“I am a customer for life!”

“I feel safe and secure knowing that my wife is in great hands with First Team!”

“Today, I brought my 2007 Yaris in for servicing and when it was time to retrieve it, I was impressed that my Service Representative, **Anita Holmes**, and Service Tech, **Woody**, noticed that one of my rear back up lights was inoperative. This was after I paid my bill for servicing and was pulling out my wallet to cover the cost of replacing the rear back up light bulb, when Anita said that no additional charges needed to be paid to cover the blown out bulb. I am impressed by your team's attention to detail and customer service. If I wasn't a believer before in your quality service, I am now because you not only met but also exceeded my expectations. I am a customer for life! Thanks again for your impeccable service!”

Hey Becky,

“I wanted to shoot you an email to express my gratitude for your services in purchasing the Highlander and Corolla S. You made the process so smooth and quick. You are a bright, well-mannered professional who jumped thru a lot of hoops to get my wife and I in the vehicles we selected. We are really happy with them both and are set on staying First Team Toyota customers.”

“Shawnee has been the absolute best (hands down) in the Service Department. Keeping customers happy with a dealership is the Service Department. In the past, if I didn't like the Service Department I would look to buy my next vehicle elsewhere. With the purchase of these two Toyotas puts me at a total of five new vehicles at this dealership. Shawnee's Team makes all the difference.”

Thanks again,

Congratulations to **Tommy Weaver** 2011 Winner of the RAYSAC/First Team Auto Mall After-Prom Party Car Giveaway.

Tommy Weaver, a rising senior at Luray High School, won a 2011 Hyundai Elantra, by promising to stay alcohol and drug-free on prom night and staying at his after-prom party until the events concluded.

RAYSAC (The Roanoke Area Youth Substance Abuse Coalition), has coordinated and co-sponsored the After Prom Grand Finale Event for 20 years. The Grand Finale Event recognizes those students who participate in their school's after-prom party, stay until the end, and remain alcohol and drug-free. Only students still present at the end of their after-prom party are eligible to win the grand prize and other prizes. Four students are chosen from those students remaining to the end of their party along with 4 alternates. The 4 students were then invited to attend the Grand Finale at Valley View Mall. There they tried their key for the grand prize vehicle.

Pictured above, Grand Finalists with **David Dillon**, President of the First Team Auto Mall and **Don Shelton**, Hyundai Sales Manager. Thanks to all those who gave their support to help make the After-Prom Grande Finale a great success!

The Roanoke County Education Foundation announced that **Stephen Biscotte**, Anatomy and Physiology teacher at Cave Spring High School, is the recipient of the **2011 Golden Apple Award**.

Among his many accomplishments, Biscotte has implemented several new instructional projects including the PIT (Physicians in Training) crew and a new “green” outdoor classroom and eating area.

In Stephen Biscotte’s classes, “the students are expected to DO science, not just KNOW science” – so says one of Mr. Biscotte’s colleagues.

Each year, teachers from across Roanoke County Public Schools are nominated by students, parents, co-workers and administrators to receive the highest award presented to a teacher by the Education Foundation. This year, 114 teachers were nominated to receive the award – 27 teachers were named as semi-finalists.

First Team Toyota Gives Back To The Community

The Kiwanis Club of Churchland Partners with First Team Toyota to hold Annual Scholarship Awards Program

On Thursday June 2, 2011 at 7:30 AM the Kiwanis Club of Churchland in partnership with First Team Toyota Western Branch held our annual Scholarship Awards program at The Church of St Therese, 4137 Portsmouth Blvd., Chesapeake, VA 23321. Breakfast was served at 7:30 AM and the Awards Program started at 8:00 AM.

Six \$1,000.00 grants to be used for college scholarships were awarded. Each year our Scholarship Awards Committee has a tough time narrowing down the list of applicants from the three high schools that we support, Churchland High School, Stonebridge School, and Western Branch High School. Grade point average is not the only criteria used to select a winner. Athletics, music, citizenship and community service are also used, along with financial need.

The six winners of this year's awards are: From Churchland High School; 1. Cameron J. Booth who will attend Virginia Commonwealth University; 2. Amara Bleckman who will attend Tidewater Community College; From Stonebridge School; 3. Ellen C. Russell who will attend the University of Virginia; From Western Branch High School; 4. Corissa E. Tracy who will attend George Washington University; 5. Armeshia G. McCoy who will attend North Carolina Agricultural & Technical State University; 6. Carter H. Gresham who will attend Virginia Tech.

The Kiwanis Club of Churchland gives special thanks to Gerry Reust, First Team Toyota and the Toyota Corporation for assisting us help these bright young people move on to a higher education. We highly recommend First Team Toyota, their reliable products and their excellent service.
