envy** Go ahead and demand more. Rogue® delivers, with best-in-class front head room<sup>1</sup> and the supreme comfort of fatigue-reducing Zero Gravity front seats. There's a 2nd row that slides and reclines,<sup>2,3</sup> so you can adjust for maximum leg room, more cargo space, or anywhere in between. And with available tasteful touches like a heated steering wheel, two-tone interior trim, Power Panoramic Moonroof, and leather-appointed seats with quilted inserts, this is one natural, relaxed, and decidedly upscale environment.

Sporty D-shaped heated steering wheel<sup>4</sup>

Zero Gravity power front seats with memory system<sup>4</sup>

Tan leather with quilted inserts<sup>4</sup>

Nissan Intelligent Key® with Remote Engine Start<sup>4,5</sup>

Power Panoramic Moonroof<sup>4</sup>

<sup>1</sup>Based on Global Automakers of Canada (GAC) Compact SUV Market Segmentation. MY17 Rogue® vs 2016/2017 Compact Sport Utility Class sourced from *Autodata* on September 23, 2016. <sup>2</sup>Slide forward function should not be performed with the Child Restraint System occupied. <sup>3</sup>Passengers should not ride in the reclined position while the vehicle is in motion. <sup>4</sup>Available feature. <sup>5</sup>Provincial laws may apply; review local laws before using.

**Nissan Rogue® SL Platinum** shown in Platinum Reserve Tan Leather.

## YOU'VE GOT AN ALL-ACCESS PASS

**Nissan Motion Activated Liftgate** Now you've got easier access to your Rogue® than ever before. Hands full? Just kick under the rear bumper to automatically open the available Motion Activated Liftgate, without reaching for a key or juggling armfuls of stuff.

**EZ Flex® Seating System** This 2nd row is truly accommodating, thanks to Rogue's EZ Flex Seating System. It slides forward for easy access and adjusts to give you a little more cargo space, more leg room or anywhere in between! The seats also recline, so you can be exceptionally comfortable.<sup>2</sup>

**3rd Row** Perfect when you need to transport the team or bring extra friends along. Rogue's available 50/50 split folding 3rd-row seat gives you added flexibility carrying passengers and their gear, and folds down to make a flat cargo floor for maximum carrying space.

**Nissan Intelligent Key®** With the available Nissan Intelligent Key, you can open your Rogue and activate the Push Button Ignition without reaching for your keys. And with Remote Engine Start,<sup>3</sup> you can get your Rogue running before you even step inside.

<sup>1</sup>Slide forward function should not be performed with the Child Restraint System occupied. <sup>2</sup>Passengers should not ride in the reclined position while the vehicle is in motion. <sup>3</sup>Provincial laws may apply; review local laws before using. <sup>4</sup>Based on Global Automakers of Canada (GAC) Compact SUV Market Segmentation. MY17 Rogue® vs 2016/2017 Compact Sport Utility Class sourced from *Autodata* on September 23, 2016. <sup>5</sup>Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle.

**Room for craft and crew** With best-in-class cargo space<sup>4</sup> and room for an object up to eight feet long, Rogue gives you possibilities you never knew you had. And with a clever folding rear seat pass-through, there's plenty of room to bring friends along.<sup>5</sup>

**1,982 LITRES**  
(70.0 CU. FT.)  
You, a passenger, and lots of cargo.<sup>5</sup>

**1,112 LITRES**  
(39.3 CU. FT.)  
Five of you and your gear.<sup>5</sup>

SLIDING  
2ND ROW

## DIVIDE-N-HIDE®

Single-handedly reinventing capability, the Divide-N-Hide® Cargo System lets you adapt in a snap. An adjustable set of shelves and dividers gives you a variety of configurations. It's so easy, you can do it with one hand.

