

Responsible. Reliable. Ready to join the family.

At Subaru, we're committed to building a lasting, rewarding relationship with you and the world we share. We start by building our vehicles to last—it's why 94% of all the vehicles sold in the last 12 years are still on the road today.¹ We also share your desire for a cleaner, greener world. Every 2015 non-turbo Forester achieves Partial Zero Emission Vehicle—PZEV²—status, because of its exceptionally low emissions. What's more, in 2004 Subaru of Indiana Automotive, Inc., (SIA) became the first manufacturing facility in the U.S. to reach zero-landfill status—nothing from its manufacturing efforts ever goes into a landfill. Subaru is headquartered in a zero-landfill office in Cherry Hill, NJ.

¹ Based on IHS Automotive: Polk U.S. Total Registrations MY2002-2013. ² 2015 Subaru Forester 2.5L models achieving a Partial Zero Emission Vehicle (PZEV) rating by the California Air Resources Board are available in all 50 states. Only those registered in California, Connecticut, Maine, Maryland, Massachusetts, New Jersey, New York, Rhode Island and Vermont will be eligible for the 15 years/150,000 mile emission warranty. Delaware, Oregon, Pennsylvania and Washington vehicles are not covered under PZEV emissions control warranty. See your warranty maintenance booklet for additional information.

These brochures were printed with vegetable-based inks and produced using a "Green Printing Process". The Forest Stewardship Council™ (FSC®) is an international organization that brings people together to find solutions which promote responsible stewardship of the world's forests and environments.

By producing these brochures in a green way rather than by traditional methods, we saved 81 trees preserved for the future; 37,931 gallons of wastewater flow saved; 2,540 lbs solid waste not generated; 6,994 lbs net greenhouse gases prevented; 37,000,000 BTUs energy not consumed. Calculations provided by Environmental Paper Network. FSC® is not responsible for any calculations on saving resources by choosing this paper.

Forester

2015

Love. It's what makes a Subaru, a Subaru.

Love. It's what makes a Subaru, a Subaru.

There's a lot you can do,
when there's nothing saying you can't.

Introducing the **2015 Subaru Forester**

The Forester is all about potential. To do what you enjoy with those closest to you and to be there for those that need you. It's efficient, achieving 32 highway MPG¹, versatile with Subaru Symmetrical All-Wheel Drive with available X-MODE[®] featuring Hill Descent Control, and roomy with a large cabin and ample cargo room. It's safe too, having been named an IIHS Top Safety Pick for eight years running (2007–2014) and a 2014 Top Safety Pick Plus when equipped with optional EyeSight^{®2,3}

Efficient

Thanks to its Lineartronic[®] CVT, you'll get optimal MPG at every speed from its efficient SUBARU BOXER[®] engine, up to 32 highway MPG.¹

Versatile

Subaru Symmetrical AWD helps you drive with control and confidence, while the available X-MODE[®] featuring Hill Descent Control helps you more easily navigate the steep and the slippery.

Safe

In addition to seven standard airbags, Forester features the available EyeSight[®] Driver-Assist System,³ offering added peace of mind and convenience for your daily drive.

Roomy

There's plenty of room to spare throughout with rich materials, top tech and available reclining rear seats for extra comfort. Plus, there's an available power rear gate to give you hands-free access to it all.

¹ EPA estimated fuel economy for 2015 Forester 2.5i CVT at 32 highway MPG. Actual mileage may vary. ² Ratings based on Insurance Institute for Highway Safety's (IIHS's) 40-mile-per-hour moderate overlap frontal crash test, 40-mile-per-hour small overlap frontal crash test, 31-mile-per-hour side-impact test, 20-mile-per-hour rear-impact test, and roof-strength test. Top Safety Pick Plus rating requires optional EyeSight Driver-Assist System. For more information, contact IIHS or visit their website at www.iihs.org. ³ EyeSight is a driver-assist system which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. See Owner's Manual for complete details on system operations and limitations. Please remember to turn off EyeSight when going through a carwash.

A whole lot to love and much to explore.

Forester 2.5i Limited in Quartz Blue Pearl with accessory equipment.

© 2015 Forester

Well planned. **Well connected.**

Forester 2.5i Touring with Platinum Leather and optional equipment.

Auto-dimming Mirrors with Approach Light

Make it easier—and safer—to come and go with the accessory Exterior Auto-dimming Mirrors with Approach Light!

When the doors are opened or unlocked with the key fob, LED lights on the side-view mirrors will help light the way, casting light on all four doors and the ground near the vehicle.

They can also help reduce headlight glare in traffic. When the Interior Auto-dimming Rearview Mirror detects excessive light from the rear of the vehicle, the side-view mirrors automatically dim, helping to keep the light out of your eyes. The brighter the light, the dimmer the mirrors and the better you'll be able to see.

