

Innovation that excites

# 2014 VERSA® NOTE™

## NISSAN VERSA® NOTE™

What if your car could put a smile on your face, confidence in your hands and goose bumps all over? That would be cool. Here are just a few ways Versa Note gives you an unforgettable drive.

**A super-smooth CVT transmission.** This “gearless” wonder helps you log up to 4.8 L/100 km (59 MPG) highway and 854 km per tank.<sup>1</sup>

**Around View® Monitor.** Snag that space, and look like a parallel parking ace while you’re at it. This available feature uses four cameras to give you a virtual 360° view.<sup>2,3</sup>

**The most rear leg room in its class!** No more fighting to see who gets to ride shotgun – Versa Note has enough space for everyone to spread out, comfortably.

Looking for more? Visit the Nissan Virtual Showroom starting early summer for a video exploration of the Versa Note. Visit Versa Note on Facebook® or Twitter™ to see what owners have to say. Find walkarounds, product demos and more on YouTube®.

And follow Nissan Canada on:

## WHAT IF\_ YOU COULD HAVE A DOOR TO MORE?

Imagine: a car that not only fits your life, but takes it to the next level, with a whole new look and everything you want right inside. As practical as it is versatile, with seating for five and best-in-class cargo room.<sup>1</sup> Helpful technology like NissanConnect<sup>SM</sup> puts destinations, music and info right at your fingertips.<sup>2</sup> There's even an available class-exclusive Around View<sup>®</sup> Monitor that helps take the pain out of parking.<sup>1,3</sup> Top it off with up to 4.8 L/100 km (59 MPG) highway, and you'll be doing more – with less – in no time.<sup>4</sup> So what are you waiting for? Introducing the all-new 2014 Versa<sup>®</sup> Note.<sup>TM</sup> Open your door to more.

<sup>1</sup>Association of International Automobile Manufacturers of Canada (AIAMC) Entry Level Segmentation. <sup>2</sup>Certain remote functions require compatible phone, not included with vehicle. Cellular network and vehicle services provided by independent companies not within Nissan's control. Cellular network not available in all areas. Certain connected vehicle services, including but not limited to Points of Interest and Send-to-Car, may require subscription and owner consent to activate. Should service provider terminate/restrict service, service may be suspended or terminated without notice or liability to Nissan and/or its agents. Nissan not responsible for any equipment replacement or upgrades, or associated costs, that may be required for continued operation due to service changes. Standard text rates, voice minutes, roaming charges and/or data usage may apply. <sup>3</sup>Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up. <sup>4</sup>2014 Fuel Consumption Estimate. Actual mileage may vary with driving conditions – use for comparison only.

Nissan Versa Note SL shown in Metallic Blue with Tech Package.

**NISSAN PUREDRIVE™**

**INNOVATION THAT GIVES YOU MORE CAR AND MORE SAVINGS.**

**4.8** L/100 km (59 MPG) highway,<sup>1</sup> so you can breeze past the pump with ease

**4** Low rolling resistance tires that use less energy to roll, so you use less fuel

**.308** Drag coefficient, so Versa® Note™ moves through the air with less effort  
**CD**

**What if** you didn't need a cramped car, a tiny engine or a hybrid powertrain to save fuel and help the environment? With Versa® Note,™ you get excellent fuel economy in a roomy, comfortable car that's lots of fun to drive. We got there by developing everything from exterior aerodynamics that whisper through the wind, to an advanced 1.6-litre 4-cylinder engine, to a virtually gearless Xtronic CVT® transmission that maximizes efficiency and performance. And best of all, Versa® Note™ is just one of a family of PUREDRIVE™ vehicles, reflecting Nissan's commitment to developing more environmentally friendly transportation for all of us.

Nissan Versa Note SV shown in Metallic Peacock with accessory Rear Roof Spoiler and 15" Aluminum-alloy Wheels.

Scan this code to watch a video on Versa Note's better than ever Xtronic CVT® transmission. Or go to [bit.ly/NissanCVT-EN](http://bit.ly/NissanCVT-EN)

<sup>1</sup>2014 Fuel Consumption Estimate. Actual mileage may vary with driving conditions – use for comparison only.

**Surprisingly spacious and exceptionally accommodating, the Versa® Note™ interior gives you the best of both worlds.**

Smart design minimizes structural interference with the cabin, giving everyone ample room to spread out. Enjoy seating for five and 972.7 mm (38.3 inches) of rear leg room for even your tallest friends. While up front, the bolstered driver's seat hugs you as you carve through the turns. Available features like a leather-wrapped steering wheel, double-stitched upholstery, and silver and chrome accents add a touch of class. Top it off with available heated front seats and every trip will be as cozy as it is cool. Just don't be surprised when your friends ask to carpool – again.

