A silver car is parked in a dense forest of tall, thin trees. The car is positioned in the lower right quadrant of the image, facing left. The forest floor is covered in brown leaves and pine needles. The trees are tall and thin, with green foliage at the top. The lighting is soft, suggesting a shaded forest environment.

I

With the goal of creating an entirely new aesthetic feel, the ZDX designers went beyond the world of automotive luxury for inspiration. They found it in the sweeping roofline of a Japanese sports arena. In the combining of different materials and textures at a San Francisco luxury hotel. Even in the stained oak barrels found at a Napa winery. One drive beneath a beautiful blue sky is all you'll need to figure out what inspired the vehicle's panoramic glass roof.

Keeping the negative effects of sunlight at bay are a power-retractable UV sunshade as well as the available GPS-linked climate control, which tracks the position of the vehicle in relation to the sun and automatically compensates for the sun's radiant heat.

II

While the ZDX may have plenty of pulse-quicken power, the first priority of Acura engineers was to ensure that it is delivered as efficiently as possible. Utilizing Acura's signature VTEC® technology, the 3.7-liter, 300-hp engine employs two separate cam profiles to optimize both low-end torque and high-end horsepower. Super Handling All-Wheel Drive™ (SH-AWD®) helps ensure that none of that potential is wasted. Sensing where extra torque is needed, this system distributes power between the front and rear wheels, and in turns, can even send 100% of available rear power to the outside wheel and increase its rotation speed for tighter cornering.

III

Technology is at its best when it's easy to use. With the ability to recognize hundreds of commands, available voice recognition lets you speak naturally, giving you greater control over many of the vehicle's features, including the Bluetooth® HandsFreeLink®¹ the available navigation system with its continuously updated traffic and weather information,² and many functions of the available Acura/ELS Surround® Premium Audio System. Song by Voice® even lets you call up a song by saying its title or artist.

THOROUGHLY REFINED.
BUT WITH EDGE INTACT.

IV

With the well-being of passengers a top priority, safety is anything but an afterthought. The chassis features Acura's Advanced Compatibility Engineering™ (ACE™) body structure, which uses a connected network of structural elements to help direct frontal crash energy around the passenger compartment. Systems designed to keep you out of harm's way include Vehicle Stability Assist™ (VSA®), which can sense a potential loss of traction and take action to help the driver stay in control.

V

*The Acura ZDX represents a benchmark not only in style, but also in substance. This is especially true with the available Advance Package. This includes the Integrated Dynamics System (IDS), which continually adjusts the ride quality based on driving conditions. In addition, the blind spot information system (BSI) and Adaptive Cruise Control (ACC) help keep an eye out for those sharing the road, as does the Collision Mitigation Braking System™ (CMBS™), which can automatically apply the brakes and tighten seat belts in anticipation of an imminent collision.**

Specifically designed for the weekend escape, the ZDX offers plenty of room up front and in back. Under-floor storage and removable side panels, as well as loop carpet, give the cargo area a stylish-yet-functional appearance. With the split rear seats up, capacity is 27.5 cu ft, plenty of room for your golf bags. Fold the seats down and you've got 57.3 cu ft at your disposal.

*Depending on the circumstances, CMBS may not go through all of the alert stages before initiating the last stage (of collision mitigation).

Acura reminds you to properly secure items in the cargo area.

Acura / ZDX / LIFE'S COMPROMISES CAN COME IN MANY FORMS. NONE OF WHICH LOOK LIKE THIS.

The 2011 Acura ZDX pictured in front of the historic Carolina Hotel at Pinehurst Resort. Find out for yourself why Pinehurst is so often called upon to be golf's world stage. As the setting for both the 1999 and 2005 U.S. Open Championships, it has seen its share of memorable moments. More are sure to happen as Pinehurst hosts both the 2014 U.S. Open and 2014 U.S. Women's Open Championship. Acura has been the preferred vehicle of Pinehurst since 2005.

OWNER BENEFITS

When you purchase a vehicle with the exceptional quality of an Acura, you expect service and support to be of the same caliber. After all, a premium automobile is only part of the ownership experience. With Acura you also get a commitment. To personalized care. To attentive service. This commitment is apparent the moment you first enter an Acura dealership and for years down the road. It comes from a belief that every aspect of owning an Acura should be an enjoyable and rewarding experience.

Warranty³ All Acura vehicles and Acura accessories installed by the dealer at the time of vehicle purchase have a 4-year/50,000-mile limited warranty. Acura vehicles are also covered by a 6-year/70,000-mile limited powertrain warranty. In addition, outer-body rust-through is covered on all Acura vehicles by a 5-year/unlimited-mile limited warranty.