1 Exterior Auto-dimming Mirrors with Approach Light are accessory equipment. Requires Interior Auto-dimming Rearview Mirror accessory.

Not Dimmed

Dimmed

Refined Interior

There's a lot to enjoy in the new Forester like plush materials, convenient technology and an available large panoramic moonroof to give everyone a wide-open feeling. There's also a standard 4.3-inch, full-color multifunction display to supply info such as vehicle settings, the Rear-View Camera and the available EyeSight® Driver-Assist System¹.

Plus the available touchscreen navigation system helps you find your way, while the Aha™ connected service² via the SUBARU STARLINK™ infotainment system offers safe access to podcasts, internet radio, apps and more.

¹ EyeSight is a driver-assist system which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. See Owner's Manual for complete details on system operations and limitations. Please remember to turn off EyeSight when going through a carwash. ² Compatible smartphone and application required. For applications to operate, latest version of each application and optional integrated audio and navigation system unit required. Data provided by smartphone is displayed on navigation screen. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. Smartphone apps should only be launched when vehicle is safely parked. Your wireless carrier's rates may apply.

Lots of room for lots of possibilities.

Forester 2.5i Touring with Platinum Leather and optional equipment.

A vigilant safety feature that
gives peace of mind to every drive.

Pre-Collision Braking

A driver ahead unexpectedly hits the brakes or cuts you off. EyeSight®¹ warns you, applies brakes to help avoid it, and at lower speeds can even help you stop your Subaru.

Adaptive Cruise Control

Traffic doesn't always flow, so EyeSight® doesn't only keep a set speed. The system looks ahead and helps the Subaru automatically adjust to keep your distance, even in stop-and-go highway traffic.

Pre-Collision Throttle Management

If you put the car in Drive instead of Reverse and EyeSight® sees an object in your path, it cuts power to help you avoid accelerating into it.

Lane Departure and Sway Warning

You accidentally drift to the edge of your lane and begin to cross into another. EyeSight® watches for lane markers and chimes to warn you before you leave yours.

“The 2014 Subaru Forester earned the highest possible front crash prevention rating by IIHS when equipped with Subaru EyeSight.”²

– Insurance Institute for Highway Safety (IIHS)

¹ EyeSight is a driver-assist system which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. See Owner's Manual for complete details on system operations and limitations. Please remember to turn off EyeSight when going through a carwash.

² Based on 2014 EyeSight® systems tested by the Insurance Institute for Highway Safety (IIHS).

Forester 2.5i Limited in Quartz Blue Pearl with optional equipment.

A turbocharged **taskmaster**.

Forester 2.0XT

Utility with just the right amount of sport, the Forester 2.0XT features a turbocharged, direct-injected SUBARU BOXER® engine with 250 hp, achieving 28 highway MPG¹. This advanced engine is mated to a high-torque Lineartronic® CVT with paddle shifters and 6- and 8-speed² manual modes, to help ensure peak MPG, while keeping things fun behind the wheel.

Pumping out that extra rush the way you want it, standard Subaru Intelligent Drive (SI-DRIVE) includes three distinctive performance modes that customize engine response at the push of a button. On the outside, its aggressive looks and large 18-inch wheels reveal the fiercer side of the Forester 2.0XT.

1 EPA estimated fuel economy for 2015 Forester 2.0XT at 28 highway MPG. Actual mileage may vary.
2 8-speed manual mode with SI-DRIVE Sport Sharp (S#) setting.

“Much of the Forester’s enduring appeal lies in the fact that it offers most of the **SUV attributes people really want** and use – full-time all-wheel drive, a little bit of extra ground clearance and hatchback utility – **without the bulk of a full-blown SUV.**”¹

Edmunds.com, July 2013

94% of Subaru vehicles sold in the last 12 years are still on the road today.²

An **IIHS Top Safety Pick** for eight years running (2007–2014) and a **2014 Top Safety Pick Plus** with the optional EyeSight® Driver-Assist System.³

Utility of the Year.[®]**

Forester 2.5i Touring in Ice Silver Metallic with optional equipment.

