

*A CAR IS NOT A LABEL.*

*A car is an orchestration of thousands of complex,  
moving and synchronizing parts.  
It should be more than a fashion accessory.  
More than a status symbol in the form of a badge.  
Nowhere is this more true than in an Acura.  
Because a car, especially a luxury car, should be  
one of substance.*

<b>LEGEND</b> The world's first Japanese luxury-brand vehicle.	<b>INTEGRA</b> Integra available in 3- or 5-door hatchback.	<b>INTEGRA</b> Winner of the IMSA International Sedan Series Manufacturers' Championship.	<b>LEGEND</b> First Acura with a standard driver's airbag.	<b>INTEGRA</b> Second-generation Integra introduced.	<b>NSX</b> The first all-aluminum sports car, and first use of VTEC technology.	<b>VICOR</b> First 5-cylinder engine from Acura.	<b>LEGEND</b> Best-selling luxury import, sixth year in a row.	<b>LEGEND</b> First 6-speed manual transmission offered in an Acura.	<b>TL</b> First generation of midsize sport sedan introduced.	<b>RL</b> First vehicle with in-dash satellite-linked navigation.	<b>CL</b> First luxury import brand to assemble vehicles in the U.S.	<b>INTEGRA</b> RealTime Racing wins SCCA World Challenge Touring two Championships.	<b>TL</b> First Acura with dual-stage driver and passenger side airbags.	<b>INTEGRA TYPE-R</b> The 195-hp "Ultimate Integra" sold in limited numbers.	<b>MDX</b> First luxury SUV with 3rd-row seating.	<b>RSX</b> Introduction of i-VTEC technology.	<b>TSX</b> Premium sport sedan launches.	<b>TL</b> First vehicle to offer Bluetooth wireless technology.	<b>RL</b> First vehicle to offer SH-AWD and XM NavTraffic.	<b>RDX</b> First Variable Flow Turbo-charged engine from Acura.	<b>MDX</b> First Acura with Active Damper System and tuning at Nürburgring.	<b>TSX</b> Redesigned TSX debuts at New York Auto Show.	<b>TL</b> First brand with across-the-board NHTSA 5-star crash safety ratings.*	<b>ZDX</b> First vehicle from Acura's new design studio in California.	<b>TSX SPORT WAGON</b> The first sport wagon offered by Acura.

**LOOKING BACK AT 25 YEARS OF LOOKING FORWARD.**

*When we launched the Acura Legend in 1986, its very existence constituted a first. In the years since, we've never stopped innovating. As we enter our second quarter-century, we continue to build on what we've learned, as well as search for new breakthroughs. Because when you're building the next generation of luxury vehicles, you don't stick with the status quo – you advance.*

SAFETY

Advanced Compatibility  
Engineering™ Body Structure

WATCH  
THE  
VIDEO

**A LOGO CANNOT SAVE YOUR LIFE.**

*Of all the feelings that driving a luxury vehicle elicits, a sense of security is the most important. It's why we incorporate safety into virtually every aspect of design. The chassis of every Acura features an Advanced Compatibility Engineering (ACE®) body structure. Unlike competitive designs that just absorb frontal crash energy, ACE uses a network of structural elements to help redirect crash energy around the cabin and away from you.*

COMFORT

Active Damper System

WATCH  
THE  
VIDEO

***SUBSTANCE IN THE FORM OF  
A MAGNETO-RHEOLOGICAL  
SUBSTANCE.***

*This is innovation at the molecular level. A liquid that instantly thickens in the presence of an electromagnetic charge, creating the intricate shape you see here.*

*Inside the Acura Active Damper System, it responds by increasing resistance, changing the vehicle's ride quality from smooth and luxurious to tight and sporty in as little as 5 milliseconds.*

*The system continuously monitors road conditions and driver input, giving you greater control and more responsive handling.*

PERFORMANCE

Advanced Materials

WATCH  
THE  
VIDEO

### **.0001 BETTER.**

*In the world of automotive performance, improvements are usually measured in increased horsepower or quicker 0-60 times. But behind those numbers, you'll find others. Acura 3.7-liter V-6 engines have cylinder sleeves composed of a silicon-embedded aluminum alloy. Engineered to stay cooler, this helps maintain a tolerance between the sleeves and the pistons that can be as little as nearly zero millimeters wide. Translation: more power is put to use. Along with systems like VTEC<sup>®</sup> valve management, it's one of the measures we employ to help our engines perform beyond their displacement.*

QUALITY

Laser Parts Verification

WATCH  
THE  
VIDEO

**A SINGLE PART, BROKEN DOWN INTO 1,000,000 PARTS.**

*Imagine that every pushpin used to create this work of art was an inspection point. This still vastly underrepresents the amount of scrutiny it can take to verify even a single part. Using lasers accurate to within the width of a human hair, technicians compare auto parts to their CAD-file counterparts at up to 1,000,000 points to ensure precision. This attention to detail results in the tightest fit possible, helping our vehicles perform better and last longer.*

PERFORMANCE

Super Handling All-Wheel Drive

WATCH  
THE  
VIDEO

**TO SEE HOW SUPER HANDLING  
ALL-WHEEL DRIVE™ WORKS,  
TOGGLE LEFT AND RIGHT.**

*Unlike most competitive all-wheel-drive systems that simply transfer power between the front and the rear wheels, SH-AWD® also directs rear power from side to side. Take a turn, and up to 100% of available rear power is sent to the outside wheel, which is also rotated slightly faster. The combination of these forces literally pushes the vehicle through the curve, giving you a level of handling prowess unmatched by conventional all-wheel drive.*

PERFORMANCE

Nürburgring Testing

WATCH  
THE  
VIDEO

**ANYONE CAN MAKE  
A CLAIM. YOU GO TO  
NÜRBURGRING TO  
MAKE A STATEMENT.**

*13 miles. 170 curves. Zero room for error. Known simply as the "Ring" to driving enthusiasts, the Nürburgring Nordschleife circuit in Germany is considered the toughest natural road course in the world. It's not a place you'd expect to find a vehicle that seats seven. In developing the driving characteristics of the MDX, we spent weeks there honing the vehicle's suspension, brakes and steering. So when we call the MDX a driver's SUV, it's something we went to considerable lengths to back up.*

TECHNOLOGY

Information Systems

### A DRIVER. A CAR. A SATELLITE. A DATABASE. A CONVERSATION.

As the world becomes an ever-increasing web of connectivity, an Acura is engineered to be the ultimate link. Voice recognition gives you control over the Bluetooth® HandsfreeLink,<sup>2</sup> Navigation System<sup>3</sup> and, with Song by Voice® technology, the music on the vehicle's hard disk drive or a USB-connected iPod.<sup>4</sup>

A blind spot information system (BSI) scans adjacent lanes and warns if it detects a vehicle that could be out of the driver's field of vision.\*

AcuraLink® keeps you abreast of what various automotive systems are up to as well as the current driving conditions with XM NavTraffic® and NavWeather.<sup>5</sup> GPS-linked climate control tracks the position of the sun and it maintains temperature settings accordingly. It's all designed to keep you informed, entertained and comfortable.†

\*The system is not a substitute for your own visual assessment before changing lanes; system accuracy will vary based on weather, size of object and speed. †Some features require available Technology or Advance Package.

#### TECHNOLOGY

#### Active Sound Control

#### **OUR SPEAKERS CAN CREATE AN INTERESTING SOUND. SILENCE.**

*Most speakers only create sound. Ours can also take it away. Active Sound Control in the ZDX, RL and TSX V-6 uses microphones to constantly monitor engine noise.*

*When unwanted noise is detected, opposing frequencies are broadcast through the speakers to eliminate it, literally fighting sound with sound. It even works when the vehicle's audio system is turned off. The result is dramatically reduced engine noise for a quieter, more comfortable cabin.*

TECHNOLOGY

Acura/ELS Surround®  
Premium Audio System

WATCH  
THE  
VIDEO

**AN AUDIO SYSTEM  
IS NOT A CAR PART.**

*For tuning engines, transmissions and suspension systems, we rely on automotive engineers. When we set out to create a world-class audio system, we looked for expertise elsewhere. Six-time GRAMMY® Award-winning recording engineer Elliot Scheiner was an obvious choice.*

*Working with our engineers, Scheiner helped create the Acura/ELS Surround Premium Audio System\*, and then precisely tuned the 5.1 system to take advantage of the unique sound field created by each vehicle's cabin. The result is music that matches the depth and nuance of the original studio recording.*

\*ELS Surround Audio System included with Technology Package on ZDX, MDX, TL, TSX and RDX. RDX shown with available Technology Package.

