2015 Godfrey Pontoon Boats

UNPLUG. UNWIND. UNWORK.

Get to the good stuff.

Godfrey

PONTOON BOATS

Whether it's a big client presentation at work, a backyard that needs mowing, or time consuming errands and chores, there's always something that needs your attention. Sometimes our non-stop, full-tilt, constantly connected life needs a time out. After all, what's all that hard work for, anyway, if you never stop to enjoy the fruits of your labor? Here at Godfrey Pontoons, we specialize in helping you unplug, unwind and, well, unwork.

You see it's not about getting away from it all. It's about getting out there and getting to the good stuff. It's about getting your teenage daughter's undivided attention, hearing your wife laugh out loud, and competing to catch the biggest fish or clinging to the tube the longest. It's about fresh air and sunshine, exercise, and teaching your children well. It's about focusing on what really matters.

You're at the helm...go ahead, get to the good stuff.

DESIGNED WITH YOUR SATISFACTION IN MIND

From the all-welded V-Keel up, Godfrey Pontoon Boats are engineered to last with the highest-quality components and construction methods. Why do we spend so much time and effort overbuilding in areas you probably won't ever see? Because sometimes it's what you don't see that can make all the difference. It's a difference that's resulted in 25 industry CSI Awards.

Amphitheater Sound System

Godfrey Pontoons has selected the finest audio electronics and speakers to create a superior sound-system package for the ultimate listening experience. All speakers are strategically placed throughout the boat's unique seating configuration for optimal sound. The exclusive Amphitheater Sound System integrates Sony or Fusion electronics with Polk audio speakers. The system comes standard on Sanpan and is optional on Aqua Patio models.

NextWave Electrical

The exclusive NextWave™ electrical system, includes high-end Deutsch connectors with convenient push-button circuit breakers and is water-resistant. NextWave also features wiring runs that are connected through independent grounding points for key circuits, to help ensure you won't be stranded on the water. The heavy-duty wiring is housed inside flexible conduit to help prevent damage. Circuit breakers are also easy to reset (push button) and feature automotive-style fuses. This is a quality electrical system. The others simply don't measure up!

Total Comfort System

1. Exclusive heavy-duty GX50 "soft touch" and PERMAGUARD® expanded vinyls resist tears, stains and fading
2. Precision cut and fit for clean, tailored appearance
3. Varying layers of multi-density contoured foam provide lasting comfort
4. Custom Perma-life furniture with water management reduces mold and mildew
5. Vented base allows air to flow through storage areas, keeping them clean and dry
6. Built-in water management system channels water through seat bases and drains overboard

Scan this QR code to learn more about Godfrey's construction.

Marine Deck PTP
Provides sound dampening and won't rot, warp or dent.

Saddle Brackets
Heavy-duty with extra-wide feet for superior support.

C-Channel
Three-inch-tall support beam for consistent strength.

F-Style Rub Rail Support
Solid. Prevents sagging edges by reinforcing the entire deck.

Decking Fasteners
Large, stainless steel elevator bolts with non-slip nylon lock nuts.

Chambered Tubes
Separate, pressure-tested chambers created by interior bulkheads.

Anodized Rails
1 1/4" anodized rail frame to prevent corrosion and minimize maintenance.

Deutsch Connectors
Water-resistant and plug-and-play. Easy to add or replace accessories.

Heavy-Duty V-Keel
Ensures even tracking in the water while protecting the bottom of pontoons.

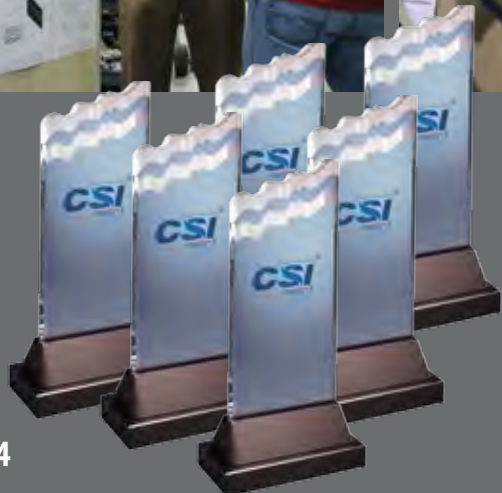

Splash Fins
Tough extruded aluminum fins let you ride high and dry.

CONGRATULATIONS GODFREY PONTOONS!

25 total CSI Awards for outstanding customer satisfaction. More than any other pontoon boat builder.

