

# Free Seminar

## Teen Safe Driving & Financial Awareness

(Attending this seminar can qualify the teens for insurance discounts.)

### Stop Destructive Behaviors While Driving

**Did you know 87% of teens believe texting and phone calling while driving is dangerous driving behavior? Yet they still do it. You can do something about it!**

You and your teens are invited to a free informative and interactive presentation about the growing epidemic of “distracted driving.” Every day, thousands of teens and adults are involved in preventable crashes, all too often with deadly results. Tragically, car crashes are the number one killer of teens in the United States. DCH Tustin Acura, as part of its commitment to the local community, presents a frank discussion about how teens and parents can face these challenges openly and honestly.

### Getting Insurance Discounts

Gain important tips and learn from several insurance providers about good driver and good student discounts on your auto insurance. Farmers and AAA representatives will be on hand to provide information and answer questions. Attending this seminar can qualify the teens for discounts immediately.

**FREE**  
**Safe Travel First Aid Kit**  
for every attendee.  
Provided by the Tustin  
Community Foundation

### Power of Financial Credit

Learn how to create and build financial credit for young adults ready to take on college, car, new job, and future financial responsibilities.