SAFETY

Collision Mitigation Braking System

WATCH  
THE  
VIDEO

**SAFETY IS MORE THAN  
20 SYSTEMS DESIGNED  
TO LOOK OUT FOR YOU.  
SOME, QUITE LITERALLY.**

*It never hurts to have an extra eye on the road. The available Collision Mitigation Braking System™ (CMBS™) on the RL, MDX and ZDX is designed to do just that, alerting you of a possible collision and helping to lessen its impact.*

*Along with systems like Vehicle Stability Assist™ (VSA®), Brake Assist and Electronic Brake Distribution (EBD), it's proof that keeping you out of harm's way has always been one of our top priorities.*

A DRIVER IS MOMENTARILY DISTRACTED.

↓

A POTENTIAL COLLISION IS DETECTED.

↓

AUDIO AND VISUAL ALERTS WARN THE DRIVER.

↓

SEAT BELT TUGS TO FURTHER ALERT DRIVER.

↓

BRAKES APPLY LIGHT PRESSURE.

CRAFTSMANSHIP

Hand-Worked Materials

WATCH  
THE  
VIDEO

**TECHNOLOGY HAS TAUGHT US WHEN NOT TO USE TECHNOLOGY.**

*There are times when the most sophisticated equipment known to man, is man. So even in this era of automation, it still takes more than 1,400 people to assemble an Acura. Whether it's stretching the leather around a piece of the dash or sanding sheet metal prior to painting, there are still numerous times when the recognition of a human eye, and the skill of a human hand, are required to meet the level of precision we demand of every vehicle.*

Tri-level railway cars used to transport vehicles saved 125,481 gallons of diesel fuel in 2009.

Distribution of parts in a diesel-electric hybrid truck reduces CO2 emissions by 15% compared to conventional tractor trailers.

In 2009, CO2 emissions were reduced by 3,970 metric tons at two Acura plants.

More than 90% of the RDX parts are made from recyclable materials.

Efficiently utilized shipping crates used for parts distribution save over 704 metric tons of CO2 emissions per year.

Total water used for manufacturing reduced by 128 million gallons in 2010.

All Acura vehicles have been 90% recyclable since 2004.

Repairing and recycling manufacturing pallets kept 136,350 of them out of landfills in 2010.

Receiving our first ULEV rating in 2001, now every Acura is recognized as an ultra-low emissions vehicle.

A parts consolidation center at the Marysville plant reduces CO2 emissions from parts transportation by 90 metric tons per year.

In 2009, the Marysville plant earned the EPA's ENERGY STAR for superior energy efficiency.

Landfill waste from manufacturing activity reduced by 65% from the previous year.

Corrugated packaging materials were reduced by nearly 1.5 million pounds in the last two years.

"Intelligent" paint booths reduce CO2 emissions from painting operations by as much as 25%.

All Acura manufacturing plants will achieve zero waste-to-landfill by April 2011.

Alliston and Marysville plants saved more than 840,000 cubic meters of natural gas in 2009.

Reduced use of packaging materials saved more than 635,000 pounds of wood in 2009.

## ENVIRONMENT

### Waste and Pollution Reduction

### **SUBSTANCE AS DEFINED AS A DESIRE TO LEAVE LESS SUBSTANCE BEHIND.**

*A program to recycle manufacturing pallets is never going to be a top news item. But that doesn't mean it isn't worth doing. While just about every car company is trying to burnish their "green" credentials, Acura has spent the last decade changing the way we make our vehicles, drastically reducing the amount of waste and pollutants. When it comes to managing our environmental impact, we're always looking for more ways to do less.*

# ZDX

*Performance, luxury, utility.  
Coexisting, not contradicting.*

2012

*4-DOOR COUPE*

*300-hp, 3.7-Liter V-6  
Super Handling All-Wheel Drive™  
Panoramic Glass Roof*

**F**

rom its moment of inception, the ZDX has represented something new. With its sweeping silhouette, unique panoramic glass roof and unrivaled comfort, it represents a new direction in automotive luxury.

And while the ZDX is unlike any Acura that has come before, it is, at the same time, more Acura than we've ever built.

CLICK TO VIEW A MODEL BROCHURE:

*Design influences for the ZDX include the roofline of a Japanese sports arena that suggests movement even when standing still. Materials and textures in a San Francisco luxury hotel influenced the look and feel of the ZDX cabin. One drive beneath a clear blue sky is all you'll need to figure out what inspired the vehicle's glass roof.*

*Hidden Rear Door Handles  
19-Inch Aluminum-Alloy Wheels  
Bi-Xenon HID Headlights*

***From well outside the closed loop of automotive design.***

*The most luxurious  
place between places.*

**S**ettle into the cockpit and you'll immediately recognize the care with which every detail has been rendered. Leather has been hand-selected for the quality of its natural grain. Heated and available ventilated front seats provide supreme comfort, as does the dual-zone adaptive climate control system complete with humidity sensor.

The vehicle's Active Sound Control system even helps keep unwanted engine noise from interfering by emitting opposing frequencies.

***According to conventional wisdom,  
this vehicle does not exist.***

*As much as the ZDX has been engineered to deliver a thrilling ride, we also made sure it fulfills the necessities of travel. To that end, the ZDX's sleek silhouette doesn't come at the expense of passenger or cargo space.*

*Contoured to fit the body, the driver's seat features substantial side bolsters, designed to provide a positive connection during spirited driving. The 10-way power adjustments also contribute to an ideal fit. The accommodations in back are equally well thought out. Featuring loop carpeting, the cargo area offers 27.5 cubic feet behind the rear seat, and over 57 cubic feet when the 60/40 split rear seat is folded down.*

*Acura reminds you to properly secure items in the cargo area.*

[CLICK TO VIEW A MODEL BROCHURE:](#)

*PERFORMANCE*

T

he way an engine performs is more than just a measure of horsepower and torque. In creating Acura's signature VTEC V-6 engine, our goal was to shape how you experience engine output at every point of the power band. Employing two separate cam profiles, the ZDX engine fine-tunes itself for better response off the line and at passing speeds.

A cold-air induction system packs in more oxygen for more powerful combustion while lightweight materials like aluminum and magnesium mean the engine has less inertia to overcome. It all works together to give you a feeling of limitless power.

*3.7-Liter VTEC® V-6 Engine  
6-Speed Automatic Transmission  
Sequential SportShift Paddle Shifters*

[CLICK TO VIEW A MODEL BROCHURE:](#)

*In the ZDX, performance technologies work to deliver a remarkably stable, yet thrilling ride. Super Handling All-Wheel Drive (SH-AWD®) can sense where additional torque is needed and redistribute power accordingly. Through a curve, it can even send 100% of rear power to the outside wheel, helping you keep a tighter line. The available Integrated Dynamics System (IDS) lets you choose between Comfort and Sport modes, then adjusts the steering and suspension systems for either a more relaxed or more engaging driving experience.*

*Super Handling All-Wheel Drive  
4-Wheel Independent Suspension  
Available Integrated Dynamics System*

***Four wheels. Each used to maximum effect.***

## TECHNOLOGY

Bluetooth® HandsFreeLink®  
Available Acura Navigation System  
Available Song By Voice®

**T**he true measure of technology is not only how many things it can do, but also how seamlessly it fits in with your life. The available voice-recognition feature recognizes hundreds of commands, giving you greater control over many of the vehicle's systems. These include *Bluetooth HandsFreeLink*<sup>1</sup> and the available navigation system with its optional continuously updated traffic and weather information,<sup>2</sup> as well as Zagat® restaurant reviews. Many functions of the available Acura/ELS Surround® Premium Audio System can also be controlled via voice command. Available Song By Voice technology even lets you call up a tune by saying its title or artist.