**UNDER WRAPS** Make a "box" that keeps valuables out of sight and creates a shelf on top.<sup>5</sup>

**THE LAYERED LOOK** Create an open space for storage underneath, and a handy shelf to keep other items separate and within easy reach.<sup>5</sup>

**SECRET SPOT** A long, flat floor for big items, with under-floor storage for things you want to hide.<sup>5</sup>

**THE LOWDOWN** Lower your floor for added height to fit those tall items.<sup>5</sup>

Nissan Rogue® SL Platinum shown in Charcoal Leather. U.S. instrumentation shown.

<sup>1</sup>Driving is serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. <sup>2</sup>Information displayed is dependent on how vehicle is equipped. <sup>3</sup>Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. <sup>4</sup>Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone Owner's Manual for details. Bluetooth® word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under licence. See [Nissan.ca/bluetooth](http://Nissan.ca/bluetooth) for details. <sup>5</sup>TPMS is not a substitute for regular tire pressure checks. Bose® is a registered trademark of The Bose Corporation.

**Chill out while you warm your buns** Inspired design, available Bose® Premium Audio System and double-stitched leather - Rogue® is a nice place to be. Add in details like Quick Comfort® heated front seats that focus on key areas to warm you up as soon as possible, and you'll find it's toasty too. There's even available Dual Zone Automatic Temperature Control (ATC) and a power passenger seat so your co-pilot can have things just the way they like it.

**Advanced Drive-Assist® Display** From trip computer to turn-by-turn directions, the Advanced Drive-Assist Display serves up info right in front of you - helping to minimize time looking away.<sup>1,2,3</sup>

BLUETOOTH® STREAMING AUDIO<sup>4</sup>

TIRE PRESSURE MONITORING SYSTEM<sup>5</sup>

SAFETY SHIELD<sup>2</sup>

TURN-BY-TURN NAVIGATION<sup>1,2,3</sup>

**With 9 speakers, it's like you're in the front row** Nine speakers strategically placed throughout the cabin provide a rich sound that upgrades your listening experience. The available Bose® Premium Audio System is custom-tuned by Bose® engineers to take advantage of the unique interior acoustics inside of Rogue. The front-row sound is so good, it's the next best thing to being there.

## PERFORMANCE FOR EVERY DAY, POWER FOR YOUR NEXT ADVENTURE

Rogue's efficient 4-cylinder engine and Continuously Variable Transmission help ensure exceptional highway fuel economy, along with amazingly smooth power delivery as you breeze past the pump. And with Eco Mode, saving has never been simpler. Push the dash-mounted button, and Rogue® automatically adjusts to help further improve your fuel economy.

7.0 L/100 km  
(40 MPG)<sup>1</sup>  
170 HP  
175 LB.-FT.  
TORQUE

### Eco Mode

Saving made simple. Push the dash-mounted button, and Rogue's Eco Mode automatically adjusts to help you maximize fuel economy.

## WHETHER IT'S RAIN, SLEET, OR TURN OF ROAD

**Intuitive All-Wheel Drive (AWD)** It's so responsive, it can adapt to changing conditions 30 times faster than the blink of an eye. Snow, rain-covered pavement or tight turn, the system automatically sends power to the wheels that need it most. Even in ideal conditions, Rogue's available AWD pays big dividends – our passionate engineers also tuned the system for responsive, agile performance. Getting a grip has never been more fun.

**Confidence-inspiring Dynamic Technologies** Whether it's stop-and-go traffic, your favourite on-ramp, or even just an annoying speed bump, Rogue uses advanced technology to make every drive feel more comfortable, confident, and enjoyable. And that's a beautiful thing.

**Active Engine Braking** As you're slowing for a corner or coming to a stop, this system uses the CVT transmission to apply engine braking. Much like shifting to a lower gear in traditional transmissions, it helps give smoother deceleration and a more confident feel when braking.

**Active Trace Control** A turn for the better. This innovative technology helps improve control when you take a corner. It reads the situation and, if needed, can brake each wheel individually to help you steer through the turn with confidence.