2015 Forester | Equipment

2.5i

- 170-hp 2.5-liter 4-cylinder SUBARU BOXER® engine
- Subaru Symmetrical All-Wheel Drive
- 6-speed manual transmission or optional Lineartronic® CVT
- 17-inch styled steel wheels
- Cloth upholstery
- 6-way manually adjustable driver’s seat. 4-way manually adjustable front-passenger’s seat.
- 4-speaker single-CD audio system with Bluetooth® connectivity and USB port/iPod® control
- Manually adjustable CFC-free air conditioning system with air filtration
- Analog gauges with LCD display
- Enhanced color multifunction display
- Rear-Vision Camera
- 7 airbags

2.5i Premium

- Includes 2.5i key features and adds:**
- 17-inch aluminum-alloy wheels
 - Panoramic moonroof
 - Raised roof rails: black finish
 - 10-way power adjustable driver’s seat
 - Reclining rear seatbacks
 - 6-speaker single-CD audio system featuring HD Radio® with iTunes® tagging capability, Bluetooth® connectivity and USB port/iPod® control
 - Driver’s auto-up/down power window
 - All-Weather Package⁴
 - Privacy glass

2.0XT Premium

- 250-hp turbocharged 2.0-liter 4-cylinder SUBARU BOXER® engine
- Subaru Symmetrical All-Wheel Drive X-MODE® with Hill Descent Control (HDC)
- Lineartronic® CVT (Continuously Variable Transmission) with manual-mode paddle shifters
- Sport-tuned suspension
- SI-DRIVE
- 18-inch aluminum-alloy wheels
- Panoramic moonroof
- Raised roof rails: black finish
- Cloth upholstery
- 10-way power adjustable driver’s seat. 4-way manually adjustable front-passenger’s seat.
- Reclining rear seatbacks
- Leather-wrapped steering wheel and shifter handle
- Lineartronic® CVT shift lever with leather shift boot
- 6-speaker single-CD audio system featuring HD Radio® with iTunes® tagging capability, Bluetooth® connectivity and USB port/iPod® control
- Manually adjustable CFC-free air conditioning system with air filtration
- Analog gauges with LCD display
- Enhanced color multifunction display
- Rear-Vision Camera
- Driver’s auto-up/down power window
- All-Weather Package

2.5i Limited

- Includes 2.5i Premium key features and adds:**
- Subaru Symmetrical All-Wheel Drive X-MODE® with Hill Descent Control (HDC)
 - Lineartronic® CVT (Continuously Variable Transmission)
 - Fog lights
 - Rear spoiler
 - Auto-on/off headlights
 - Leather-trimmed upholstery
 - Automatic climate control system
 - Leather-wrapped steering wheel and shifter handle
 - Removable cargo-area tray
 - Power rear gate with automatic close and height memory

2.5i Touring

- Includes 2.5i Limited key features and adds:**
- 18-inch aluminum-alloy wheels
 - HID headlights
 - Chrome accents on lower door cladding
 - Body-color side mirrors with integrated turn signals
 - Keyless Access & Start
 - Single-CD audio system with 8 Harman Kardon speakers, HD Radio® with iTunes® tagging capability, USB port/iPod® control, SiriusXM® Satellite Radio⁵; Bluetooth® audio streaming and hands-free phone connectivity, and 3.5-mm auxiliary jack
 - Analog gauges with LCD display and electroluminescent lighting
 - Dual-zone automatic climate control system
 - One-touch folding rear seatbacks
 - Lineartronic® CVT shift lever with leather shift boot

2.0XT Touring

- Includes 2.0XT Premium key features and adds:**
- HID headlights
 - Fog lights
 - Chrome accents on lower door cladding
 - Body-color side mirrors with integrated turn signals
 - Keyless Access & Start
 - Leather-trimmed upholstery
 - Single-CD audio system with 8 Harman Kardon speakers, HD Radio® with iTunes® tagging capability, USB port/iPod® control, SiriusXM® Satellite Radio⁵, Bluetooth® audio streaming and hands-free phone connectivity, and 3.5-mm auxiliary jack
 - Analog gauges with LCD display and electroluminescent lighting
 - Dual-zone automatic climate control system
 - One-touch folding rear seatbacks
 - Power rear gate with automatic close and height memory

