The Heros2 program is made possible by a grant from the reformed gasoline settlement fund. Created as a result of an antitrust class action, the purpose of the fund is to achieve a clean air or fuel efficiency benefit for California consumers.

Covers normal factory scheduled service for 2 years or 25,000 miles, which ever occurs first. The new Toyota vehicle can not be part of a rental or commercial fleet or a heavy or taxi vehicle. See participating Toyota dealer for details. Valid only in the continental United States and Alaska.