**Active Ride Control** What bump? Active Ride Control smooths them out by automatically applying braking and adjusting engine torque.

**NISSAN AROUND VIEW\* MONITOR**

**360 WAYS TO MAKE PARKING EASIER THAN EVER**

What if parallel parking was easier? A rearview monitor is great when backing up – but when it comes to parking, it’s nice to see more than just what’s behind you. That’s why Rogue® offers the available Around View Monitor! Four cameras give you a virtual 360° bird’s-eye view of your vehicle, with selectable split-screen close-ups of the front, rear, and curbside views, so you can get a better look? And since all obstacles aren’t stationary (shopping carts, we’re talking to you), Moving Object Detection keeps an eye around your Rogue and can warn you about moving objects detected in your vicinity!

\*AVM with MOD cannot completely eliminate blind spots and may not detect every object. MOD operates at vehicle speeds below 8 km/h. Always check surroundings before moving vehicle. <sup>2</sup>Virtual composite 360° view. <sup>3</sup>Intelligent Cruise Control is not a collision avoidance system or warning device. Designed to use limited braking. Failure to apply the brakes could result in an accident. <sup>4</sup>Driving is serious business. Only use NissanConnect™ Services powered by SiriusXM® when safe to do so. Late availability for some features. Services, including automatic crash notification and SOS, are dependent upon the telematics device being in an operative condition, its ability to connect to a wireless network, compatible wireless network availability, navigation map data, and GPS satellite signal receptions, the absence of which can limit or prevent the ability to reach NissanConnect™ Customer Care or receive support. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. You are responsible for using Remote Horn feature in accordance with any laws, rules or ordinances in effect in your vehicle's location. Cellular network not available in all areas and/or available at all times. Cellular technology is evolving, and changes to cellular networks provided by independent companies are not within Nissan's or Sirius XM Radio Inc.'s control. Neither Nissan nor Sirius XM are responsible for associated costs that may be required for continued operation due to cellular network termination (including equipment upgrades, if available, or roaming charges on alternative networks). Should cellular provider terminate/restrict service, service may be terminated without notice and with no liability to Nissan, SiriusXM and/or their respective agents or affiliates. Certain services require a PIN for activation. Subscription Agreement required and terms and conditions of Subscription Agreement apply. See [Nissan.ca/connect](http://Nissan.ca/connect) for details. Enrollment is required to receive full suite of services. Six (6) month trial period begins on your date of vehicle purchase or lease of a new Nissan; subsequently a paid subscription is required at the then current rate to continue to receive services. Text rates and/or data usage may apply.

**NISSAN INTELLIGENT CRUISE CONTROL**

**SET IT ONCE AND GO WITH THE FLOW**

Unlike traditional systems that only maintain a set speed, Rogue’s available Intelligent Cruise Control also helps maintain an adjustable set distance between you and the car in front of you. As traffic slows down or speeds up, Rogue can respond accordingly.<sup>3</sup>

**NISSANCONNECT™ SERVICES POWERED BY SIRIUSXM®**

**MEET YOUR ENTOURAGE**

Let our people look after you and your people. With available NissanConnect Services, you have a selection of plans that give you additional peace of mind, along with added convenience and comfort.<sup>4</sup>

**EMERGENCY PREPAREDNESS**

Watches out for you with features including automatic collision notification and emergency calling<sup>4</sup>

**REMOTE ACCESS**

Can't find your vehicle in the parking lot? Use your computer or smartphone to flash the lights and/or honk the horn. Remote lock/unlock lets you use your smartphone like a remote, or just call us.<sup>4</sup>

**CUSTOMIZABLE ALERTS**

Keeps you in the know about your vehicle's location, including Valet Boundary, speed, and even curfew alerts.

**CONCIERGE SERVICES**

Travelling? You've got help with features, including Journey Planner and Destination Download.