[CLICK TO VIEW A MODEL BROCHURE:](#)

*With the idea that nothing is more important than the well-being of passengers, safety features have been incorporated into every aspect of the ZDX. This includes the vehicle's Advanced Compatibility Engineering™ (ACE) body structure, which helps reduce forces transferred to the passenger compartment in a frontal collision. The Vehicle Stability Assist (VSA®) system can sense a potential loss of traction and then work with the Super Handling All-Wheel Drive to keep you on your chosen path.*

*ACE™ Body Structure  
Vehicle Stability Assist™  
Brake Assist*

***Satisfies a need for  
both exhilaration and  
self-preservation.***

D

esigned for the weekend escape, the ZDX is the ideal travel companion. This is especially true with the available Advance Package. Along with the Integrated Dynamic System, this includes the blind spot information system (BSI) and Adaptive Cruise Control (ACC), both designed to help keep an eye out for those sharing the road. The available Collision Mitigation Braking System™ (CMBS™) can automatically apply the brakes and tighten seat belts in anticipation of an imminent collision.\*

\*Depending on the circumstances, CMBS may not go through all of the alert stages before initiating the last stage (of collision mitigation).

## Owner Benefits

---

When you purchase a vehicle with the exceptional quality and reliability of an Acura, you expect service and support to be of the same caliber. After all, a premium automobile is only part of the ownership experience. With Acura, you also get a commitment. To personalized care. To attentive service. This commitment is apparent the moment you first enter an Acura dealership and for years down the road. It comes from a belief that every aspect of owning an Acura should be an enjoyable and rewarding experience.

**Warranty**<sup>3</sup> All Acura vehicles and Acura accessories installed by the dealer at the time of initial vehicle purchase have a 4-year/50,000-mile limited warranty. Acura vehicles are also covered by a 6-year/70,000-mile limited powertrain warranty. In addition, outer-body rust-through is covered on all Acura vehicles by a 5-year/unlimited-mile limited warranty.

**Acura Financial Services**<sup>4</sup> Whether you're buying or leasing, we can assist you with the process.

**Acura Care**<sup>®</sup> Comprehensive vehicle and travel protection beyond the initial warranty period enhances peace of mind. See your Acura dealer for features and benefits available with this program.

**Total Luxury Care**<sup>®</sup> (TLC)<sup>5</sup> As an Acura owner, you'll enjoy services like Trip-Interruption benefits, a 24-hour Roadside Assistance program and Acura Concierge,<sup>™</sup> which offers help in an emergency or when you're planning a trip.

**1-800-to-Acura** Operators are available 24 hours a day to help get answers to your Acura questions.

**My Acura** Your complimentary My Acura personalized website provides the most current information about your vehicle, gives you tips on how to care for your Acura and lets you schedule service appointments online.

**Accessories** When it comes to personalizing, choose Acura Genuine Accessories that are crafted to the same strict levels of quality as the rest of your ZDX. See your Acura dealer for a complete list of accessories or go to [acura.com](http://acura.com).

**acura.com** Visit us online for the latest specifications, MSRPs and special offers. You can also apply for financing or even request a price quote from an Internet-certified Acura dealer.

## PERFORMANCE

- 300-hp, 3.7-liter, 24-valve, SOHC VTEC® V-6 engine
- 6-speed automatic transmission with Sequential SportShift paddle shifters
- Super Handling All-Wheel Drive™ (SH-AWD®)
- 4-wheel independent suspension: MacPherson strut front / multi-link rear
- Torque-sensing, variable power-assisted rack-and-pinion steering
- 19-inch aluminum-alloy wheels with P255/50 R19 103H all-season tires

## STANDARD ZDX FEATURES

- Dual-zone, dual-mode adaptive climate control system
- Rear-passenger ventilation
- Cruise control
- Electronic tilt and telescopic steering column
- Maintenance Minder™ system
- Remote entry system with Acura personalized settings
- Bluetooth® HandsFreeLink® wireless telephone interface<sup>1</sup>
- Active Sound Control
- Remote-linked, power-operated tailgate
- Sport seats with leather-trimmed interior

- Premium leather instrument panel, console and door trim
- Driver's and front passenger's heated, power-adjustable seats
- 60/40 split flat-folding second-row seat
- Acura 266-watt Premium Sound System with XM® Radio,<sup>6</sup> 6-disc in-dash CD changer and 8 speakers, including 8-inch subwoofer
- USB Audio Interface with iPod® integration<sup>7</sup>
- Bluetooth Audio
- Power panoramic multi-panel glass roof with tilt feature and power sunshade
- Automatic dimming rearview mirror with rearview camera display
- Auto-on/off bi-xenon high-intensity discharge (HID) headlights
- Fog lights

## SAFETY

- Advanced Compatibility Engineering™ (ACE™) body structure
- Vehicle Stability Assist™ (VSA®) with traction control
- 4-wheel anti-lock braking system (ABS) with Electronic Brake Distribution (EBD) and Brake Assist
- Dual-stage, multiple-threshold front, front side and side curtain airbags (SRS) with rollover sensor
- Active front head restraints

## TECHNOLOGY PACKAGE (Adds to or replaces standard ZDX features)

- Acura Navigation System with Voice Recognition™ and multi-view rear camera
- Acura/ELS Surround® 435-watt Premium Audio System with 10 speakers, hard disk drive (HDD) media storage, in-dash CD, DVD-Audio player and Dolby® Pro Logic® II
- AcuraLink Real-Time Traffic and Weather™<sup>2</sup>
- Traffic Rerouting™<sup>2</sup>
- Keyless Access System with smart entry, pushbutton ignition and Acura personalized settings
- GPS-linked, solar-sensing, dual-zone, dual-mode adaptive climate control system
- Song By Voice®
- Perforated Milano Premium Leather-trimmed interior

## ADVANCE PACKAGE (Includes Technology Package)

- Integrated Dynamics System (IDS)
- Collision Mitigation Braking System™ (CMBS™)
- Adaptive Cruise Control (ACC)
- Blind spot information system (BSI)
- Exclusive suede-like headliner and trim
- Ventilated front seats
- Ambient inner door-handle lighting

## SPECIFICATIONS

- Estimated Fuel Mileage<sup>8</sup> (City/Highway/Combined) 16 | 23 | 19
- Fuel Tank Capacity 21.0 U.S. gallons
- Required Fuel<sup>9</sup> Premium unleaded 91 octane
- Curb Weight 4410 lbs
- Curb Weight with Technology Package 4419 lbs
- Curb Weight with Advance Package 4452 lbs
- Headroom (Front Row/Second Row) 38.0 in | 35.3 in
- Legroom (Front Row/Second Row) 42.2 in | 35.7 in
- Shoulder Room (Front Row/Second Row) 59.7 in | 55.4 in

Use for comparison purposes only. Do not compare to models before 2008. Your actual mileage will vary depending on how you drive and maintain your vehicle. <sup>9</sup>Using gasoline with an octane lower than 91 may cause damage to the engine. Please see your Acura dealer for details. <sup>10</sup>Carrying too much cargo or improperly storing it can affect the handling, stability and operation of this vehicle. Before carrying any cargo, be sure to consult the owner's manual for load limits and loading guidelines. 8/11

# MDX

*A METICULOUSLY ENGINEERED  
LOOPHOLE IN THE LAW OF PHYSICS.*

2011

MDX

[CLICK TO VIEW A MODEL BROCHURE:](#)

*WITH ITS ADVANCED PERFORMANCE, COMFORT AND ENTERTAINMENT TECHNOLOGIES, THE MDX GIVES DESTINATIONS A LOT TO LIVE UP TO.*

**I**

*There's nothing quite like a getaway with family or friends. All it takes is a worthy destination and, of course, the means for getting there. The MDX is designed to be the ideal traveling companion, taking on every demand and accommodating any whim.*

*Honed at Germany's legendary Nürburgring, the MDX's performance characteristics are not what you'd expect in a vehicle that seats seven. Through the track's torturous circuit, systems like Super Handling All-Wheel Drive™ (SH-AWD®), front strut and rear multi-link suspensions and the torque-sensing power steering were evaluated, tuned and tweaked to deliver a driving experience that's every bit as thrilling as it is confidence-inspiring.*

*A towing capacity of 5,000 lbs. means you can bring along even more of your fun.<sup>1</sup>*

[CLICK TO VIEW A MODEL BROCHURE:](#)

