SHIFT KNOB

The car you drive is a small reflection of yourself. Make it truly yours with genuine Scion accessories that both protect and enhance your iQ. Every accessory has been designed, engineered and manufactured with the highest quality that you've come to expect from Scion, so that you may enjoy your own unique iQ for years to come.

STAND OUT

MUDGUARDS

Mudguards help keep the lower side panels of your machine pristine and clean while protecting against chipping.

- Precise fit to match vehicle body panels and structure
- Corrosion-resistant mounting hardware
- Meets factory ground clearance entry and departure angles

REAR SPOILER

Like a fedora tipped just so, this roof-mounted rear spoiler increases the sass quotient of your iQ. It's color-keyed to perfectly match the exterior of the vehicle.

- Features precisely sculpted detail
- Paint quality meets factory specifications for appearance and performance

FOG LIGHTS

It was a dark and stormy night — but you scoff and drive on, thanks to the enhanced visibility provided by the high-performance halogen bulbs of the fog light kit.

- Seamlessly integrates into lower front grille
- Designed to complement the iQ's exterior lines
- High-performance halogen bulbs are DOT-approved
- Corrosion- and shock-resistant

INTERIOR LIGHT KIT

Feeling blue? Your iQ does too. Match the ambiance of your cabin with your mood by using the interior light kit ¹, which casts a glow around the front footwell area in your choice of seven colors.

- Seven LED color choices (blue, turquoise, green, yellow, red, purple or white)
- Lights come on when doors are opened or when the key is in the “on” position
- Light stays on while driving, but the user can toggle to the “off” mode

ILLUMINATED DOOR SILLS

Jazz up the entryway of your iQ with illuminated door sills¹, which light up as you open the door. Pair them with the interior light kit for more dramatic lighting.

- Illuminates the iQ's front door sills in seven LED color choices (blue, turquoise, green, yellow, red, purple and white)
- Lights come on when front doors are opened
- Durable stainless steel construction
- Precision fit and finish

DOOR SILL ENHANCEMENTS

Get the dramatic entrance you deserve with these stainless steel door sill enhancements.

- Distinctive stamped Scion logo
- Designed for durability and precision fit and finish

PAINT PROTECTION FILM

Like a clear suit of armor, Genuine Scion Paint Protection Film² helps guard your vehicle from road debris that can chip and scratch the finish. Manufactured from durable, nearly invisible urethane, the film is designed for specific sections of the vehicle that have the highest potential for impact.

- Urethane material provides protection and resists discoloration
- Features multiple layers for strength and durability
- Paint protection film is available in kits for the hood/fenders, and for the front bumper (each sold separately)

CARPET FLOOR MATS – FRONT

Don't let permanent dirt and grime invade your cabin — these carpeted floor mats³, styled to fit perfectly in your footwell and enhanced with an embroidered iQ logo, make it easy to tidy up.

- Made of high-grade, 20-oz. nylon carpeting with attractive border
- Nibbed backing and quarter-turn fastener (on the driver's side) helps keep the mats in position
- Removable and easy to clean
- Set of two—driver and front passenger mats

CARPET FLOOR MATS – REAR

You could scold your backseat passengers for their dirty shoes. Or you could just pop these uniquely styled carpeted floor mats in and clean up in a jiff.

- Made of high-grade, 20-oz. plush nylon carpeting
- Features attractive border with surged finish
- Nibbed backing help keep the mats in position
- Removable and easy to clean
- Set includes three mats that fit between the seat tracks in the rear passenger area
- Two-piece front mat set sold separately

ALL-WEATHER FLOOR MATS

You may love to get muddy, but the interior of your iQ most definitely does not. The easy-to-clean, all-weather floor mats³ will protect your carpet from the soil in which you have trod.

- Durable rubber/vinyl material featuring a molded gray iQ logo
- Replaces standard carpet floor mats
- Set of two—driver and front passenger mats

PROTECT

SPACE

CARGO NET – ENVELOPE

iQ owners know all about maximizing space. This envelope-style cargo net keeps bags upright and restrains rogue fruits and maverick veggies from rolling around while the car is in motion.

