(Battery Terminal Shim Part number 00220 G800U)

Applies to Sportage & MY14 Sorento Positive Terminal

(Rescue Power Station Part number 37110 PWST950)

Applies to all 12 Volt Vehicles

DISCLAIMER: This information is accurate as of the date of publication and is not to be used to determine inventory availability; Please check parts availability on WEBDCS. Verify correct OEM Part by using VIN in the Parts Catalog; then refer to the Remanufactured and Electrical Parts Reference Chart.