Nissan Versa Note SL shown in Wheat Stone Cloth with Tech Package. U.S. instrumentation shown.

## NISSAN DIVIDE-N-HIDE® ADJUSTABLE FLOOR INNOVATION THAT GOES WITH THE FLOW.

Wouldn't it be cool if your car could adapt in a snap? Say, for that vintage coffee table, or a day's haul from the farmer's market? When living in the moment is all part of the plan, Versa® Note™ has your cargo needs covered with the super-versatile Divide-N-Hide® Adjustable Floor. Get creative with multiple configurations and 606 litres (21.4 cubic feet) of best-in-class cargo space.<sup>1</sup> Rear 60/40 split seats let you fit friends, and oversized items. Or fold down both sides to create a flat cargo area. For another smart move, the front passenger seat folds down and makes room for long items – even a ladder or surfboard will fit. No matter what's on the agenda, Versa® Note™ is ready when you are.

<sup>1</sup>Association of International Automobile Manufacturers of Canada (AIAMC) Entry Level Segmentation. Cargo and load capacity limited by weight and distribution. Always secure all cargo.

### Load it all in.

With the rear seats folded down, the Divide-N-Hide® Adjustable Floor creates a flat cargo area.

### Stow on the go.

Lower the floor to accommodate taller items at a moment's notice – no removal required.

### Protect from prying eyes.

Lift up the adjustable floor and you'll find a convenient hiding place that helps keep valuables out of sight.

Nissan Versa Note SL shown in Charcoal Cloth with Tech Package. U.S. instrumentation shown.

NISSANCONNECT<sup>SM1</sup>

WITH NAVIGATION<sup>5</sup>

# PLAY IT LOUD WITH APPS.

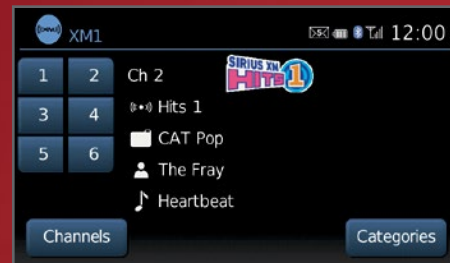

**Bluetooth® audio streaming.** Want to let your passengers play DJ? With this available feature, you can connect a Bluetooth®-enabled audio device, including your tablet, to stream music wirelessly, from any seat in the car.<sup>2</sup>

**SiriusXM Satellite Radio.** Looking to expand your taste? With available SiriusXM Satellite Radio, you can explore emerging artists or rediscover an old favourite. More than 100 stations means there's always plenty to choose from, like commercial-free music, sports, talk radio and more – giving you hours of endless entertainment.<sup>3</sup>

**iPod®/USB input.** Wouldn't you like to listen to your own playlists or podcasts? With the available iPod®/USB input, you can. Plug in your iPod® or other portable MP3 player through the USB port and control it through the audio controls. The input is also a convenient way to charge up your devices.<sup>4</sup>

BLUETOOTH®

SiriusXM SATELLITE RADIO

iPOD®

# MAP IT OUT WITH GOOGLE.®

**Navigation.** The available 147 mm (5.8") touch-screen display in the Versa® Note™ offers NavTraffic for real-time advisories to keep you on the move. You can even get the latest fuel prices, weather forecasts, and flight status information right in the display.<sup>5, 6</sup>

**Points of Interest powered by Google.®** Find that new restaurant, store or museum – even if you can't remember what it's called. Based on the latest information, Google® Points of Interest capability lets you search for all kinds of places, even without knowing the name or category. Once you find it, select it and you're on your way.<sup>1, 7</sup>

**Google® Send-To-Car.** Send any address to your Nissan Navigation System using your favourite connected device, like a smartphone or computer. When you start the car and connect to the network, the directions will be delivered and loaded into your navigation system.<sup>1, 8</sup>

**Hands-free text messaging assistant.** Now you can receive and respond to text messages without ever touching your phone. With a press of a button, have your text messages read to you and answer with pre-loaded responses, all via voice recognition.<sup>9</sup>

NISSAN AROUND  
**FOUR  
CAMERAS**

**What if parallel parking were easier?** A rearview monitor is great when backing up – but when it comes to parking, it's nice to see more than just what's behind you. That's why Versa® Note™ offers the class-exclusive Around View® Monitor.<sup>1,3</sup> Four cameras give you a virtual 360° bird's-eye view of your vehicle, with selectable split-screen close-ups of the front, rear, and curbside views, so you can get a better look.<sup>2</sup> Now that's smart.