# NISSAN INTELLIGENT SAFETY SHIELD TECHNOLOGIES

## INNOVATION THAT LOOKS OUT FOR YOU

What if you had the confidence you need for every part of your drive? The Nissan Safety Shield philosophy is a comprehensive approach to safety that guides the engineering and development of every vehicle we make.

### MONITOR

Smart technologies are designed to help monitor conditions. Like a warning to let you know when a vehicle is in the blind spot area, or a system that helps ensure you're travelling on properly inflated tires.

#### Available Features:

**Forward Emergency Braking (FEB) with pedestrian detection**<sup>1,2</sup>

**Blind Spot Warning (BSW)**<sup>1,3</sup>

**Rear Cross Traffic Alert (RCTA)**<sup>1,4</sup>

**Lane Departure Warning (LDW) and Lane Departure Prevention (LDP)**<sup>1,5</sup>

**Moving Object Detection (MOD)**<sup>1,6</sup>

#### Tire Pressure Monitoring System (TPMS) with class-exclusive Easy-Fill Tire Alert

TPMS lets you know when a tire is low. And Easy-Fill Tire Alert takes the guesswork out of filling your tires, with a beep of the horn when you've reached the correct pressure.<sup>7,8,9</sup>

<sup>1</sup>Available features. <sup>2</sup>FEB with pedestrian detection is not a replacement for responsible driving. May not provide warning or braking in certain conditions. Limitations apply. See Owner's Manual for details. <sup>3</sup>Blind Spot Warning is not a substitute for proper lane change procedures. The system will not prevent contact with other vehicles or accidents. It may not detect every vehicle or object around you. <sup>4</sup>RCTA is not a substitute for proper backing procedures. May not detect all moving vehicles. Speed and other limitations apply. See Owner's Manual for details. <sup>5</sup>LDW and LDP operate only when the lane markings are clearly visible. Speed and other limitations apply. See Owner's Manual for details. <sup>6</sup>MOD cannot completely eliminate blind spots and may not detect every object. MOD operates at vehicle speeds below 8 km/h. Always check surroundings and turn to look behind you before moving vehicle. <sup>7</sup>TPMS is not a substitute for regular tire pressure checks. <sup>8</sup>Based on Global Automakers of Canada (GAC) Compact SUV Market Segmentation. MY17 Rogue® vs 2016/2017 Compact Sport Utility Class sourced from *Autodata* on September 23, 2016. <sup>9</sup>Vehicle must be on for the Easy-Fill Tire Alert to operate. <sup>10</sup>VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. <sup>11</sup>Brake Assist is only an aid to assist the driver and is not a collision warning or avoidance device. It is the driver's responsibility to be in control of the vehicle at all times. <sup>12</sup>Airbags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. Also, in addition to any other requirement of applicable law, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts, according to their size. Airbags will only inflate in certain accidents; see your Owner's Manual for details. Inflated airbags shown for illustration purposes only, actual coverage area may differ. Airbags deflate after deployment. <sup>13</sup>Driving is serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. <sup>14</sup>Information displayed is dependent on how vehicle is equipped.

### RESPOND

Whether you need to hit the brakes hard or manoeuvre around an unexpected obstacle, these standard technologies help you respond to a potentially harmful situation.

**Vehicle Dynamic Control (VDC)** helps you maintain your steered path.<sup>10</sup>

**Traction Control System (TCS)** helps reduce wheelspin in low-traction situations.

**Anti-lock Braking System (ABS)** helps you maintain steering control around obstacles while braking heavily.

**Electronic Brake force Distribution (EBD)** sends extra force to the rear brakes when you have additional weight of passengers or cargo in the back.