- Custom-crafted to fit the vehicle cargo area
- Envelope-style netting accommodates items of various shapes and sizes
- Designed for long-term durability
- Easy to install; attaches to defined points in rear cargo area
- Folds flat for storage when not in use

CARPET CARGO MAT

Keep the cargo area of your iQ looking as good as the day you bought it.

- Designed specifically for the cargo area of the iQ
- Protects the carpet on the rear seat backs when they are folded down to create the cargo area
- Attaches to the back seats with a loop that fastens to the head rest to keep it in position when the seats are up and VELCRO® to keep it in position when seats are down
- Easily removable
- Made of highly resilient and durable 13-oz. black nylon carpet, embossed with iQ logo
- Rubber-backed construction helps prevent the mat from sliding

ASHTRAY CUP

Ashes belong nowhere else but inside an ashtray. Keep 'em contained.

- Easily removable ashtray features a UV-protected cup and hinged lid; fits snugly inside vehicle cupholder
- Easy to empty and clean

BESPOKE® 4.5 PREMIUM AUDIO

Know exactly where you're going, then maximize your enjoyment of the drive. With GPS navigation and a vast array of entertainment and information options at your fingertips, you may even choose to take the long way there.

- Voice-activated GPS navigation with touch screen
- Features aha® Internet services, available on iTunes⁶ and Google Play⁷
- 36 presets provide access to a universe of online content: Internet radio, podcasts, audio books, news, magazines and more.
- Social media like Facebook, Twitter, Yelp! and Trip Advisor
- Location Based Services to help find local restaurants, coffee, hotels, and weather information

SCION STANDARD DISPLAY AUDIO

A life without music? Unimaginable. A commute without music? Unbearable. Honor your tunes with the deep, rich tones of Scion standard display audio⁵.

- BT Hands-free system helps drivers keep hands on the wheel and eyes on the road
- 6.1-in. touch screen display shows song information, station, iPod track, artist and album
- USB connectivity
- Bluetooth streaming audio⁸
- HD Radio™⁹ with multicast HD Radio® channels and on-screen information
- AM/FM/CD
- Scion Sound Processing® (SSP), featuring three sound reproduction pre-sets for multiple ways to enjoy your listening experience
- Auxiliary port
- Automatic Sound Levelizer (ASL)—adjusts volume according to vehicle speed
- iTunes tagging

*WHEN USING AHA, DEPENDING ON THE DETAILS OF YOUR SMARTPHONE CONTRACT, DATA USAGE FEES MAY APPLY. CONFIRM DATA USAGE FEES BEFORE USING THIS SERVICE.

16-IN. 8-SPLIT SPOKE ALLOY WHEEL

Your iQ looks like nothing else on the road. These 16-in. lightweight aluminum alloy wheels are highlighted with a liquid metal finish that changes color tone depending on the angle of light.

- Can be used with factory tires
- Flat seat lug nuts designed to achieve optimal torque tension for the iQ
- Works seamlessly with the Direct Type Tire Pressure Monitoring System (TPMS)¹⁰

WHEEL COVERS

Choose between 5-spoke or 7-spoke styles of the wheel covers and elevate your iQ to a whole new style.

- Scion-specific design ensures precise, secure fit
- Quick and easy pop-on installation

ALLOY WHEEL LOCKS

Help keep light-fingered admirers of your wheels and tires at bay with these durable wheel locks, which look good as they protect your belongings.

- Weight-matched to the stock lug nut weight, making rebalancing unnecessary
- Special key tool and collar guide enable simple, five-minute installation
- Triple nickel chrome plating helps ensure superior corrosion protection and enduring shine
- Resistant to lock-removal tools; operated by a single unique key. Replacement keys and locks available to customers within 24 hours

SHIFT KNOB

Make every interaction with your iQ even more enjoyable with the leather-wrapped shift knob, with its ideal contouring and handsome execution.

