ELIGIBILITY

In order to maintain YOUR eligibility under this certificate, **YOU** are required to have all the **manufacturer's recommended maintenance** services performed at OUR service department, in accordance with the manufacturer's recommended mileage and time schedule as set forth in the owner's manual for the make, year and model of the COVERED vehicle, **within 1,000 miles** of the manufacturer's recommended service intervals. Oil change intervals every 5 months or 5,000 miles.

IMPORTANT INFORMATION ABOUT THIS CERTIFICATE

If YOU maintain YOUR eligibility under this certificate as described herein, then subject to YOUR payment of the deductible, WE will repair, replace, or have repaired or replaced and Covered Part in the event of a Breakdown. Replacement may be made with a part which is of like kind and quality comparable with the original design specifications and wear tolerances of the vehicle. Coverage is limited to the Covered Parts listed below.

This Certificate lasts for as long as **YOU** own the Covered Vehicle. Coverage under this Certificate terminates if you sell or transfer the Covered Vehicle. This Certificate is *not transferrable*. **If you fail to maintain YOUR eligibility, this Certificate shall become null and void.**
VEHICLES USED FOR COMMERCIAL USE ARE NOT ELIGIBLE FOR THIS PROTECTION PROGRAM.

By YOUR signature below, YOU acknowledge that you have been given the opportunity to read the entire Certificate and understand the terms, conditions, and exclusions governing this **Lifetime Powertrain Protection Program**. You further acknowledge that YOU will be responsible for the deductible amount as indicated above.

Limits of Liability: The maximum amount that will be paid is \$3,500 for an Engine repair, \$2,500 for a Transmission repair, \$1,500 for a Transfer Case repair, \$1,500 for a Drive Axle repair. Benefits payable are limited to once per component. Dealer not responsible for repairs due to customer negligence

WHAT THIS CERTIFICATE COVERS

This Certificate covers Breakdowns to:

ENGINE: 1) All internally lubricated parts contained within the vehicle's engine, including pistons, piston rings, piston pins, crankshaft, crankshaft main bearings, connecting rods & rod bearings, camshaft & camshaft bearings, cam followers, timing chain, timing gears, guides, tensioners, rocker arms, rocker arm shafts, hydraulic lifters, rocker bushings, cylinder head valves, valve guides, valve lifters, valve springs, push rods, oil pump, intake and exhaust valves. Seals & gaskets, only if required in the repair of a Covered Part. (2) The engine block and cylinder heads, provided the breakdown of the engine block or cylinder heads is caused by the breakdown of a part listed in clause (1) above (does not include any part other than what is supplied in the long block assembly).

TRANSMISSION & TRANSFER CASE: Automatic or Standard Transmission. All internally lubricated parts, plus torque converter, seals & gaskets (if required in repair of a Covered Part), transmission case and housing (if damaged by an internally lubricated part). Manual transmission clutches, pressure plates, and throw out bearings are not covered. Transfer case (only if damaged by an internally lubricated part) and all its internally lubricated parts, and seals & gaskets (only if required in repair of a Covered Part).

DRIVE AXLE: Front or rear. All internal parts contained within the drive axle, drive axle case, constant velocity joints, axle bearing, drive axle housing (only if damaged by an internally lubricated part), and seals & gaskets (only if required in repair of a Covered Part).

NO CLAIMS WILL BE PAID WITHOUT PRIOR AUTHORIZATION BY ISSUING DEALER
