*Your Stop For Upfits and Incentives*

## Ford Commercial Connection is your connection to the latest Accessories, Upfits and Incentives that fit your vehicle and your work.

You need to maximize your productivity, and your Ford Dealer has the hard-working accessories and upfits to help you get the most out of your vehicle.

Did you know that many Ford Accessories are eligible as part of the Ford Commercial Connection Upfit Assistance program? As a qualifying Business or Business Owner, you can take advantage of the Ford Commercial Connection Upfit Assistance program to help you upfit your vehicle with Ford Accessories that help you get the job done.

Ford Commercial Accessories are designed and engineered for your vehicle, and they'll be expertly installed by Ford-trained technicians to fit right and work right.

### Ford Accessories offer you many benefits, including:

- Quality products approved by Ford and designed specifically for your application
- Covered by a 3-year/36,000-mile New Vehicle Limited Warranty when installed at time of purchase (see dealer for limited warranty details)
- Costs can be included in the financing
- Accessories are ready for work as soon as you take delivery

### Ford Commercial Connection Program highlights and resources:

- Stay up-to-date on generous upfit incentives
- Stay informed on the latest factory vehicle incentives
- Find a Ford-authorized upfitter quickly and easily with our online Upfitter Directory
- Certify your business to save you time and money at the dealership
- Locate Ford Dealers who specialize in commercial vehicles and look for new commercial accessory news at [FordCommercialVehicleCenter.com](http://FordCommercialVehicleCenter.com)

# COMMERCIAL VEHICLE ADVANCED FUEL OPTIONS HELP REDUCE EMISSIONS

TRANSIT CARGO VAN

## POTENTIALLY LOWER YOUR FUEL COSTS

### COMPRESSED NATURAL GAS (CNG)

Extremely clean-burning, with a high octane rating (130).

### LIQUEFIED PETROLEUM GAS (LPG)

Less carbon build-up, less maintenance, LPG is typically 30-40 percent cheaper per gallon than gasoline.

### FLEXIBLE-FUEL VEHICLES (FFV)

Clean-burning, maintains horsepower and burns cooler.

### BIODIESEL

Burns cleaner than petrodiesel, with lower emissions.

### ECOBOOST®

Designed to help reduce fuel consumption without sacrificing engine power.

To learn more about advanced fuel and available options go to <https://fordupfits.com/Commercial/Commercial-Shopping-Tools> and download the Advanced Fuel Buyer's Guide for complete details.
