

ADD A PERSONAL TOUCH TO THE XC90 VOLVO ACCESSORIES

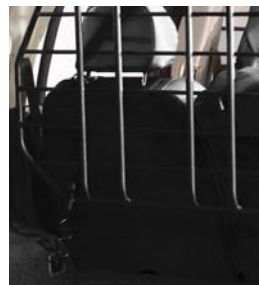

Portable Navigation System

This ultra-thin Garmin nüvi* 3790 navigation unit integrates perfectly with the docking unit mounted on the windshield pillar. Find the shortest, fastest or most fuel-saving route – voice recognition control and multi-touch screen technology facilitates operation. Keep your hands on the wheel and the system will act upon your commands. It's also easy to use outside the vehicle – it even remembers where you parked!

Steel Cargo Barrier

The Steel Cargo Barrier helps protect passengers from unsecured loads when braking sharply. Fitted behind the second row of seats.

\$395.32

Rear Seat Entertainment w/Dual DVD Players

Features two 7" LCD monitors and two DVD players built into the headrest. This advanced technology provides users the option of viewing DVDs, listening to music or playing games simultaneously on both monitors or independently on individual monitors. Sound is generated through wireless headphones or through the audio system utilizing the aux input.

\$2,082.70

Trailer Hitch

Volvo's Trailer Hitch is a great way to give the XC90 excellent towing capacity. It can also be used in combination with Volvo Trailer Hitch Mounted Bike and Ski Carrier.

\$1,200.91

Load Compartment Mat (Plastic)

Enhance the look and keep things tidy with this nubuck-trimmed mat. It's reversible and waterproof, with color-coordinated textile on one side and plastic on the other. The plastic surface can be used for messy cargo and to prevent cargo from sliding around.

\$129.52

Bike Carrier

The Volvo Hitch Mounted Bike Carrier can carry up to four bikes and also folds down for access to the cargo area. Price does not include trailer hitch.

\$417.13

Front Bumper Bar

This design element is integrated in the front bumper to give the XC90 an even more powerful stance. It comes in a matte aluminum finish to match other exterior styling extras. It can also be painted the same color as the vehicle.

\$518.29

Running Boards

The Running Boards are smoothly integrated with the sills to enhance the versatile character of the XC90. Stand on them to reach the roof and they also make it easier to step in or out of the vehicle.

\$1,319.74

Silver Cross Bars

These aluminum Cross Bars allow you to utilize the roof's load-carrying capacity – perfect for carrying bikes, skis and cargo boxes. Their aerodynamic design element complements the aluminum roof rails and the XC90's design.

\$307.78

Rubber Floor Mats

Color-coordinated floor protection mats help keep the interior looking like new. These mats are made of strong, natural rubber for easy cleaning and have protective raised edges. Also available for third row seat.