# 300

HORSEPOWER ENGINE

II

*Take command of the vehicle's 300-hp, 3.7-liter engine, and an exhilarating adventure begins the moment you hit the road. Acura's signature VTEC® technology feeds air into the engine at the perfect rate for combustion, delivering a satisfying jolt off the line as well as power in reserve at higher speeds. Harnessing it is a sophisticated 6-speed Sequential SportShift automatic. Paddle shifters let enthusiasts explore the limits of the engine's potential.*

*From highways to back roads, wherever your travels take you, the MDX is ready. The vehicle's available Active Damper System reacts to the demands of the road with the help of a remarkable substance called magneto-rheological fluid. It can change the MDX's ride from soft and luxurious to tight and sporty in as little as 5 milliseconds.*

CLICK TO VIEW A MODEL BROCHURE:

# 60

GIGABYTE HARD DISK DRIVE (HDD)

### III

*Luxurious accommodations aren't only waiting at the end of the road. Inside the MDX, supple leather adorns seats, steering wheel and other areas of contact. Front seats are bolstered to provide lateral support for quick cornering. Ten-way power adjustments<sup>2</sup> on the driver's side and 8-way on the passenger's side provide personalized comfort. Both front seats offer heating, and with the Advance Package, the increased comfort of seat ventilation.*

*Additional conveniences include an available blind spot information system (BSI),\* which can detect vehicles, both large and small, that may be out of the driver's field of vision.*

*No matter how far off the beaten path you venture, the available Acura Navigation System with Voice Recognition™ can make you feel like a local. A database containing over 7,000,000 points of interest,<sup>3</sup> as well as Zagat Survey® restaurant reviews, means you're not at a loss for options. In addition, available continuously updated weather and traffic information<sup>4</sup> help make getting there as enjoyable as possible.*

\*The system is not a substitute for your own visual assessment before changing lanes; system accuracy will vary based on weather, size of object and speed.

CLICK TO VIEW A MODEL BROCHURE:

Acura reminds you to properly secure items in the cargo area.

#### IV

*The vehicle's long wheelbase and wide shoulders ensure plenty of space, even with all seven seats occupied. And if cargo takes precedence over passengers, the 60/40 split second-row and 50/50 split third-row seats fold down to give you up to 83.5 cubic feet of space to work with.*

*Sound, of course, is a vital element to any rich experience. Developed with the help of six-time GRAMMY® Award-winning recording engineer and producer Elliot Scheiner, the available Acura/ELS Surround® Premium Audio system was designed to take into account the specific contours of the MDX cabin to reproduce the depth and clarity of the original studio recording. Song By Voice® technology lets you access music you have stored on the vehicle's hard disk drive (HDD) or on your connected iPod®<sup>5</sup> by simply voicing a preference.*

# SH-AWD

SUPER HANDLING ALL-WHEEL DRIVE

---

v

*Travel is said to broaden the mind. Take to the road in an MDX and that includes notions of the kind of moves an SUV is capable of. Accelerate through a curve and the vehicle's Super Handling All-Wheel Drive can send up to 100% of available rear power to the outside wheel and increase its rotation speed, dramatically increasing cornering ability. If road conditions are less than ideal, the system can sense if any of the wheels start to lose traction and send power to those with more grip. It all adds up to a level of crisp handling and thrilling response unmatched by conventional all-wheel drive.*

CLICK TO VIEW A MODEL BROCHURE:

## VI

*The available rear entertainment system boasts a 9-inch screen, a removable remote, and the ability to connect a game console. The Entertainment Package even lets rear passengers select their own music to listen to through included wireless headphones.*

*And in addition to their own climate controls, the second-row outboard seats also feature two-level heating when you opt for the available Entertainment Package.*

*The 2011 Acura MDX.*

*ABOUT AS FAR AWAY AS YOU CAN GET  
FROM THE WORLD OF COMPROMISE.*

## OWNER BENEFITS

When you purchase a vehicle with the exceptional quality of an Acura, you expect service and support to be of the same caliber. After all, a premium automobile is only part of the ownership experience. With Acura, you also get a commitment. To personalized care. To attentive service. This commitment is apparent the moment you first enter an Acura dealership and for years down the road. It comes from a belief that every aspect of owning an Acura should be an enjoyable and rewarding experience.

**Warranty<sup>6</sup>** All Acura vehicles and Acura accessories installed by the dealer at the time of vehicle purchase have a 4-year/50,000-mile limited warranty. Acura vehicles are also covered by a 6-year/70,000-mile limited powertrain warranty. In addition, outer-body rust-through is covered on all Acura vehicles by a 5-year/unlimited-mile limited warranty.

**Acura Financial Services<sup>7</sup>** Whether you're buying or leasing, this program can assist you with the process.

**Acura Care<sup>®</sup>** Comprehensive vehicle and travel protection beyond the initial warranty period enhances peace of mind. See your Acura dealer for features and benefits available with this program.

**Total Luxury Care<sup>®</sup> (TLC<sup>®</sup>)<sup>8</sup>** As an Acura owner, you'll enjoy services like Trip-Interruption benefits, a 24-hour Roadside Assistance program and Acura Concierge,<sup>™</sup> which offers help in an emergency or when you're planning a trip.

**1-800-to-Acura** Operators are available 24 hours a day to help get answers to your Acura questions.

**My Acura** Your complimentary MyAcura personalized website provides the most current information about your vehicle, gives you tips on how to care for your Acura and lets you schedule service appointments online.

### Accessories

When it comes to personalizing, choose Acura genuine accessories that are crafted to the same strict levels of quality as the rest of your MDX. See your Acura dealer for a complete list of accessories or go to [acura.com](http://acura.com).

### [acura.com](http://acura.com)

Visit us online for the latest specifications, MSRPs and special offers. You can also apply for financing or even request a price quote from an Internet-certified Acura dealer.

## PERFORMANCE

# RDX

*The versatility of an SUV. The agility  
of something altogether different.*

2012

CLICK TO VIEW A MODEL BROCHURE:

2.3-Liter  
Turbocharged Engine

60.6 Cubic Feet  
Cargo Capacity

***A unique combination  
of utility and velocity.***

*The RDX has the capacity to hold all your expectations of an SUV. For cargo space. For comfort. For usefulness. And thanks to its turbocharged engine and available Super Handling All-Wheel Drive™ (SH-AWD®), the capacity to send them flying off in a whole new direction.*

POWER

i-VTEC® Engine Technology

Variable Flow Turbocharger

## **The objective is not just momentum, but exhilaration.**

*Low-Speed Range – Unlike most turbochargers, our Variable Flow Turbo uses a valve to direct exhaust through a smaller passage. This spins the turbo faster and pumps air into the engine at a higher velocity – quickly increasing its power.*

*High-Speed Range – At higher speeds, the variable control valve introduces exhaust into both passages. This gives the engine more power when passing or accelerating onto freeways.*

*Generating pulse-quickening power allows no tolerance for half-measures. Open the throttle and the turbocharged engine reacts with immediate acceleration. Along with an ingenious design that practically eliminates turbo lag, the 240-hp engine also benefits from an i-VTEC system that micro-manages the timing and lift of the intake valves. The result is a big dose of torque off the line and elevated horsepower down the road.*

[CLICK TO VIEW A MODEL BROCHURE:](#)

## ***How to make a moving object stick.***

*Nothing bolsters feelings of excitement like an underlying sense of control. Whereas most all-wheel-drive systems simply respond to wheel slippage, the available Super Handling All-Wheel Drive on the RDX is also a participant in crisp, dry weather performance. Accelerate through a curve and the system will send up to 100% of rear power to the outside wheel, dramatically increasing turning force. The results are enhanced stability, more neutral steering and, ultimately, more thrilling performance.*

[CLICK TO VIEW A MODEL BROCHURE:](#)

***"The minute you drive a vehicle with SH-AWD,  
you realize there's something special."***

*Dr. Bill Post, Chief Engineer-Advanced Systems Research, Acura*

[CLICK TO VIEW A MODEL BROCHURE:](#)

## ***The technological underpinnings of fun.***

*While suspension, transmission and steering systems add to a vehicle's driving characteristics, the real foundation of performance is just that – the foundation. Both the front-wheel-drive RDX and the available SH-AWD model take full advantage of a strong chassis.*