**Brake Assist** helps apply maximum braking force if it detects hard braking and senses you are in an emergency situation.<sup>11</sup>

### PROTECT

When a collision is unavoidable, Nissan's Zone Body construction helps absorb the impact while the advanced seat belt and airbag systems help protect passengers.<sup>12</sup>

**6 STANDARD AIRBAGS**<sup>12</sup>

**Six Standard Airbags**<sup>12</sup> Nissan Advanced Airbag System (AABS) has dual-stage supplemental front airbags with seat-belt and occupant-classification sensors.<sup>12</sup> In addition, Rogue® features driver and front passenger seat-mounted side-impact supplemental airbags along with roof-mounted curtain side-impact supplemental airbags with rollover sensor.<sup>12</sup>

#### LATCH System (Lower Anchors and Tethers for Children)

Nissan safety engineers have dedicated thousands of hours to evaluating hundreds of child restraints in Nissan vehicles. The result: an industry first, The Snug Kids Child Safety Seat Fit Guide. This guide lists child seats that fit the rear seats of Nissan vehicles, as well as offers invaluable tips on correct installation. Look for the latest Fit Guide at [Nissan.ca/en/owners](http://Nissan.ca/en/owners)

### GET AWAY WITH JUST A WARNING

#### Forward Emergency Braking (FEB) with Pedestrian Detection

This system keeps an eye on your speed and proximity to the vehicle ahead of you, warning you if you need to slow down. It can also apply braking if you fail to respond. If a collision is unavoidable, this feature will engage the brakes to help reduce the speed and severity of impact. And if a pedestrian is detected at a crosswalk, this system will alert you, even fully applying the brakes if necessary.<sup>1,2</sup>

#### Blind Spot Warning (BSW)

When the Blind Spot Warning system detects another vehicle in the blind spot area, an indicator appears in the driver's or front passenger's door pillar and on the available Advanced Drive-Assist® Display. Then, if you put your turn signal on, the indicator flashes with a warning chime.<sup>1,3,13,14</sup>

#### Rear Cross Traffic Alert

When you're backing out of a parking space, this available feature watches the area around the rear of your Rogue, and can warn you about detected vehicles you might not see behind you approaching from either side.<sup>1,4</sup>

#### Lane Departure Warning (LDW) and Lane Departure Prevention (LDP)

When you unintentionally drift out of your lane, Lane Departure Warning alerts you with a visual warning on the display and an audible signal. And if you continue to stray from your lane, Lane Departure Prevention can help gently guide you back.<sup>1,5</sup>

#### Moving Object Detection (MOD)

When the Around View® Monitor is in use and detects moving objects near the vehicle, it gives a visual and audible alert.<sup>1,6</sup>

## CHOOSE YOUR TRIM LEVEL

**S**

- 2.5-litre DOHC 16-valve 4-cylinder engine
- Available Intuitive All-Wheel Drive (AWD)
- Xtronic CVT® (Continuously Variable Transmission) with Sport Mode Shifter
- Eco Mode
- Hill start assist
- Active Trace Control, Active Engine Braking, Active Ride Control
- 17" x 7.0" steel wheels with wheel covers
- LED Daytime Running Lights
- LED taillights
- Power heated outside mirrors with LED turn signal indicators
- Advanced Drive-Assist® Display
- USB connection port for iPod® interface and other compatible devices<sup>1</sup>
- Bluetooth® Hands-Free Phone System<sup>2</sup>
- SiriusXM® Satellite Radio<sup>3</sup>
- Audio system with AM/FM/CD and 127 mm (5.0") colour display
- RearView Monitor
- Quick Comfort® heated front seats
- Divide-N-Hide® Cargo System
- EZ Flex® Seating System with 2nd-row split folding/sliding/reclining bench seat with pass-through
- Nissan Advanced Airbag System
- Tire Pressure Monitoring System (TPMS) with individual tire pressure display and Easy-Fill Tire Alert

Cargo area interior colours not exactly as shown.