TRIPLE THE FUN

Engineered for speed and performance.

The driving force behind our more than 50 years of success has been to pull together the best designers, engineers and craftsmen to create products that will excite you, thrill you and give your family the best ride possible.

The chambered T.O.T.A.L. Triple-Tube System, easy-planing tube extension, sport motor pan, full aluminum belly skin, a massive and dry in-floor ski locker, and aggressive lifting strakes of Godfrey's Triple Tube Packages all contribute to the excitement by giving you more consistent control and superior handling at higher speeds.

Triple Outperforming Tube And Launchpad
Only Godfrey has the T.O.T.A.L. package!

Aquasport

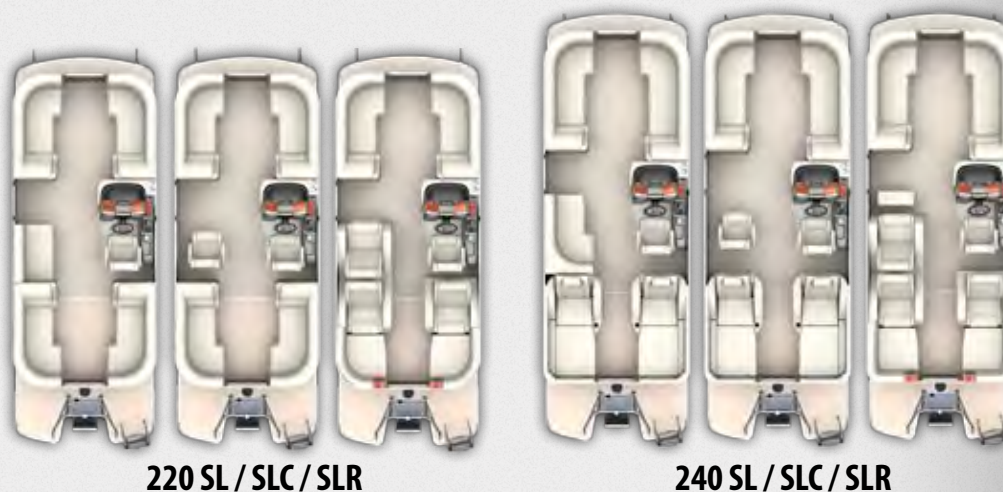

HIGH PERFORMANCE

Back in the day, pontoons were known as a functional, but not exactly fashionable mode of transportation. Let's just say that Aqua Patio is not your grandfather's pontoon. With interior and exterior lighting packages, striking rail skin inserts and luminescent Carbon Fiber Pearl vinyl, you can enjoy all the seating, storage and ease-of-operation that pontoons are known for — but now you can do it in style.

FEATURES

1. Bow gate filler cushion shown in French Vanilla
2. Sun lounge seating shown in French Vanilla
3. Under-seat storage
4. SLR Flip-up speakers
5. 220 SL with optional Nutmeg flooring

with Diamante White Pearl interior.

Aqua Patio®

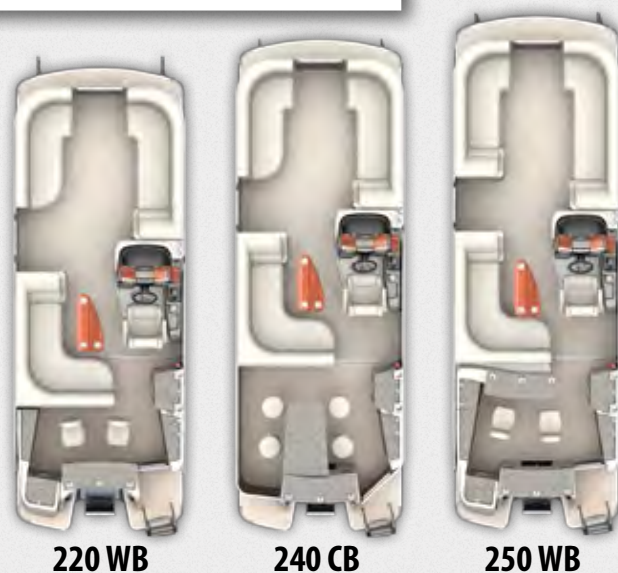

RAISING THE BAR

It only makes sense that the latest and greatest ideas for pontoon partying can be found right here. From cushy suspension bar stools with comfortable footrests, to exclusive LED cupholders that securely hold wine glasses, to removable propane grills and freshwater sinks, Aqua Patios are built for a good time on the water...want to come along?