*The extensive use of high-tensile steel in key areas gives the RDX exceptional rigidity and helps lower the center of gravity for more nimble cornering. The 4-wheel independent suspension system is tuned to provide instant response, reacting to the demands of the road and the driver.*

[CLICK TO VIEW A MODEL BROCHURE:](#)

INTERIOR AMENITIES

60/40 Split Rear Seats

Hard Cargo Cover

Rearview Camera

1

2

3

4

**Performance is not only a measure of power, but of capability.**

*Acura engineers have never been content to sacrifice the thrill of driving for the necessity of cargo. Of course, the opposite also holds true. Even with all five seats occupied, there's still almost 28 cubic feet of storage space. Fold the 60/40 split rear seat all the way down and you have over 60 cubic feet to play with.*

*To keep your things concealed and protected from the sun, the RDX features a hard cargo cover. When it's not in use, it fits on the floor of the cargo area. Additional storage spaces throughout the cabin also contribute to the vehicle's impressive utility. These include a lockable front center console that's large enough to hold a laptop computer or a standard-size briefcase.*

*Acura reminds you to properly secure items in the cargo area.*

*To help when reversing, the vehicle's rearview monitor superimposes guidelines onto the road behind. The side mirror also tilts down when reverse is engaged to aid in visibility.*

Premium Leather

8-Way Power Driver's Seat

Available GPS-Linked Climate Control

Even with the focus on performance, the cabin of the RDX is anything but austere. The vehicle's memory system welcomes you aboard by adjusting the driver's seat and outside mirrors to your preferences.

Heated front seats and dual-zone climate control also contribute to your comfort. With the Technology Package, the vehicle's GPS capabilities will even track the sun's position and adjust the climate-control system accordingly.

To match the vehicle's high performance with high fidelity, the RDX comes equipped with one of two sound systems, including the available Acura/ELS Surround® Premium Audio System.

Created with the help of Grammy®-award-winning recording engineer Elliot Scheiner, the system envelops each passenger in the rich sound of a live studio recording. Both the Acura/ELS system and the standard audio system feature a 6-disc in-dash CD changer, XM® Radio<sup>1</sup> and USB Audio Interface<sup>2</sup> for personal music players.

Acura reminds you to properly secure items in the cargo area.

CLICK TO VIEW A MODEL BROCHURE:

***The thinking  
is advanced.  
The goal  
is very basic.***

*No area of engineering advancement is more important than the field of driver and passenger safety. The RDX is a showcase of this philosophy with a vast array of advanced safety technologies including Vehicle Stability Assist™ (VSA®), Brake Assist and Electronic Brake Distribution (EBD), which are designed to help keep you out of harm's way.*

*If a collision is unavoidable, the Advanced Compatibility Engineering™ (ACE™) body structure works to help protect those inside by distributing frontal crash energy more evenly throughout the front of the vehicle.*

[CLICK TO VIEW A MODEL BROCHURE:](#)

**SAFETY TECHNOLOGY**

*ACE Body Structure  
Vehicle Stability Assist (VSA)  
Brake Assist*

***"The ACE body structure is designed to enhance the overall safety of our passengers."***

*Eric Boettcher, Principal Engineer – Vehicle Structure, Acura*

CLICK TO VIEW A MODEL BROCHURE:

**INFORMATION SYSTEMS**

Bluetooth® HandsFreeLink®  
AcuraLink®

***A connection to the road,  
and the world beyond.***

*As much as the turbocharged engine and crisp handling keep your thoughts focused on the task at hand, the RDX is also adept at connecting you with other avenues of enjoyment. In addition to optional traffic and weather forecasts,<sup>3</sup> the available voice-activated Acura Navigation System<sup>4</sup> features a destination database containing 7,000,000 points of interest as well as Zagat Survey® restaurant reviews. You can then call ahead through your Bluetooth-enabled cell phone.<sup>5</sup>*

*The vehicle's AcuraLink technology also opens lines of communication between you, your car and even your dealer, delivering diagnostic information and even letting you schedule a service appointment.*

[CLICK TO VIEW A MODEL BROCHURE:](#)

Acura 2012  
RDX

***The elevation of sport.  
The acceleration  
of utility.***

*A showcase of versatility and innovation,  
the RDX's capacity for adventure  
is evident by what it's got up front,  
and what it's got in back.*

## Owner Benefits

---

When you purchase a vehicle with the exceptional quality and reliability of an Acura, you expect service and support to be of the same caliber. After all, a premium automobile is only part of the ownership experience. With Acura, you also get a commitment. To personalized care. To attentive service. This commitment is apparent the moment you first enter an Acura dealership and for years down the road. It comes from a belief that every aspect of owning an Acura should be an enjoyable and rewarding experience.

**Warranty**<sup>6</sup> All Acura vehicles and Acura accessories installed by the dealer at the time of initial vehicle purchase have a 4-year/50,000-mile limited warranty. 2011 RL

**RL**

*FOR LUXURY AT ITS MOST ADVANCED,  
EVERY PART HAS A PART.*

# T

*The moment you climb into the cabin of the RL, you'll gain an immediate understanding of the kind of thinking and craftsmanship that went into making the vehicle a supremely accommodating sanctuary. Seats, mirrors, climate-control and audio settings all welcome you aboard by adjusting to your preferences. Rich leather adorns seats, steering wheel and shift knob, as well as other contact points. In addition, the front seats pamper with multiple heat settings, and with the Technology Package, three levels of cooling.*

*And while the vehicle's material richness is indulging your sense of touch, the Bose® Surround Sound System is more than adept at satisfying your audio needs. The system's 10 acoustically positioned speakers provide sound that resembles a high-end home set-up. The Active Sound Control system helps keep unwanted engine noise from competing for your attention. The new industry-first noise-reducing wheel technology also contributes to a quieter cabin.*

[CLICK TO VIEW A MODEL BROCHURE:](#)

**I**

*An undeniable feeling of power is evident the moment you take control of the vehicle's 300-hp, 3.7-liter engine. Employing Acura's signature VTEC® system, it utilizes two separate camshaft profiles to satisfy the competing needs of low-end torque and high-end horsepower. The result is an exhilarating rush off the line, and power in reserve down the road. A high-inertia intake manifold helps keep airflow optimized while a dual exhaust system ensures unrestricted flow out of the engine, also a vital ingredient for performance. Aluminum construction keeps the engine lighter for improved handling and less vibration.*

CLICK TO VIEW A MODEL BROCHURE:

*As sumptuous as the RL cabin may be, the last thing you want to feel is cut off from the rest of your world. Designed with the idea that knowledge is power, the RL works to keep you fully informed of what's happening inside the cabin, and out. The available Acura Navigation System<sup>1</sup> features available continuously updated traffic and weather information,<sup>2</sup> as well as Zagat<sup>®</sup> restaurant reviews. The screen also doubles as a display for the available rearview camera. AcuraLink<sup>®</sup> technology can even help you get basic diagnostic information via your Bluetooth<sup>®</sup>-connected phone.<sup>3</sup>*

---

[CLICK TO VIEW A MODEL BROCHURE:](#)

[CLICK TO VIEW A MODEL BROCHURE:](#)

## II

*One mark of a luxury vehicle is its ability to satisfy just about any need. With systems like the available GPS-linked, solar-sensing climate control, the RL can often accomplish this with no action on your part. In those instances when you do need to make your desires known, just a few words will suffice. Voice recognition gives you intimate control of a number of systems, including navigation, Bluetooth HandsFreeLink,<sup>®3</sup> and many features of the vehicle's audio and climate control systems.*

### III

*The Acura RL is proof that inspiration can be engineered. The vehicle's performance technologies have been tuned to deliver exhilarating response while also keeping you firmly in control. Chief among these is Super Handling All-Wheel Drive™ (SH-AWD®). Unlike most competitive systems, SH-AWD can sense where extra torque is needed, then distribute power not only between the front and back but also side to side among the rear wheels. In turns, the system can send up to 100% of available rear power to the outside wheel, then spin that wheel slightly faster for tighter cornering. These forces help the RL track with a precision unmatched by conventional all-wheel drive.*

[CLICK TO VIEW A MODEL BROCHURE:](#)

# W

*With a goal of keeping driver and passengers out of harm's way, Acura engineers incorporated safety technology into every aspect of the RL. It starts with the vehicle's Advanced Compatibility Engineering™ (ACE™) body structure. This exclusive design uses a network of structural elements to help reduce frontal crash energy transferred to the passenger compartment.*

*The RL also features numerous systems designed to help keep collisions from happening in the first place. This includes the available Collision Mitigation Braking System™, which can sense an imminent collision and take steps to alert the driver to avoid it if possible, and help minimize its impact if not.*

---

[CLICK TO VIEW A MODEL BROCHURE:](#)

*The 2011 Acura RL.  
IT REDEEMS ANY CONCESSIONS MADE  
DURING THE REST OF YOUR DAY.*

## OWNER BENEFITS

When you purchase a vehicle with the exceptional quality of an Acura, you expect service and support to be of the same caliber. After all, a premium automobile is only part of the ownership experience. With Acura, you also get a commitment. To personalized care. To attentive service. This commitment is apparent the moment you first enter an Acura dealership and for years down the road. It comes from a belief that every aspect of owning an Acura should be an enjoyable and rewarding experience.