**SL PLATINUM**

INCLUDES SV EQUIPMENT PLUS:

- Standard Intuitive All-Wheel Drive (AWD)
- 19" x 7.0" aluminum-alloy wheels
- Power Panoramic Moonroof
- Motion Activated Liftgate
- LED headlights
- NissanConnect<sup>SM</sup> with Navigation and Mobile Apps<sup>4</sup>
- 178 mm (7.0") colour touch-screen display
- Siri® Eyes Free<sup>5</sup>
- Nissan Voice Recognition for navigation and audio
- NissanConnect<sup>SM</sup> Services powered by SiriusXM<sup>®4</sup>
- SiriusXM® Traffic and Travel Link<sup>®3</sup>
- Around View® Monitor
- Dual Zone Automatic Temperature Control (ATC)
- Auto-dimming inside rearview mirror
- Intelligent Cruise Control (ICC)
- Memory driver's seat and mirrors
- Leather-appointed seats
- Heated leather-wrapped steering wheel
- Leather-wrapped shift knob
- 4-way power front-passenger's seat
- Bose® Premium Audio System
- Nine speakers (including two subwoofers)
- Speed-sensitive volume control
- High Beam Assist headlights
- Blind Spot Warning (BSW)
- Forward Emergency Braking (FEB) with pedestrian detection
- Lane Departure Warning (LDW) and Lane Departure Prevention (LDP)
- Rear Cross Traffic Alert (RCTA)
- Moving Object Detection (MOD)

U.S. instrumentation shown.

**SV**

INCLUDES S EQUIPMENT PLUS:

- 17" x 7.0" aluminum-alloy wheels
- Auto-on/off headlights
- Fog lights
- Roof rails
- Rear privacy glass
- Chrome outside door handles
- Nissan Intelligent Key® with Push Button Ignition
- Remote Engine Start System
- 6-way power driver's seat with power lumbar
- Retractable cargo cover
- Plus two speakers (six total)

### KEY AVAILABLE PACKAGES:

- SV Moonroof Package
- SV Technology Package
- SV Family Package

See your Nissan dealer for details, or go to [accessories.nissan.ca](http://accessories.nissan.ca)

## BUYING AND OWNING

**Finance Options** Through Nissan Canada Finance, we offer many attractive lease and loan options that can be tailored to your individual needs. We have unique programs such as the Nissan Grad Program, Loyalty Program or the Nissan Advantage Program. Please visit our website [Nissan.ca/finance](http://Nissan.ca/finance) to explore all of the options available. We have also made it easy to pre-qualify online. All of our programs come with competitive rates and terms. With our flexible options, driving home a new Nissan has never been easier. Consult your local Nissan Dealership for complete details.

**No-Nonsense Warranty** Every 2017 Nissan is covered by a 3 year/60,000 km<sup>8</sup> Comprehensive New Vehicle Warranty, a 5 year/100,000 km<sup>8</sup> Powertrain Warranty, an 8 year/130,000 km<sup>8</sup> Emission Control Warranty on selected components, and a 5 year/unlimited km Corrosion Perforation Warranty. As a Nissan owner, you'll also receive a 3 year Roadside Assistance program available to you 24 hours a day. Terms, conditions and exclusions apply. See your Warranty Information Booklet for complete details.

**Added Security Plan (ASP)** For ultimate peace of mind, consider the Nissan Added Security Plan. It's our commitment to be there for you, and to help you leave your worries behind. Different plans, available for both purchased and leased vehicles, let you tailor the coverage to your driving habits.

**Security+Plus™ Prepaid Maintenance Plan** The smart choice when it comes to maintaining your new Nissan. Honoured at all participating Nissan Dealers in Canada and the U.S., your vehicle is cared for by factory-trained technicians using Genuine Nissan Parts. And best of all, there's no worrying about price increases on parts or service in the future. A variety of plans are available. Ask your Dealer for details.

<sup>4</sup>See your Nissan Dealership and read the actual limited warranty. <sup>5</sup>Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. <sup>6</sup>Blind Zone Mirrors are not a substitute for proper lane change procedures. May not detect every vehicle or object around you. <sup>7</sup>See Nissan Towing Guide and Owner's Manual for additional info. <sup>8</sup>Whichever occurs first.
