

Caring for our guests and our team members is a pillar of Grand Ledge Ford Lincoln and Merrill Ford Okemos.

Given the spread of the coronavirus to Michigan, I am reinforcing our core values and we are following the guidance of our local, state, and national leaders.

Under Governor Whitmer's "Stay Home, Stay Safe" executive order, our service departments and collision centers are open as essential businesses.

Service and the Grand Ledge Ford Lincoln collision center are open from 7 a.m. to 6 p.m. The Merrill Ford Okemos collision center is open from 8 a.m. to 6 p.m.

As this is a quickly-evolving situation, please call ahead for an appointment. You can reach Grand Ledge Ford at (517) 627-8100 and Merrill Ford at (517) 347-1830.

Our sales departments are closed as non-essential services under the Governor's order until further notice.

You can always shop our inventory online at [www.grandledgeford.com](http://www.grandledgeford.com) and [www.merrillford.com](http://www.merrillford.com) and we will continue to be available to assist you via phone, email, and text.

Sincerely,

Barry Merrill  
Owner/President
