Findlay History

Over 50 Years of Great Deals and Friendly Service

Pete Findlay opened Pete's Used Cars in 1957 and later an Oldsmobile dealership in Las Vegas in 1961. After turning down an opportunity to play for the Portland Trail Blazers in 1970, Cliff Findlay joined his father's business. He became CEO in 1979 when his father retired.

"If someone is going to spend \$20,000 to buy a car, he should have fun doing it." Pete Findlay

From that single location, Findlay Auto have grown to nearly 30 locations in Nevada, Arizona, Utah, Idaho and Oregon.

In 2015, the organization retailed more than 35,000 vehicles. Findlay Automotive Group employs over 1,500 people.

Findlay Hyundai opened in 2007

Findlay Mazda opened in 2010

Findlay Nissan opened in 2012

Findlay Chrysler Jeep Dodge Ram opened in 2014

Through all of our expansion, we have been able to maintain the family business feel.

Cliff and his wife Donna now reside in the Coeur d'Alene Area.

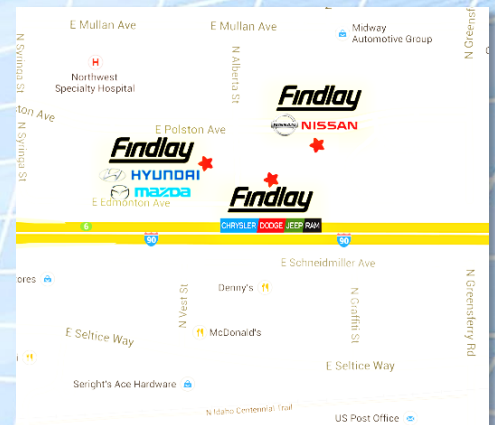

The Findlay Difference

No Hassle – Easy Peasy Prices

We take pride in offering old fashioned, honest service and pricing. We even have a special name for our pricing – Easy Peasy Prices. No, this is not a gimmick. Our Easy Peasy prices are clearly labeled on our new inventory. However, as a business partner, you receive even better prices.

Having a HUGE selection of vehicles for you to choose from allows us to give you a variety of choices, and if we don't have what you are looking for, we will make every effort to help you find it.

All the Post Falls Findlay locations are conveniently situated next to one another and are just a short drive from Spokane, Washington and Coeur d'Alene, Idaho. We know that you have high expectations, and as a premier car dealer, we enjoy the challenge of meeting and exceeding those standards each and every time. Allow us to demonstrate our commitment to excellence!

We understand that your time is valuable and – having researched your vehicle online – you want to minimize your time in the dealership. That's why we do everything possible to make your visit brief, informative and enjoyable.

No matter how you shop, it's important for us to treat you like a guest and to exceed your expectations. Please feel free to pay us a visit in person and experience our dealerships' service and excellent selection of vehicles. We offer our customers modern dealerships with a comfortable environment and no sales pressure.

Stop by and see why we were voted Best Auto Dealer North Idaho.

Reviews

"I had a wonderful time in my purchase of my wrangler. Thank you so much Paul and Susan for your patience and understanding. I really love driving my wrangler, one satisfied customer." Billy Poe

"I have to say that Cameron Hendewerk is amazing. He brought cars to me to look at because I was at work. Having no car of my own he picked me up and brought me to the dealership. He went above and beyond in all aspects. So good I literally just had to walk in, sign and walk out. So fast and easy. 5+ stars. Two thumbs up. If you want the best, ask for Cameron." Kathy Ward

"I had been to about 15 used and new car dealers around the CDA/Spokane area when I decided to try Findlay. Findlay was by far the best one I went to. I dealt with Kalan as the sales person, and he was very level headed and respectful of my concerns about price and reliability. I was able to finance through them and get half the interest rate of my previous vehicle. I ended up getting an incredible deal on a Honda Civic! Thanks Kalan and the Findlay team!" Josiah Jordan Howard

"Love the way they treated me, never would I go to buy a car or truck anywhere else."
Carol Toothaker

"Never thought I would be put back in my seat by a Hyundai. These are for sure not the cars I remember them being. Extremely great buys, steller sales staff, and great coffee and tunes in the show room. Why wait for the auto show next week? If you're in the market I highly suggest you stop in." Daniel Dormady
