

Excess Wear & Use Lease-End Protection Plan

Volvo Excess Wear & Use Lease-End Protection Plan

Over the life of a vehicle lease a certain amount of wear is expected from everyday usage. Beyond the expected normal wear, excessive wear can occur and result in charges in addition to what you expected to pay at lease end.

Volvo Car Financial Services Excess Wear & Use Lease-End Protection, if attached to a lease contract, may free you from the financial responsibility of up to \$7,500 of the excess wear charges as defined in the lease contract, subject to the terms of your Excess Wear & Use Addendum.

Damage Covered With Lease-End Protection

As stated in your lease agreement, you are responsible for the condition of your vehicle at turn in. Excess damage as defined by the lease to the interior or exterior means additional charges.

Examples of damage that can result in additional charges include:

- Hail damage
- Dents/dings
- Acid rain-cause paint damage
- Scratches and chipped paint
- Wheel rash
- Windshield chips
- Interior burns and spills
- Worn out tires

* Depending on the terms of your lease agreement, charges resulting from the damage listed above may be waived pursuant to the terms of your Excess Wear & Use Addendum

Why do I need it?"

"I am conscientious and take great care of my car."
