

# Milestone Motoring

Call Now: 877-725-4567

Thank you for reading the [Milestone Motoring](#) newsletter for August 2008.

When most people are considering leasing or buying a new or pre-owned car, they are often deterred by the negative experiences (high pressure selling and not getting the exact car you want) they have endured through the traditional retail car dealership process. At [Milestone Motoring](#), we believe that this experience should always be positive by providing our car leasing and buying clients with a good value and an excellent customer experience expertly delivered by knowledgeable customer focused people. Our value proposition is to save you time, money and hassle when leasing/purchasing your next car.

[Milestone Motoring's](#) approach makes the automobile leasing and sales experience simple, stress-free and haggle-free. We handle every manufacturer and model. You tell us the car you want and we go to work on your behalf to obtain the best possible price, with the least amount of effort on your part. In addition, we are happy to deliver your new car to your home or office.

We operate with integrity and honesty. We believe once we have earned the opportunity to help you with your next car lease/purchase, we will be your source of leasing and buying cars for life.

## **Hands Free Headsets for Under \$100**

On July 1, 2008 California and several other states have made it illegal to use a handheld mobile phone while driving. The safest way to comply with the law is to avoid talking on a mobile phone while driving. However for many of us using the mobile phone while driving is a way of life. We have listed several hands free headsets for under \$100 for you to consider,

Cardo S800 <http://www.cardowireless.com/>

Aliph Jawbone 2 <http://www.jawbone.com/>

Plantronics Voyager 520 <http://www.plantronics.com/>

Sound ID SM100 <http://www.soundid.com/>

Motorola Motopur H12 <http://www.motorola.com/>

## Recalls

We have listed some of the cars/trucks currently being recalled as reported by the car makers to the NHTSA.

1. 2006-2008 Mercedes-Benz ML and GL series with trailer hitch.

Problem: Trailer hitch receiver may separate from attachment bar.

2. 2004-2005 Volkswagen New Beetle and 2003-2005 New Beetle Convertible.

Problem: Front-impact airbags may deploy too forcefully in low speed crashes.

3. 2004-2006 Toyota Sienna minivan.

Problem: Gas filled struts may deteriorate and allow the lift gate to drop unexpectedly.

4. 2005-2006 Nissan Titan, Armada and Infinity QX56.

Problem: Air-conditioning condenser fan motor corrodes, may overheat and burn.

5. 2000-2002 Chevrolet Blazer; 2000-2001 GMC Jimmy; 2000 Oldsmobile Bravada.

Problem: Brake lights and rear hazard lights fail.

6. 2005-2006 Ford F-150 and Lincoln Mark LT trucks, all with 5.4 liter, three valve engines.

Problem: The brake booster vacuum hose may deteriorate and detach from the intake manifold, making brakes harder to use.

7. 2004-2005 Mitsubishi Galant.

Problem: Ignition-transmission interlock fails, creating roll away danger.

8. 2006 Jeep Commander with 4.7 Liter V-8 engine.

Problem: Engine stalls under certain conditions.

9. 2004 and 2005 5-Series sedans, 2004-2006 X3 SUV's and some 2006 3-Series BMW's

Problem: Airbags on the passenger's side of the vehicles may not deploy in an accident.

## Mini Cooper Shortage

According to Automotive News July 28, 2008 the nations 82 Mini franchises are out of cars, and dealers can do little more than take orders and deliver preordered units for the rest of 2008.

As fuel prices have risen, demand for the Mini Cooper has outstripped supply.

In June, Mini sold 5,211 units, up 24.8 percent from the same month last year. That followed sales increases of 52.8 percent in May and 39.4 percent in April.

Through the first half of 2008, Mini sales are up 33.6 percent to 26,400 units.

Dealers who have been asking for more cars won't get much satisfaction soon. Mini will boost production for the United States, but only between 2,000 and 3,000 cars this year.

The Mini plant in Oxford, England, is running three shifts, seven days a week. It builds about 800 cars a day for 80 markets.

**Milestone Motoring has been very successful in securing Mini's for our clients. If you want a Mini, please call or email us.**

### **Book Recommendation**

#### **WOODEN, A Lifetime of Observations and Reflections On and Off the Court.**

This is a wonderful book full of life lessons and reminders of our opportunity to help each other and improve the world.

Here are ten of my favorite maxims from the book.

1. The best way to improve the team is to improve ourself.
2. Big things are accomplished through the perfection of minor details
3. Discipline yourself and others won't need to
4. If I am through learning, then I am through.
5. The smallest good deed is better than the best intention.
6. The man who is afraid to risk failure seldom has to face success.
7. The best thing a father can do for his children is to love their mother.
8. You discipline those under your supervision to correct, to help, to improve - not to punish.
9. If we magnified blessings as much as we magnify disappointments, we would all be much happier.
10. Goals achieved with little effort are seldom worthwhile or lasting.

### **Quote**

***"Happiness isn't something you experience, it is something you remember"***

**-Oscar Levant**

Thank you for reading the [Milestone Motoring](#) newsletter for August 2008. Please feel free to forward it along to anyone who you believe would derive benefit from its content.

**Please keep in mind that very aggressive deals remain in place on 2008 models from various manufacturers. Many of the 2009 model year vehicles arrive at the end of the third quarter and there is increased motivation to lease/sell the remaining 2008 models.**

Please email or call us when you or someone you know is in the market to lease or buy a new or pre-owned car. We handle all manufacturers and models.

Thank you for your support and loyalty!