VIEW® MONITOR<sup>1</sup>  
**ONE  
360° VIEW<sup>2</sup>**

**Forget the tennis ball.** In Drive, the display gives you both a front and overhead view, so you can pull all the way into your spot (or garage) – but not too far.

**Complete the picture.** Located under your driver's side mirror, this camera helps round out your virtual 360° birds-eye view whether you're in Drive or Reverse.<sup>2</sup>

**Don't scratch your wheels.** In Drive or Reverse, you can push the camera button to switch out the overhead for a side view. A great help for seeing how close you are to the curb.

**Look out below.** In Reverse, the display helps you see what's directly behind you, while the overhead view helps with shorter objects otherwise hidden below your window.

<sup>1</sup>Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up. <sup>2</sup>Virtual composite 360° view. <sup>3</sup>Association of International Automobile Manufacturers of Canada (AIAMC) Entry Level Segmentation.

# NISSAN SAFETY SHIELD® PHILOSOPHY

## INNOVATION THAT LOOKS OUT FOR YOU.

**What if** you had the confidence you need for every part of your drive? The Nissan Safety Shield® technologies are a comprehensive approach to safety that guides the engineering and development of every vehicle we make. By keeping an eye on your vehicle's systems and the surroundings, assisting in handling unexpected situations, and helping to keep you safe in the unfortunate event of an accident, the Nissan Safety Shield technologies are our way of looking out for you and yours.

### MONITOR

Smart technologies are designed to help monitor conditions.

**Available Around View® Monitor:** four cameras create a virtual 360° view around your car.<sup>1,2</sup>

**Available RearView Monitor:** helps you see what's directly behind – or what you might have missed – for added peace of mind.<sup>3</sup>

### RESPOND

Whether you need to hit the brakes hard or manoeuvre around an unexpected obstacle, these standard technologies help you respond to a potentially harmful situation.

**Vehicle Dynamic Control:** helps you maintain your steered path<sup>4</sup>

**Traction Control System:** helps reduce wheelspin in low-traction situations

**Anti-lock Braking System:** helps you maintain steering control around obstacles while braking heavily

**Electronic Brake force Distribution:** sends extra force to the rear brakes when you have additional weight of passengers or cargo in the back

**Brake Assist:** helps apply maximum braking force if it detects hard braking and senses you are in an emergency situation

### PROTECT

When a collision is unavoidable, Nissan's Zone Body construction helps absorb the impact while the advanced seat belt and airbag systems help protect passengers.

**6** STANDARD AIRBAGS<sup>5</sup>

**Nissan Advanced Airbag System with dual-stage supplemental front airbags with seat-belt and occupant-classification sensors<sup>5</sup>**

**Front seat-mounted side-impact supplemental airbags<sup>5</sup>**

**Roof-mounted curtain side-impact supplemental airbags<sup>5</sup>**

**LATCH System (Lower Anchors and Tethers for Children)**

**snuggly kids.** Nissan safety engineers have dedicated thousands of hours to evaluating hundreds of child restraints in Nissans. The result: An industry first, The Snuggly Kids Child Safety Seat Fit Guide. This guide lists child seats that fit the rear seats of Nissan vehicles, as well as offers invaluable tips on correct installation. Look for the latest Fit Guide at [Nissan.ca/owners/en](http://Nissan.ca/owners/en).

Scan this with your QR code-reader app to see a short video on how Snuggly Kids helps you find the right CRS for your Nissan. Or go to [bit.ly/snugglykids-EN](http://bit.ly/snugglykids-EN)

<sup>1</sup>Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up. <sup>2</sup>Virtual composite 360° view. <sup>3</sup>Parking aid/convenience feature. Cannot completely eliminate blind spots or warn of moving objects. May not detect every object. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up. <sup>4</sup>VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. Always drive safely. <sup>5</sup>Airbags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. Also, in addition to any other requirement of applicable law, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Airbags will only inflate in certain accidents; see your Owner's Manual for more details.

## CHOOSE YOUR TRIM LEVEL

**S**

- 1.6-litre 4-cylinder engine
- 5-speed manual transmission or Xtronic CVT® (Continuously Variable Transmission)
- 15" x 5.5" steel wheels with wheel covers
- P185/65HR15 all-season low rolling resistance tires
- Dual power heated outside mirrors
- Fine Vision electroluminescent gauges

■ Standard      ☒ Part of SV Convenience Package  
 □ Optional      † Part of SL Tech Package

Nissan's environmental action plan focuses on several key areas. Increasing production of Zero Emission vehicles, including the 100% electric LEAF.™ Improving fuel efficiency through our PUREDRIVE™ measures. And reducing the environmental impact of manufacturing, as seen at our new, energy-efficient, low-emissions paint plant in Tennessee.