**Warranty<sup>4</sup>** All Acura vehicles and Acura accessories installed by the dealer at the time of vehicle purchase have a 4-year/50,000-mile limited warranty. Acura vehicles are also covered by a 6-year/70,000-mile limited powertrain warranty. In addition, outer-body rust-through is covered on all Acura vehicles by a 5-year/unlimited-mile limited warranty.

**Acura Financial Services<sup>5</sup>** Whether you're buying or leasing, this program can assist you with the process.

**Acura Care<sup>®</sup>** Comprehensive vehicle and travel protection beyond the initial warranty period enhances peace of mind. See your Acura dealer for features and benefits available with this program.

**Total Luxury Care<sup>®</sup> (TLC<sup>®</sup>)<sup>6</sup>** As an Acura owner, you'll enjoy services like Trip-Interruption benefits, a 24-hour Roadside Assistance program and Acura Concierge,<sup>™</sup> which offers help in an emergency or when you're planning a trip.

**1-800-to-Acura** Operators are available 24 hours a day to help get answers to your Acura questions.

**My Acura** Your complimentary MyAcura personalized website provides the most current information about your vehicle, gives you tips on how to care for your Acura and lets you schedule service appointments online.

### Accessories

When it comes to personalizing, choose Acura genuine accessories that are crafted to the same strict levels of quality as the rest of your RL. See your Acura dealer for a complete list of accessories or go to [acura.com](http://acura.com).

### [acura.com](http://acura.com)

Visit us online for the latest specifications, MSRPs and special offers. You can also apply for financing or even request a price quote from an Internet-certified Acura dealer.

## PERFORMANCE

300-hp, 3.7-liter, 24-valve, SOHC VTEC<sup>®</sup> V-6 engine / 6-speed automatic transmission with Sequential SportShift paddle shifters / Super Handling All-Wheel Drive<sup>™</sup> (SH-AWD<sup>®</sup>) / 4-wheel independent suspension: double wishbone front / multi-link rear / Electronic variable power-assisted rack-and-pinion steering / 18-inch aluminum-alloy, noise-reducing wheels with P245/45 R18 96V high-performance all-season tires

## SAFETY

Advanced Compatibility Engineering<sup>™</sup> (ACE<sup>™</sup>) body structure / Vehicle Stability Assist<sup>™</sup> (VSA<sup>®</sup>) with traction control / 4-wheel anti-lock braking system (ABS) with Electronic Brake Distribution (EBD) and Brake Assist / Dual-stage, multiple-threshold front airbags (SRS), front side airbags and side curtain airbags / Active front head restraints

**TL**

*More performance. More luxury.  
In short, more TL.*

2012

*Intensity, refined.*

# 3.7

---

*3.7-liter VTEC® engine  
(TL SH-AWD)*

*Its newly sculpted lines evoke a sense of anticipation. Its more sharply honed performance reinforces the bond between driver and vehicle. The 2012 Acura TL is proof that power can be thoroughly refined, yet still retain every bit of its capacity to thrill.*

*With its taut, finely tailored silhouette and more aggressive details like the darkened headlights and bold wheel design, every element speaks to the power and precision of the TL.*

CLICK TO VIEW A MODEL BROCHURE:

*Among the design influences for the TL's revised exterior was the look and feel of a high-end watch. As with a fine timepiece, the closer you look at the TL, the more intricately textured and detailed different elements become. From the use of gloss-black details to the matte-black mesh that calls to mind the aggressiveness of past TL designs, everything works together. It is this level of detail that makes the TL more intriguing and, ultimately, that much more special to its owner.*

**Jon Ikeda**  
Acura Chief Designer

*"The proportions of a vehicle tell you a lot about its nature. With its long hood and short rear deck, there is visual movement to the design. The TL just looks fast."*

CLICK TO VIEW A MODEL BROCHURE:

*In the TL, technology is designed to work intuitively and elegantly. Many of the systems recognize your intimate needs and react, even where there is no contact.*

*This includes the available voice-activated navigation system, complete with Zagat Survey® restaurant reviews as well as available XM NavTraffic® and NavWeather™ information.<sup>1</sup>*

*Voice recognition can also be used with the available Acura/ELS Surround® Premium Audio System. The available Advance Package even includes Song By Voice® technology that lets you verbally call up music stored on your connected iPod®<sup>2</sup> or the vehicle's built-in hard drive. It's all part of the philosophy that the most powerful technology is the most easy to use.*

*Despite the supreme comfort afforded by the TL cabin, this is not luxury for luxury's sake, but for the sake of the driver. From the design and placement of every control, to the improved sound insulation and available GPS-linked climate control, the goal was to create an environment free of distraction and discomfort, so you can concentrate more on the task at hand.*

**Simon Yu**  
Lead Interior Designer

*"The curved metal band on the dash was modeled after the spray a power boat makes as it carves through the water. Its concave shape creates a feeling of spaciousness for front passengers."*

[CLICK TO VIEW A MODEL BROCHURE:](#)

10-way power  
driver's seat

10

*Mechanical precision, infused with human warmth.*

*Inside the TL, you'll find that refinement was anything but an afterthought. The spacious cabin invites you in with expertly crafted details, rich leather and front seats that offer multiple levels of heating as well as available ventilation. With the available Technology Package, the seats are trimmed in glove-soft full-grain Perforated Milano Premium Leather. The TL also anticipates your needs with memory-adjust seats, mirrors, and climate and audio settings. It all contributes to an environment that is at the same time relaxing and invigorating.*

[CLICK TO VIEW A MODEL BROCHURE:](#)

*While the TL may look like a pure design statement, it is, strictly speaking, a purpose-built machine. As such, every element has been fashioned to be authentic to its purpose. From the shape of the air-intake vents to the angle of the rear spoiler, nothing is superfluous. Nothing unnecessary.*

[CLICK TO VIEW A MODEL BROCHURE:](#)

*Damon Schell*  
Lead Exterior Designer

*"The two key words in designing the new TL were sophisticated workmanship. Think of an Italian suit maker who really gets into the details of his work."*

*Translating driver will  
into reality.*

# 4

---

*4-wheel independent suspension*

*Accelerate. Shift. Turn. Brake.  
How well a vehicle reacts to  
driver input depends to a large  
extent on what's happening  
behind the scenes. To that end,  
the TL chassis incorporates  
high-tensile steel to make it  
both light and rigid.*

*This firm foundation allows  
Acura engineers to tune the  
fully independent suspension  
system more precisely. The  
suspension system also features  
advanced damper valves and  
high roll stiffness for a flatter  
ride and more direct response  
to steering input.*

CLICK TO VIEW A MODEL BROCHURE:

*The choice of two potent engines gives you two ways to generate pulse-quicken power.*

*Both the 280-hp, 3.5-liter and the TL SH-AWD's 305-hp, 3.7-liter engine utilize Acura's signature VTEC technology for uninterrupted power throughout the rpm range. A new 6-speed automatic transmission gives the TL not only quicker acceleration, but also improved fuel efficiency.<sup>3</sup>*

*The 3.7-liter engine features machined aluminum/silicon cylinder liners for increased strength and heat transfer. Mechanical etching inside the cylinders exposes the silicon crystals, helping reduce friction for better performance. The TL SH-AWD also offers driving enthusiasts an available close-ratio 6-speed manual transmission that lets you keep the shift points exactly where you want them.*

**Jon Ikeda**  
Acura Chief Designer

*"When a car is built for performance, when it has some muscle, you want to show that off. You want to wrap it in a lean body."*

[CLICK TO VIEW A MODEL BROCHURE:](#)

*One of the thrills of driving a high-performance sport sedan is exploring the vehicle's potential. The TL's speed-sensitive steering and sport-tuned suspension give you a lot of room for fun. The TL SH-AWD extends the performance parameters even further with the addition of Acura's exclusive Super Handling All-Wheel Drive™ (SH-AWD®). Accelerate through a curve and SH-AWD can send up to 100% of available rear-wheel power to the outside wheel and then turn that wheel slightly faster, dramatically improving the vehicle's turning force to help the TL and its driver achieve a higher level of control.*

*New for 2012, the blind spot information system (included with the Advance Package) utilizes radar sensors to alert you to the presence of vehicles located outside your field of vision.\**

\*The system is not a substitute for your own visual assessment before changing lanes; system accuracy will vary based on weather, size of object and speed.