FEATURES

1. 240 Center Bar
2. Entertainment Center - Grill Master shown with removable grill
3. Bar stools
4. Entertainment Center - Grill Master shown without removable grill
5. Corner storage cabinet shown with grill

FOCUS ON FAMILY FUN

A Sweetwater Premium Edition calls for a celebration. It takes your best family moments and makes them even better. When you're ready to start a new tradition and challenge the notion that there's no place like home, climb aboard a Sweetwater Premium Edition — where every day can be a special occasion.

240 SD

Shown in Metallic Navy with French Vanilla interior.

Sweetwater
PREMIUM EDITION

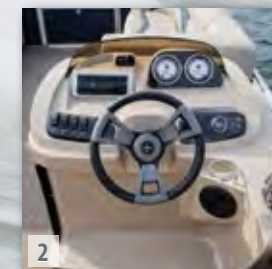

FAMILY FUN

When you're looking for a value pontoon that's packed with refined upgrades, it's time to take a look at a Sweetwater Premium Edition. The finest soft-touch vinyl? Check. Stainless steel-trimmed cupholders? Check. 21 gallon fuel tank for all-day cruising and watersports? Check. More fun than your family can ever remember? Check.

FEATURES

1. Bow chaise lounge in French Vanilla with Black accent
2. Smartly designed helm
3. Captain's chair
4. Standard chaise lounge storage
5. Removable cupholder

with Zephyr Tan upgrade interior

Sweetwater

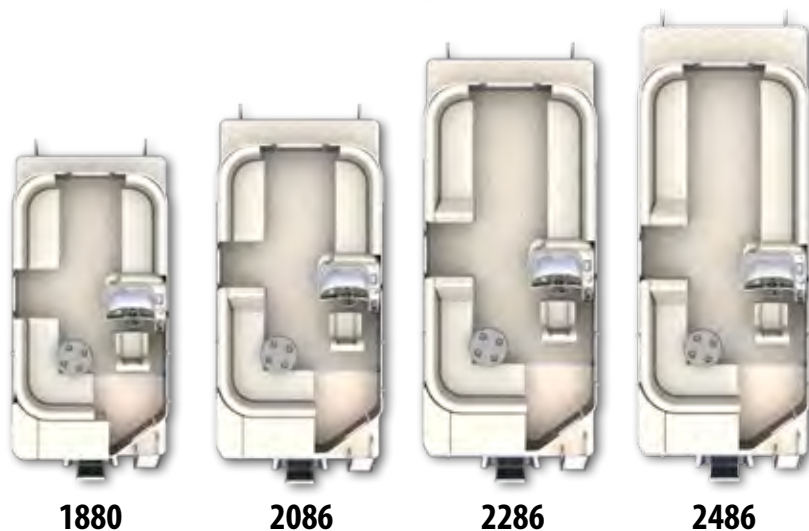

Good Times, Great Value

No pontoon builder offers more floorplan options than Sweetwater, so you can find just the right seating layout for you and your crew. And all Sweetwater furniture is built-in-house using comfortable, easy-care vinyl and cushy multi-density foam. So when we say everyone has a great seat, we mean it in every sense of the word.

FEATURES

1. Stern table and seating
2. Stylish helm
3. Captain's chair
4. Bow lounge with movable cup holder
5. Double Canopy with Full enclosure

Sweetwater

Good Times, Great Value

We've heard from lots of Sweetwater owners over the years, and many of our best innovations have come directly from them. That's the case with the distinct "Bow Fish" deck design that's part of some of the great fishing layout options. The oversized, easy-care forward deck features multiple pedestal seats and plenty of room to land your catch.

FEATURES

1. Spacious cockpit with stern table
2. Under-seat livewell
3. Bow fish chair
4. Changing room

A LONG HISTORY ON THE WATER

There are plenty of pontoon manufacturers out there today. But how many of them can say that they've been building boats for half a century? Not too many, and Godfrey Pontoon Boats is proud to be right at the top of that list. Godfrey Pontoons established its name with the introduction of the first-ever all-aluminum pontoon boat (Sanpan) at the 1958 World's Fair in Chicago, Illinois.

Just as we did in 1958, Godfrey Pontoon Boats knows what you want—and we give it to you! As the recognized leader in quality, innovation and styling, Godfrey Pontoons continues to set the standard for pontoon construction. In fact, Godfrey pioneered many of the systems that have become industry standards. With more than 50 years of experience, we work hard to build you a boat that will be part of your family for years to come.
