### Tire & Wheel

Protection from the unexpected! Coverage includes:

- Expenses arising out of repair or replacement of wheels or cosmetic damage due to road hazard.
- Replacement of tire if non-repairable due to curb impact, snags, cuts, punctures, or other road hazard.
- Cost of mounting/balancing including all local/state taxes.

### Key/Remote Replacement

Key protection provides security and peace of mind whether your keys or remote are lost, stolen or broken.

This procedure utilizes special tools and techniques to push dented metal back to its original form. Permanently removes door dings and minor dents without harming your Volvo's factory finish.

Minor chip or crack repair caused by small rocks or other road debris. Repair can be done at your convenience in a location of your choice. Plus, using this coverage will not increase your insurance premium.

Emergency road service throughout the US includes:

- Towing your Volvo to the place of your choice within 25 miles.
- Delivery of gasoline, water, oil or any supplies necessary to send you on your way. We pay for the delivery/installation; you pay for the cost of fluids or supplies.