*Keeping you in touch,  
in control and inspired.*

7

---

*7,000,000 points of interest*

*While the sport-tuned suspension and Super Handling All-Wheel Drive work to keep you firmly connected to the road, systems like the available Acura Navigation System keep you connected to the world beyond.*

*Its destination database contains 7,000,000 points of interest, from the nearest gas station to local hotels and cultural destinations. The system can even dial for a reservation through your compatible Bluetooth®-enabled cell phone.<sup>†</sup>*

*A sanctuary.  
And at times, a fortress.*

# 6

---

*Advanced six-airbag system*

*Luxury features are by no means the only technologies designed to help keep life's harsher elements at bay. The Advanced Compatibility Engineering™ (ACE®) body structure can help distribute frontal crash energy more evenly, helping reduce the forces transferred to the passenger cabin.*

*Safety systems designed to help keep collisions from happening in the first place include Vehicle Stability Assist™ (VSA®), which can detect a loss of traction and take appropriate action to help keep you in control.\**

\*VSA is not a substitute for safe driving. It cannot correct the vehicle's course in every situation or compensate for reckless driving. Control of the vehicle always remains with the driver.

## Owner Benefits

---

When you purchase a vehicle with the exceptional quality and reliability of an Acura, you expect service and support to be of the same caliber. After all, a premium automobile is only part of the ownership experience. With Acura, you also get a commitment. To personalized care. To attentive service. This commitment is apparent the moment you first enter an Acura dealership and for years down the road. It comes from a belief that every aspect of owning an Acura should be an enjoyable and rewarding experience.

## STANDARD TL FEATURES

- 280-hp, 3.5-liter, 24-valve, SOHC VTEC® V-6 engine
- 6-speed automatic transmission with Sequential SportShift paddle shifters
- Front-wheel drive
- 4-wheel independent suspension: double wishbone front / multi-link rear
- Electric variable power-assisted rack-and-pinion steering (EPS)
- 17-inch aluminum-alloy wheels, P245/50 R17 98V high-performance all-season tires
- Dual-zone, dual-mode adaptive climate control system
- Remote entry system with Acura personalized settings
- Bluetooth® HandsFreeLink® telephone interface<sup>4</sup>
- Leather-trimmed interior
- Driver's and front passenger's heated, power-adjustable seats
- Acura 276-watt Premium Sound System with XM® Radio,<sup>8</sup> 6-disc in-dash CD changer, Dolby® Pro Logic® II and 8 speakers, including 8-inch subwoofer
- USB Audio Interface with iPod® integration<sup>2</sup>
- Bluetooth Audio
- Power moonroof with tilt feature
- Auto-on/off xenon high-intensity discharge (HID) headlights
- Fog lights

## TL SH-AWD FEATURES (Adds to or replaces standard TL features)

- 305-hp, 3.7-liter, 24-valve, SOHC V-6 engine with intake/exhaust VTEC
- Close-ratio 6-speed manual transmission (Requires Technology Package)
- Super Handling All-Wheel Drive™ (SH-AWD®)
- Hill start assist
- Exclusive front sport seats and steering-wheel design with contrast stitching
- 18-inch aluminum-alloy wheels, P245/45 R18 96V high-performance all-season tires

## SAFETY

- Advanced Compatibility Engineering™ (ACE™) body structure
- Vehicle Stability Assist™ (VSA®) with traction control
- 4-wheel anti-lock braking system (ABS) with Electronic Brake Distribution (EBD) and Brake Assist
- Dual-stage, multiple-threshold front airbags (SRS), front side airbags and side curtain airbags
- Active front head restraints

## TECHNOLOGY PACKAGE (Available for TL and TL SH-AWD)

- Acura Navigation System with Voice Recognition™ and rearview camera
- Acura/ELS Surround® 440-watt Premium Audio System with 10 speakers, hard disk drive (HDD) media storage, in-dash CD, DVD-Audio player and Dolby® Pro Logic® II
- Song By Voice®
- AcuraLink Real-Time Traffic and Weather™<sup>1</sup>
- Traffic Rerouting™<sup>1</sup>
- Keyless Access System with smart entry, pushbutton ignition and Acura personalized settings
- GPS-linked, solar-sensing, dual-zone, dual-mode adaptive climate control system
- Perforated Milano Premium Leather-trimmed interior

## ADVANCE PACKAGE (Includes Technology Package)

- Blind spot information system (BSI)
- Ventilated and heated front seats
- Aluminum-alloy wheels and tires size increase: TL to 18-inch; TL SH-AWD to 19-inch, P245/40 R19 94W high-performance all-season tires

---

## SPORT SEDAN

---

A case study in modern luxury, the TSX engages with its nimble athleticism, clean aesthetics and leading-edge technologies. A spirited 201-hp in-line 4-cylinder or an available 280-hp V-6 provide the power. A race-derived suspension system endows the vehicle with a firm grip and compliant ride. The vehicle's cabin offers the perfect balance between indulgence and sport. And as if this weren't enough, the 31-mpg highway rating<sup>1</sup> is sure to further inspire a few long road trips.

[CLICK TO VIEW A MODEL BROCHURE:](#)

---

## SPORT WAGON

---

Sport in more than just name, the TSX Sport Wagon earns its badge with its driver-focused cockpit, highly efficient engine and precise response. And if your idea of sport includes more than taking on a challenging stretch of asphalt, the TSX Sport Wagon offers plenty of cargo space for your gear. Its class-leading 30-mpg highway rating<sup>1</sup> also adds to the vehicle's performance credentials.

2.4-LITER i-VTEC® 4-CYLINDER

"A REV-HAPPY ENGINE"

*Motor Trend*<sup>2</sup>

3.5-LITER VTEC® V-6

**Power  
beyond  
displacement.**

The mark of an Acura engine is its ability to produce more power than its specs would suggest possible. In the TSX Sedan and Sport Wagon, this feat is accomplished by a 2.4-liter i-VTEC in-line 4. The engine's highly intelligent variable valve-timing system expertly balances the competing demands of low-end torque and high-speed horsepower, generating a constant surge throughout the power band. The sedan is also available with a V-6 for even bigger thrills. Its all-aluminum construction and hollow camshafts keep the engine lighter for a better-handling vehicle.

5-SPEED AUTOMATIC

6-SPEED MANUAL

For those looking to get the most power out of the TSX's high-revving engine, the 2.4-liter engine can be mated with a 6-speed manual transmission (Special Edition Sedan only). The close-ratio gearing ensures strong performance in any gear. Shift throws are short and the linkage direct to provide an optimal feel for confident shifting. Available with both engines, the 5-speed Sequential SportShift automatic features a cornering-G shift control that recognizes when you're in a curve and will delay upshifting to avoid having to then downshift when you hit the accelerator as you exit the curve. The automatic transmission also gives you the option of driving in fully automatic mode or, with race-inspired paddle shifters, a more hands-on approach.