● Standard ○ Optional — Not equipped □ Available retailer-installed accessory

1 2015 Subaru Forester 2.5L models achieving a Partial Zero Emission Vehicle (PZEV) rating by the California Air Resources Board are available in all 50 states. Only those registered in California, Connecticut, Maine, Maryland, Massachusetts, New Jersey, New York, Rhode Island and Vermont will be eligible for the 15 years/150,000 mile emission warranty. Delaware, Oregon, Pennsylvania and Washington vehicles are not covered under PZEV emissions control warranty. See your warranty maintenance booklet for additional information. 2 2015 EPA fuel economy estimates. Actual mileage may vary. 3 The glass information listed represents calculated reference values, and may not represent actual values determined by testing. 4 Standard with manual transmission. Optional with Lineartronic[®] CVT. 5 Requires optional Alloy Wheel Package. 6 Activation and required monthly subscription sold separately. Includes 4-month trial subscription. See your retailer. 7 EyeSight not available with Crystal Black Silica exterior color. EyeSight is a driver-assist system which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. The Pre-Collision Braking System is designed to provide automatic braking that either prevents a collision or reduces the severity of a frontal impact. The Pre-Collision Throttle Management System is designed to reduce acceleration and minimize the severity of certain frontal impacts. Adaptive Cruise Control and Brake Light Recognition are designed to assist the driver and are not substitutes for safe and attentive driving. The Lane Departure and Sway Warning operates only when the lane markings are visible and its effectiveness depends on many factors. See Owner's Manual for complete details on system operations and limitations. Please remember to turn off EyeSight when going through a carwash. 8 Requires Lineartronic CVT and All-Weather Package. 9 Requires Navigation System. 10 The Supplemental Restraint System (SRS) (airbags) affords the driver and the front and rear outboard passengers additional protection in moderate to severe frontal and side-impact collisions. This system provides supplemental protection only, and seatbelts must be worn in order to avoid injuries to out-of-position occupants upon airbag deployment and to provide the best combined protection in a serious accident. Children should always be properly restrained in the rear seat. 11 Compatible smartphone and application required. For applications to operate, latest version of each application and optional integrated audio and navigation system unit required. Data provided by smartphone is displayed on navigation screen. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. Smartphone apps should only be launched when vehicle is safely parked. Your wireless carrier's rates may apply. 12 Requires optional All-Weather Package, Lineartronic[®] CVT and EyeSight. 13 Included with Navigation System on 2.5i Limited. Standard on Touring trim levels. 14 Requires optional Lineartronic[®] CVT.

Heavy-duty Roof Cargo Basket. Mounts to vehicles with standard roof rails and is compatible with most genuine Subaru roof carriers for bikes, kayaks, skis and cargo carriers. Not applicable to vehicles with Fixed Cross Bar Set.

Aero cross bars shown with heavy-duty roof cargo basket.

Fog Light Kit. Casts a low and wide beam of light to enhance vision in inclement weather.

Cargo Tray. Tough, durable tray helps protect cargo area. Can be easily removed and rinsed clean.

Rear Seatback Protector. Provides additional protection to the rear seatbacks when lowering the seats to transport larger cargo. Use in conjunction with a Rear Cargo Tray.

Side Window Deflectors. Let the fresh air in while helping to keep the weather out. Black acrylic plastic construction is designed specifically for an exact fit.

May not be legal in all states. Please check your state laws.

Moonroof Air Deflector. Helps reduce wind noise and sun glare when moonroof is open.

Cannot be used in conjunction with the Extended Roof Cargo Carrier.

Body Side Moldings. Color-matched moldings help protect vehicle doors from parking lot dings, while attractively blending with the lines of the car.

Splash Guards. Help protect the vehicle's paint finish from stones and road grime.

Rear Bumper Cover. Helps protect the upper surface of painted rear bumper from scratches and dings.

Trailer Hitch. Rated at 176 lbs tongue weight with 1,500 lbs of towing capacity. Engineered to the same rigorous standards as the rest of the Forester.

Hitch Ball not included. Trailer brakes may be needed.

Remote Engine Starter. Allows vehicle to be started by pushing a button from the convenience of home or office (up to 400 feet away depending on obstructions) so that the vehicle interior is more comfortable upon entry. The start/stop button blinks to confirm the engine has started.

A/T only.

Remote Engine Starter—Smart Engine Start. Allows the vehicle to be started at the push of a button from outside the vehicle. Preset the heating or air conditioning controls to help bring the interior temperature to a more comfortable level prior to entry. Smart Engine Start works in conjunction with the Keyless Access & Start system. Operating distance is up to 75 feet depending on vehicle obstructions.

A/T only.

Protecting Your Investment

Once you're part of our family, we'll be there for you. Every Subaru comes with 24-hour roadside assistance for 3 years or 36,000 miles. If you have trouble on the road, a tow to the nearest Subaru retailer and other services are just a phone call away. And to protect you over the long haul, we offer Added Security®—extended service agreements and maintenance plans that will help protect your car for up to 7 years or 100,000 miles. They're the only mechanical and maintenance plans backed by Subaru, and because we've been backing them for more than 30 years, they're agreements you can trust. Your retailer has full coverage details.

Subaru Badge of Ownership

True commitment shows through. For Subaru owners, it shows in kayak scuffs and snowboard scratches. It can take the form of dog hair that just won't come out, fresh coats of dust, or extra coats of wax. For many, the Subaru Badge of Ownership lets them show their commitment to the life they live and the confidence that has inspired them to fully embrace it. Owners can order badges online for free, stick them on, and let everyone know how they experience the world. Which one will you get?

Warranties
