

# All-new Elantra GT

2018

# Meet the all-new Elantra GT

The all-new Elantra GT is the latest member to join the Elantra family. This sporty hatchback was designed in Europe and fine-tuned on the famed Nürburgring race circuit in Germany. Experience precise and responsive handling for a rewarding drive on your daily commute, weekend adventures, and everything else in between.

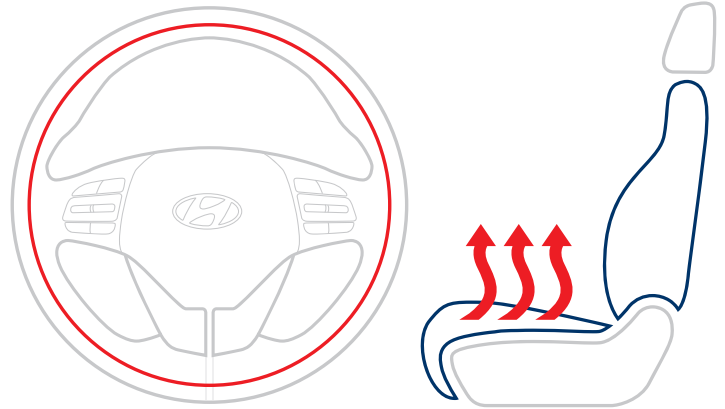

## SUPERHANDLING.

Tested and developed on the renowned Nürburgring race circuit in Germany, the all-new Elantra GT delivers a smooth ride with exceptional shock absorption and high-speed stability. Underneath the hood is a standard 2.0L Gasoline Direct Injection (GDI) engine delivering 162 horsepower. Need more power? Opt for the Sport model, which features a 1.6L turbo GDI engine with 201 horsepower and 195 lb-ft of torque. It's paired with an available 7-speed Dual Clutch Transmission, a fully-independent multi-link rear suspension, 18" alloy wheels and larger brakes for sportier driving dynamics.

## A spacious cabin, packaged for Canada.

What better way to travel in Canada than with the comfort of heated front seats and a heated steering wheel — both standard features in the all-new Elantra GT. The spacious hatchback offers versatile cargo space to pack up for your adventures, plus an available panoramic sunroof so that everyone can enjoy the stars.

## Time to connect.

Enjoy easy access to integrated connectivity, navigation and infotainment features via a floating 8.0" touch-screen. Standard Bluetooth®, Apple CarPlay™<sup>Δ</sup> and Android Auto™<sup>◊</sup> functionality will keep you in touch, informed and entertained throughout every journey. And thanks to the available wireless charging pad, you can conveniently charge your compatible smartphone cable-free<sup>▲</sup>.

Elantra GT Sport model shown.

Available sport bolstered leather seats with red stitching

Available panoramic sunroof\*

Available wireless charging pad▲

# The SUPERSTRUCTURE™.

At the foundation of the all-new Elantra GT is the SUPERSTRUCTURE™, a state-of-the-art platform that lies at the core of each member in the Elantra family lineup. Over half of the SUPERSTRUCTURE™ is composed of our Advanced High Strength Steel for exceptional stiffness and strength and features an extended application of structural adhesives to reinforce critical areas. In the event of a collision, the SUPERSTRUCTURE™ helps protect occupants inside the vehicle by absorbing harmful energy and redirecting it away from the passenger compartment.

+ An array of advanced safety technologies:

Standard Blind Spot Detection with Lane Change Assist

Standard Rear Cross-Traffic Alert

Available Lane Departure Warning System with Lane Keep Assist

Available Driver Attention Alert

Available Autonomous Emergency Braking with Pedestrian Detection

# Accessories

Block Heater

Engineered for your Hyundai, a block heater will help ensure fast starts and reduce engine wear in extreme weather.

Mud Guard Kit

Custom-fit mud guards help keep the dirt and debris of everyday driving where it belongs.

Remote Engine Starter

Leaving the house on winter mornings doesn't have to be an unpleasant experience. Equip your Hyundai with a remote engine starter and get on the road in comfort.

Premium All-Weather Floor Liners

Premium all-weather floor liners were designed to cover the interior carpet providing maximum protection against the elements that other mats cannot offer. Their unique and durable design features a non-slip surface for added comfort and a long lasting premium look. Remove carpet mats prior to installation.

Touch-Up Paint Pens

Take care of minor nicks and scratches with a touch-up paint pen matched to your Hyundai's original colour specification.

Steel Wheel

Mount your winter tires on a set of Hyundai steel wheels and spare your alloy wheels from the corrosion caused by salt and slush.

Premium Hyundai Plate Frame

Made from durable solid T304 stainless steel, this premium Hyundai licence plate frame comes in a mirror polished bright finish with detailed black Hyundai graphics encapsulated in a nameplate and clear coated for exterior protection with an enhanced look.

Wheel Lock Nuts

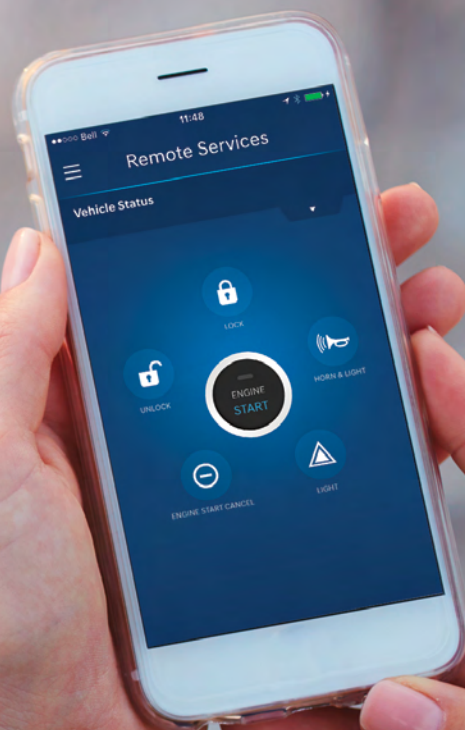

Help protect your valuable wheels and tires from theft with a set of Hyundai wheel lock nuts.

# BlueLink<sup>®</sup> at your service

Hyundai is proud to introduce BlueLink<sup>®</sup> to enhance your safety, service and entertainment experience. BlueLink<sup>®</sup> brings seamless connectivity directly into your car and can be easily accessed with a web connection, smartphone app or by using the control interface on your rearview mirror. Features include:

- ✓ **Complimentary 5-Year Service with select models**
- ✓ **Remote Start with climate control**
- ✓ **Remote Lock/Unlock**
- ✓ **Find My Car**
- ✓ **SOS Emergency and Roadside Assistance**
- ✓ **Automatic Collision Notification**
- ✓ **Local Search powered by Google™**