---

**RIGID CHASSIS**

**4-WHEEL INDEPENDENT SUSPENSION**

---

Combining advanced metallurgy and complex physics, TSX handling technologies may seem like cold engineering. But one drive is all it takes to appreciate the finer qualities of the TSX ride. It all starts with the chassis. The strategic use of high-tensile steel keeps it both light and strong. The improved body rigidity allows the suspension to be tuned with greater precision helping the vehicle respond to driver input with minimal body roll. Speed-sensitive Electric Power Steering (EPS) lets the steering feel match the driving conditions, from parking to high-speed driving. The V-6 model gets its own suspension tuning and larger diameter wheels, further lengthening its performance parameters.

improve  
your  
destination.***

ZAGAT® REVIEWS

"STATE-OF-THE-ART  
NAVIGATION AND ENTERTAINMENT  
SYSTEMS"

*Edmunds.com*<sup>5</sup>

VOICE RECOGNITION

While performance technologies are working to make your journey as enjoyable as possible, information technologies can help ensure that the same is true of your destination.

The available voice-activated Acura Navigation System features a destination database containing over 7,000,000 points of interest as well as Zagat Survey® restaurant reviews. You can even call ahead for a reservation through your connected *Bluetooth*-enabled cell phone.<sup>3</sup> The navigation system also includes available traffic and weather information,<sup>4</sup> and suggests alternative routes if necessary.

[CLICK TO VIEW A MODEL BROCHURE:](#)

[CLICK TO VIEW A MODEL BROCHURE:](#)

The TSX cockpit is a testament to the vehicle's performance characteristics. Designed to clarify the connection between driver and vehicle, the deeply bolstered driver's seat offers support through the curves. Likewise, the steering wheel and shift knob are wrapped in leather to provide a tactile feel. The 8-way power driver's seat adjustments let you quickly get into your ideal driving position.

Also helping to ensure your complete comfort is the dual-zone automatic climate control system. The available GPS-linked climate control system keeps track of the sun's relative position and intensity and automatically adjusts to compensate. On the V-6 sedan, Active Sound Control helps keep excessive engine noise in check.

*TECHNOLOGY CONTROL*

***A sports car.  
No asterisk  
required.***

*Steering Wheel-Mounted Controls  
Bluetooth HandsFreeLink®  
Multi-Purpose Interface Dial*

It wasn't just inspired by a sports car, it was derived from one. Starting with the same drivetrain and suspension technologies that make the TSX Sport Sedan so much fun to drive, the TSX Sport Wagon demands very little sacrifice for its additional cargo space.

The cabin has likewise been built with the driver in mind. As in the sedan, controls are meticulously crafted and placed for intuitive operation. Steering wheel-mounted controls give you access to a number of systems, including audio, *Bluetooth HandsFreeLink*,<sup>3</sup> and when equipped, the voice-recognition system, letting you keep your hands on the wheel and your focus on the road.

[CLICK TO VIEW A MODEL BROCHURE:](#)

The TSX Sport Wagon was purpose-built for those seeking adventure. Its class-leading 30-mpg highway rating<sup>1</sup> means you can put on a lot of miles between fill-ups, while 66.2 cubic feet of cargo space means you can make the most out of every one of them. It's no wonder it received a 2011 Consumer's Top Rated Award from Edmunds.com.<sup>6</sup>

**"IT IS SNAPPY AND  
READY TO RUN"**

---

*CNET*<sup>7</sup>

[CLICK TO VIEW A MODEL BROCHURE:](#)

With its abundant space, the TSX Sport Wagon literally expands the definition of sports-car performance. The cargo area's carpeted floor and flat sidewalls make for easier loading and unloading, as does the available remote-linked, power-operated tailgate.

Additional storage compartments found throughout the cabin, including six within easy reach of the driver, ensure that there's a place for everything.

*Acura reminds you to properly secure items in the cargo area.*

[CLICK TO VIEW A MODEL BROCHURE:](#)

***Some of  
our smartest  
thinking went  
into systems  
you may  
never use.***

As anyone will tell you, the best collision is the one that didn't happen. With that in mind, both the TSX Sedan and Sport Wagon feature technologies designed to help keep you out of harm's way. These include Electronic Brake Distribution (EBD), Brake Assist and Vehicle Stability Assist™ (VSA®) which can sense potential understeer or oversteer and brake individual wheels to help keep you on your intended path.

To help lessen the negative effects when a collision is unavoidable, both chassis feature Acura's Advanced Compatibility Engineering™ (ACE™) body structure. In a frontal crash, ACE helps direct energy around the passenger compartment, away from those inside.

HARD DISK DRIVE  
MEDIA STORAGE

***The best  
stereo in  
the house,  
isn't.***

Individually tuned to both the TSX Sedan and Sport Wagon's interior dimensions, the available Acura/ELS Surround® Premium Audio System adds immeasurably to the rich experience of driving a TSX. Developed with the help of GRAMMY® Award-winning engineer and producer Elliot Scheiner, it was designed to recreate the feel of the original studio recording. The 10-speaker system features XM® Radio<sup>9</sup> and can play DVD-Audio discs as well as the songs stored on the internal hard disk drive (HDD) or your USB-connected iPod.<sup>10</sup> Song By Voice technology lets you verbally make a selection based on song, artist or album.

## ***Refinement, redefined.***

### ***TSX SPECIAL EDITION***

The new TSX Special Edition starts with the crisp, machined lines of the TSX, then adds unique front corner spoilers, rear bumper and side sills, as well as darker aluminum-alloy wheels. The cabin is outfitted with aluminum pedals, red stitching and instrument illumination, and special Lux Suede® seat inserts and door panels. It's all designed to further highlight the sporty nature of the vehicle.

## Owner Benefits

---

When you purchase a vehicle with the exceptional quality and reliability of an Acura, you expect service and support to be of the same caliber. After all, a premium automobile is only part of the ownership experience. With Acura, you also get a commitment. To personalized care. To attentive service. This commitment is apparent the moment you first enter an Acura dealership and for years down the road. It comes from a belief that every aspect of owning an Acura should be an enjoyable and rewarding experience.

**Warranty**<sup>11</sup> All Acura vehicles and Acura accessories installed by the dealer at the time of initial vehicle purchase have a 4-year/50,000-mile limited warranty. Acura vehicles are also covered by a 6-year/70,000-mile limited powertrain warranty. In addition, outer-body rust-through is covered on all Acura vehicles by a 5-year/unlimited-mile limited warranty.

**Acura Financial Services**<sup>12</sup> Whether you're buying or leasing, we can assist you with the process.

**Acura Care**<sup>®</sup> Comprehensive vehicle and travel protection beyond the initial warranty period enhances peace of mind. See your Acura dealer for features and benefits available with this program.

**Total Luxury Care**<sup>®</sup> (TLC)<sup>13</sup> As an Acura owner, you'll enjoy services like Trip-Interruption benefits, a 24-hour Roadside Assistance program and Acura Concierge,<sup>™</sup> which offers help in an emergency or when you're planning a trip.

**1-800-to-Acura** Operators are available 24 hours a day to help get answers to your Acura questions.

**My Acura** Your complimentary My Acura personalized website provides the most current information about your vehicle, gives you tips on how to care for your Acura and lets you schedule service appointments online.

**Accessories** When it comes to personalizing, choose Acura Genuine Accessories that are crafted to the same strict levels of quality as the rest of your MDX. See your Acura dealer for a complete list of accessories or go to [acura.com](http://acura.com).

**acura.com** Visit us online for the latest specifications, MSRPs and special offers. You can also apply for financing or even request a price quote from an Internet-certified Acura dealer.

## PERFORMANCE

- 201-hp, 2.4-liter, 16-valve, DOHC i-VTEC® 4-cylinder engine
- 280-hp, 3.5-liter, 24-valve, SOHC VTEC® V-6 engine (V-6 Sedan)
- 5-speed automatic transmission with Sequential SportShift paddle shifters
- Close-ratio 6-speed manual transmission (available Special Edition only)
- Front-wheel drive
- 4-wheel independent suspension: double wishbone front / multi-link rear
- Electric variable power-assisted rack-and-pinion steering (EPS)
- 17-inch aluminum-alloy wheels with P225/50 R17 93V high-performance all-season tires (Sedan & Sport Wagon)
- 18-inch aluminum-alloy wheels with P235/45 R18 94V high-performance all-season tires (V-6 Sedan)

## STANDARD TSX FEATURES

- Dual-zone automatic climate control system with air filtration
- Remote entry system with folding key and Acura personalized settings
- Bluetooth® HandsFreeLink® wireless telephone interface<sup>3</sup>
