

RDX

*AN INSPIRED COMBINATION
OF CARGO AND TURBO.*

2011

RDX

WHEN JUDGING AN SUV, THERE ARE TWO THINGS TO KEEP IN MIND: WHAT'S IN BACK AND WHAT'S UP FRONT.

There's nothing like an act of pure spontaneity. It only requires an open mind and, of course, the means for carrying it out. With over 60 cubic feet of cargo space behind the front row¹ and a spirited 2.3-liter turbocharged i-VTEC[®] engine under the hood, the RDX is ideally equipped to satisfy any whim.

The cabin of the RDX is a direct expression of the vehicle's sports-car lineage. It's an environment that is both modern and inviting. The Acura personalized settings system welcomes you aboard by adjusting the driver's seat and outside mirrors to your individual preferences. Heated front seats and dual-zone climate control further provide for your ideal comfort. With the Technology Package, the vehicle's GPS capabilities will even track the sun's position and adjust the climate control system accordingly. It all adds to an atmosphere designed to keep you more at ease and, ultimately, more in control.

The available Acura/ELS Surround[®] Premium Audio System was created with the help of GRAMMY[®] Award-winning recording engineer and producer Elliot Scheiner. Taking into account everything from the placement of the speakers to the volume and contours of the vehicle's interior, the system is designed to recreate the experience of the original studio recording. Both the 10-speaker Acura/ELS system and the 7-speaker standard audio system feature a 6-disc in-dash CD changer, XM[®] Radio² and USB Audio Interface³ for personal music players.

Acura reminds you to properly secure items in the cargo area.

60.6

CUBIC FEET OF CARGO SPACE

I

The Advanced Compatibility Engineering™ (ACE™) body structure doesn't simply absorb crash energy. Using a connected network of structural elements, it also helps redirect frontal crash energy around the passenger compartment. In addition, active safety technologies like Vehicle Stability Assist™ (VSA®), Brake Assist and Electronic Brake Distribution (EBD) are designed to help keep you out of harm's way.

CLICK TO VIEW A MODEL BROCHURE:

Low-Speed Range – Unlike most turbochargers, our Variable Flow Turbo uses a valve to direct exhaust through a smaller passage. This spins the turbo faster and pumps air into the engine at a higher velocity – quickly increasing its power.

High-Speed Range – At higher speeds, the variable control valve introduces exhaust into both passages. This gives the engine more power when passing or accelerating onto freeways.

II

Both the front-wheel-drive RDX and the available SH-AWD model take full advantage of a strong foundation. The extensive use of high-tensile steel in key areas of the chassis gives the RDX rigidity and helps lower the center of gravity for more nimble cornering. In addition, a 4-wheel independent suspension system is tuned to provide a taut response, helping to give the RDX the kind of moves that contradict its SUV classification.

The vehicle's available Super Handling All-Wheel Drive™ (SH-AWD®) not only reacts to wheel slippage, but it's also an active participant in the delivery of precise handling. When accelerating through a turn, the system can send up to 100% of rear power to the outside wheel, dramatically increasing turning force. The results are an enhanced sense of stability, neutral steering and, ultimately, more thrilling performance.

240

HORSEPOWER TURBOCHARGED ENGINE

III

The 240-hp engine powering the RDX is designed to go faster, faster. In addition to a variable flow turbocharger, it also benefits from Acura's exclusive i-VTEC® technology. By micromanaging the engine's valve openings, this system generates a steady delivery of power. You'll feel it off the line as you accelerate with authority and at higher speeds as horsepower continues to climb just when you'd expect it to peak.

Race-inspired paddle shifters are among the meticulously engineered touch points designed to give the driver intuitive control of the vehicle. The leather-wrapped steering wheel provides tactile control of the torque-sensing rack-and-pinion steering system. A quick steering ratio makes for swift response while variable power assist gives you easy turns when parking and a firmer feel at highway speeds.

An ideal travel companion is the available Acura Navigation System,⁴ offering not only up-to-the-minute traffic information, but also the weather forecasts for up to three days.⁵ A destination database contains 7,000,000 points of interest,⁶ from the nearest ATM or gas station to local hotels and cultural destinations. The system also provides Zagat Survey[®] restaurant reviews and can even phone for a reservation through your compatible Bluetooth[®]-enabled cell phone.⁷

CAPACITY FOR FUN.*

OWNER BENEFITS

When you purchase a vehicle with the exceptional quality of an Acura, you expect service and support to be of the same caliber. After all, a premium automobile is only part of the ownership experience. With Acura you also get a commitment. To personalized care. To attentive service. This commitment is apparent the moment you first enter an Acura dealership and for years down the road. It comes from a belief that every aspect of owning an Acura should be an enjoyable and rewarding experience.

Warranty⁸ All Acura vehicles and Acura accessories installed by the dealer at the time of vehicle purchase have a 4-year/50,000-mile limited warranty. Acura vehicles are also covered by a 6-year/70,000-mile limited powertrain warranty. In addition, outer-body rust-through is covered on all Acura vehicles by a 5-year/unlimited-mile limited warranty.

Acura Financial Services⁹ Whether you're buying or leasing, this program can assist you with the process.

Acura Care[®] Comprehensive vehicle and travel protection beyond the initial warranty period enhances peace of mind. See your Acura dealer for features and benefits available with this program.

Total Luxury Care[®] (TLC[®])¹⁰ As an Acura owner, you'll enjoy services like Trip-Interruption benefits, a 24-hour Roadside Assistance program and Acura Concierge,[™] which offers help in an emergency or when you're planning a trip.

1-800-to-Acura Operators are available 24 hours a day to help get answers to your Acura questions.

My Acura Your complimentary MyAcura personalized Web site provides the most current information about your vehicle, gives you tips on how to care for your Acura and lets you schedule service appointments online.

Accessories

When it comes to personalizing, choose Acura genuine accessories that are crafted to the same strict levels of quality as the rest of your RDX. See your Acura dealer for a complete list of accessories or go to acura.com.
