

ADD A PERSONAL TOUCH TO THE XC70 VOLVO ACCESSORIES

Portable Navigation System

This ultra-thin Garmin nüvi* 3790 navigation unit integrates perfectly with the docking unit mounted on the windshield pillar. Find the shortest, fastest or most fuel-saving route – voice recognition control and multi-touch screen technology facilitates operation. Keep your hands on the wheel and the system will act upon your commands. It's also easy to use outside the vehicle – it even remembers where you parked!

\$935.83

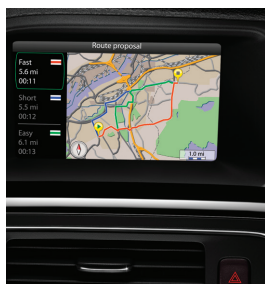

*nüvi is a trademark of Garmin Ltd.

Trunk Spoiler

This discreet but efficient color-coordinated Trunk Spoiler further enhances the XC70's sporty looks. Increasing rear down force at higher speeds, it also contributes to superb handling characteristics.

\$491.40

Integrated Navigation System*

Volvo's Integrated Navigation System uses the built-in 7" display screen to help guide you to your destination. With powerful voice recognition capabilities in English, French and Spanish, it allows control of both the Bluetooth and navigation functions, featuring Real Time Traffic and multiple map views. Two complimentary map updates (\$400 value) are included.

\$2,264.57

*Requires factory Nav prep

Trailer Hitch

Volvo's Trailer Hitch is a great way to give the XC60 excellent towing capacity. It can also be used in combination with the Volvo Trailer Hitch Mounted Bike and Ski Carrier.

\$1,121.84

Rear Seat Entertainment w/Dual DVD Players

Features two 7" LCD monitors and two DVD players built into the headrest. This advanced technology provides users the option of viewing DVDs, listening to music or playing games simultaneously on both monitors or independently on individual monitors. Sound is generated through wireless headphones or through the audio system utilizing the aux input.

\$1,994.70

Steel Cargo Barrier

This steel grille helps protect passengers from unsecured loads when braking sharply. Conveniently folds up against the roof when not required. Color coordinated with the interior.

\$406.32

Polestar Performance Tuning

This upgrade will increase throttle response, mid-range torque and maximum horsepower, make passing safer and everyday driving more enjoyable. Polestar, the official racing and performance partner of Volvo, has been optimizing Volvos for the racing circuits since 1996. Only available for the XC70 T6.

\$1,295.00 2.5T & T5

Load Compartment Mat (Plastic)

With a high-friction coating to stop a load from sliding around, the mat also prevents dirt and water from running into the luggage compartment. Color coordinated with the interior.

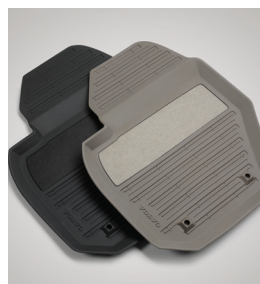

\$194.47

Engine Remote Start

Start your Volvo with a push of a button on the key fob! This Volvo accessory is one for all seasons. It lets you warm up or cool down your vehicle to a desired temperature before entering. Thaw ice on the windshield and warm the passenger cabin in the cold weather.

\$499.00

Rubber Floor Mats

Color-coordinated floor protection mats help keep the interior looking like new. These mats are made of strong, natural rubber for easy cleaning and have protective raised edges.