- Wrapped with perforated and smooth leather combination
- Satin silver metallic finished base with contrast stitching
- Features iQ logo on knob
- Weighted for a solid feel
- Simple, screw-on direct replacement installation

TRD LOWERING SPRINGS

An inch can make a huge difference, especially when it comes to a vehicle's center of gravity. Installing TRD lowering springs lowers your iQ, (it's a good thing!) resulting in quicker turn-in, enhanced steering response and improved cornering ability.

- Durable red powder coat finish provides superior corrosion resistance
- Features TRD-developed proprietary spring rates (linear in front, progressive in rear)
- Designed to work with stock struts and shock absorbers

TRD SHIFT KNOB

Personalized performance, in the palm of your hand. The TRD shift knob reminds you of the Toyota Racing Development heritage every time you put your iQ in drive.

- Black leather with prominent red TRD logo
- Fits M8 x 1.25 metric Scion thread shift levers
- Installs easily for a precise fit

TRD SWAY BAR

Race-tested and developed to give your iQ an edge when it comes to cornering, the TRD sway bars provide greater performance and handling without added weight.

- Provides a flatter, more stable cornering stance
- Reduces front wheel slip
- Helps provide greater control while preserving the secure handling of the original steering and suspension system
- Limits body roll without adding harshness to the ride
- Finished with durable, gloss red powder coat, which resists corrosion while improving appearance and durability
- Simple, bolt-on installation, with no vehicle modifications required
- Includes synthetic chassis grease, along with all hardware including end links, bushings and brackets

TRD OIL FILTER

Keep your oil pure as long as possible and help enhance the life of your iQ's engine with the TRD Oil Filter that kicks out impurities through a 100% synthetic fiber filtration medium.

- Zinc-plated steel end caps help increase structural integrity
- Red silicone gaskets help provide excellent seal characteristics at high temperatures
- Kit includes two replacement high-temperature Vitron housing gaskets and drain adapter

PERFORMANCE

1. Requires switch kit, which includes an ECU and push-button light switch for quick and easy toggling through color selections to create your own personalized vibe. Fully compatible with Illuminated Door Sills (if so equipped), enabling color selections for the illuminated door sills and interior light kit to synchronize; only one switch kit required when vehicle is equipped with both illuminated door sills and interior light kit.
2. Scion Genuine Accessory Warranty will only apply when the installation is performed by a trained Scion approved installer. If the film is installed by anyone else, the Scion "Parts Only" warranty - 12 months will be applicable instead. Please see dealer for details.
3. To avoid potential interference with pedal operation, do not install a floor mat on top of an existing floor mat, and each mat must be secured with either quarter-turn fasteners or retention hooks (clips). This floor mat was designed specifically for use in this model and model year vehicle and SHOULD NOT be used in any other vehicle.
4. BeSpoke® is a registered trademark of Scion, a marque of Toyota Motor Sales, U.S.A., Inc.
5. Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times.
6. iPhone® not included. iPhone and iTunes are registered trademarks of Apple Inc.
7. Google Play is a registered trademark of Google Inc.
8. Performance of Bluetooth®-compatible phones will vary based on phone software version, coverage, and your wireless carrier.
9. HD Radio™ Technology manufactured under license from iBiquity Digital Corporation U.S. and Foreign Patents. HD Radio™ and the HD, HD Radio, and "Arc" logos are proprietary trademarks of iBiquity Digital Corp."
10. The Scion Tire Pressure Monitor alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitoring system. See your Owner's Manual for details.

ALWAYS GO WITH GENUINE SCION ACCESSORIES

When it comes time to make your Scion your own, remember only Genuine Scion Accessories are designed, tested and approved specifically for your Scion vehicle. Plus, when you purchase them at the same time as your new vehicle, Genuine Scion Accessories are backed by Scion's 3-year/36,000-mile New Vehicle Limited Warranty, valid at any Scion dealership nationwide.
