CARE+PLUSSM**

ROLL WITH THE BEST

Peace of mind with the
best coverage we offer.

Drive with confidence on the road ahead

Purchasing a vehicle is a significant investment that is worth protecting. While vehicles today are built better than ever before, there is always the chance of a mechanical breakdown that requires a major repair. With the Automotive Preferred Care+Plus you can help reduce the financial burden of repairs.

THE SMART CHOICE TO HELP LIMIT FUTURE REPAIR COSTS

With the advanced technology in today's vehicles, the costs of repairs tend to increase every year. Our coverage can help protect you from these potentially high out-of-pocket expenses.

Repair costs based on nationwide averages for claims paid. Actual costs may vary. See contract for full list of covered parts and components; additional terms and conditions may apply.

Valuable features of your coverage

Roadside assistance

Simply call our toll-free number 24 hours a day, seven days a week for our sign-and-drive service offering up to \$50 per occurrence or up to \$150 for towing. Or, you can call your own provider and we will reimburse you up to these dollar limits.

Rental car reimbursement

We will pay up to \$50 per day with a maximum of \$350 total for a rental vehicle when a covered breakdown occurs.

Travel and lodging reimbursement

We reimburse your meals and lodging up to \$100 per day with a maximum of \$300 per occurrence, if you are stranded more than 100 miles from home due to a covered breakdown.

Manufacturer's warranty deductible reimbursement

We reimburse up to \$100 toward your deductible for repairs covered by your factory warranty.

Repair locations across the U.S. and Canada

Your dealership is generally your best option for repair service needs. However, you'll rest easy knowing that your coverage will be honored at thousands of locations throughout the United States and Canada.

Future contract guarantee

If you still own your vehicle before your coverage expires, you may be able to purchase a new contract, subject to eligibility.
