LEASING BENEFITS

Lincoln Automotive Financial Services' Red Carpet Lease is a convenient way to acquire the new Lincoln you want with features and financing that fit your lifestyle. You have the opportunity to enjoy the luxury and technology of a new Lincoln more often, as well as select from a variety of flexible terms, mileage options and payment choices. Benefits include:

FLEXIBLE TERMS

We offer a variety of lease terms that provide the flexibility for you to select the term of your choice based on:

- How long you want to drive your Lincoln
- Your desired monthly payment
- If you prefer to match your payment to your vehicle warranty* or make a single payment at lease inception with an Advanced Payment Program

Your Lincoln Dealer can provide more information on the lease term and payment that work for you.

MILEAGE OPTIONS

Our mileage options encompass a spectrum of choices to meet your individual needs. Selections range from: 10,500 to 19,500 miles per year.** If you anticipate driving more than 19,500 miles per year, you may purchase extra miles at lease inception. If you do not use the extra miles purchased, you may be entitled to a refund at the end of your lease.**

PAYMENT OPTIONS

We offer customers the flexibility and convenience of a variety of payment options. You may manage your payments by mail, phone and online — even through your mobile device.

*Costs are covered by warranty only when vehicle is maintained in accordance with the owner's guide.

**Please keep in mind that not all mileage allowance options are available on all models or in all areas. Additional miles may only be purchased on the 19,500-mileage option.

ADDITIONAL ADVANTAGES

When weighing the benefits of a Red Carpet Lease, consider the following:

WearCare®

WearCare is an optional purchased program only available through your Lincoln Dealer at lease inception. WearCare offers up to \$7,500 in excess wear and use protection, providing peace of mind throughout the term of your lease and minimizing your worries about future expense. Ask your Lincoln Dealer for details on how to “go worry-free with WearCare, the optional program that can help protect you against the unexpected.”

GAP PROTECTION

This benefit, included at no additional cost to our customers, protects you in the event your vehicle is stolen or damaged beyond repair by waiving the difference [or gap] between your insurance payoff and your outstanding lease balance. With gap protection, your exposure is limited to the insurance deductible, past-due payments and any other outstanding charges.

CONVENIENT LEASE-END OPTIONS*

Once you fulfill all of your lease obligations with Lincoln Automotive Financial Services, you have three options to transition smoothly to your next vehicle:

- Purchase or lease a new Lincoln
- Purchase your leased vehicle at a predetermined price stated in your Red Carpet Lease agreement [plus any applicable taxes and/or fees]
- Return your leased vehicle to your Lincoln Dealer
