FOCUS+ST

Go Further

Focus on driving performance.

Click to see the new 2015 Ford Focus and Focus ST.

ST. Tangerine Scream Tri-coat Metallic. Titanium Hatchback. Performance Blue. Available equipment.

Start expecting more.

Fun. Freedom. Responsiveness. In the 2015 Ford Focus, you'll experience all this. And more. A restyled new exterior opens to a refined high-tech interior. Advanced technologies enhance comfort, convenience and performance behind the wheel.

With a more sophisticated appearance for 2015, Focus hatchback and sedan models get a restyled front fascia, hood and grille; rear fascia and rear taillamps; new Appearance and Sport Packages on SE; plus new LED signature lamps¹ on SE and Titanium.

A clean, modern look defines the intuitive, easy-to-use interior, with metallic-finish detailing,¹ new seat trims and switches, a reimagined center stack, and new center console with adjustable cupholders.

New driver-assist features² on Focus begin with a standard rear view camera on all models. On Titanium, Focus can alert you to traffic in your blind spots,² help you maintain your lane,² and even assist in parallel parking.² Start expecting more from every drive in the 2015 Focus.

Titanium Hatchback. Performance Blue. Available equipment.

¹Available feature. ²Available feature. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle.

2015 **FOCUS+ST**
ford.com

Start up ingenuity.

1.0 liter of displacement. 3 cylinders. 215 pounds. From these specs, the 1.0L EcoBoost® engine¹ is all-new to Focus and offers cutting-edge innovation.

With 125 lb.-ft. of torque, the 1.0L EcoBoost is teamed with a 6-speed manual transmission for 123 horsepower of maximum driving fun. This first-ever 3-time winner of the International Engine of the Year² (2012-2014) combines direct injection, turbocharging and twin independent variable camshaft timing (Ti-VCT) to generate a broad, flat torque curve. And provide you with an impressive combination of driveability and fuel efficiency (an EPA-estimated 42 hwy mpg).³

Delivering 160 horsepower, the 2.0L I-4 engine utilizes direct injection and Ti-VCT for efficient performance. On Titanium, a standard PowerShift 6-speed automatic with SelectShift® capability allows gear changes at the touch of a button, delivering torque to the drive wheels 100% of the time during shifts for quick response.

Focus finds the sweet spot on straightaways and in corners. Credit its responsiveness, especially in the turns, to an independent rear suspension and Torque Vectoring Control. With suspension upgrades to improve the ride for 2015, Focus is as ready to make things happen as you are.

SE Sedan. SE Appearance Package. Race Red. Titanium Hatchback. Magnetic. Available equipment.

¹Available feature. ²Engine Technology International magazine. ³EPA-estimated rating: 30 city/42 hwy/35 combined mpg, for Base SE with 1.0L SFE option. Actual mileage will vary.

2015 **FOCUS+ST**
ford.com

Start turning up the heat.

With a new, leather-trimmed heated steering wheel,¹ perfect for those chilly early mornings. Plus leather-trimmed, heated front seats.¹ And with a refined interior that's sure to generate heat of its own.

A new center stack design is modern and inviting. A center console features storage for smaller items, while a new cupholder design adjusts for different beverage sizes.

12V powerpoints charge devices front and rear.¹ Standard Titanium luxuries include an 8-way power driver's seat, leather-wrapped steering wheel and shifter, plus dual-zone automatic temperature control.

To raise your profile further, choose ambient lighting,¹ a power moonroof,¹ or a 10-speaker Audio System from Sony.^{®1} All in a cockpit designed to help you conquer the road.

HEATED STEERING¹

AUDIO SYSTEM FROM SONY¹

PUSH-BUTTON START¹

Titanium. Charcoal Black leather trim. Available equipment.

¹Available feature.

Start making connections.

Standard Ford SYNC^{®1} with 911 Assist[®] delivers hands-free calls, Bluetooth[®]-streaming music and more with simple voice commands. Once paired, it can download contacts and play music from your smartphone. It can also access your MP3 player, USB or iPod.[®] SYNC AppLink^{™2} lets you control Pandora,[®] iHeartAuto,[™] the SiriusXM[®] App and other select apps by voice, too. SYNC with MyFord Touch^{®1,3} adds an 8" color LCD touch screen and much more. SYNC. Say the word.

| SYNC

SiriusXM Satellite Radio³ lets you enjoy commercial-free music, plus sports, news, entertainment, and every premium channel with your 6-month All Access trial subscription.⁴ The voice-activated Navigation System³ also includes a 5-year subscription to SiriusXM Traffic and Travel Link[®] services.³ These features provide detailed traffic information on accidents, construction, and road closures, plus local and national weather forecasts, fuel prices and more.

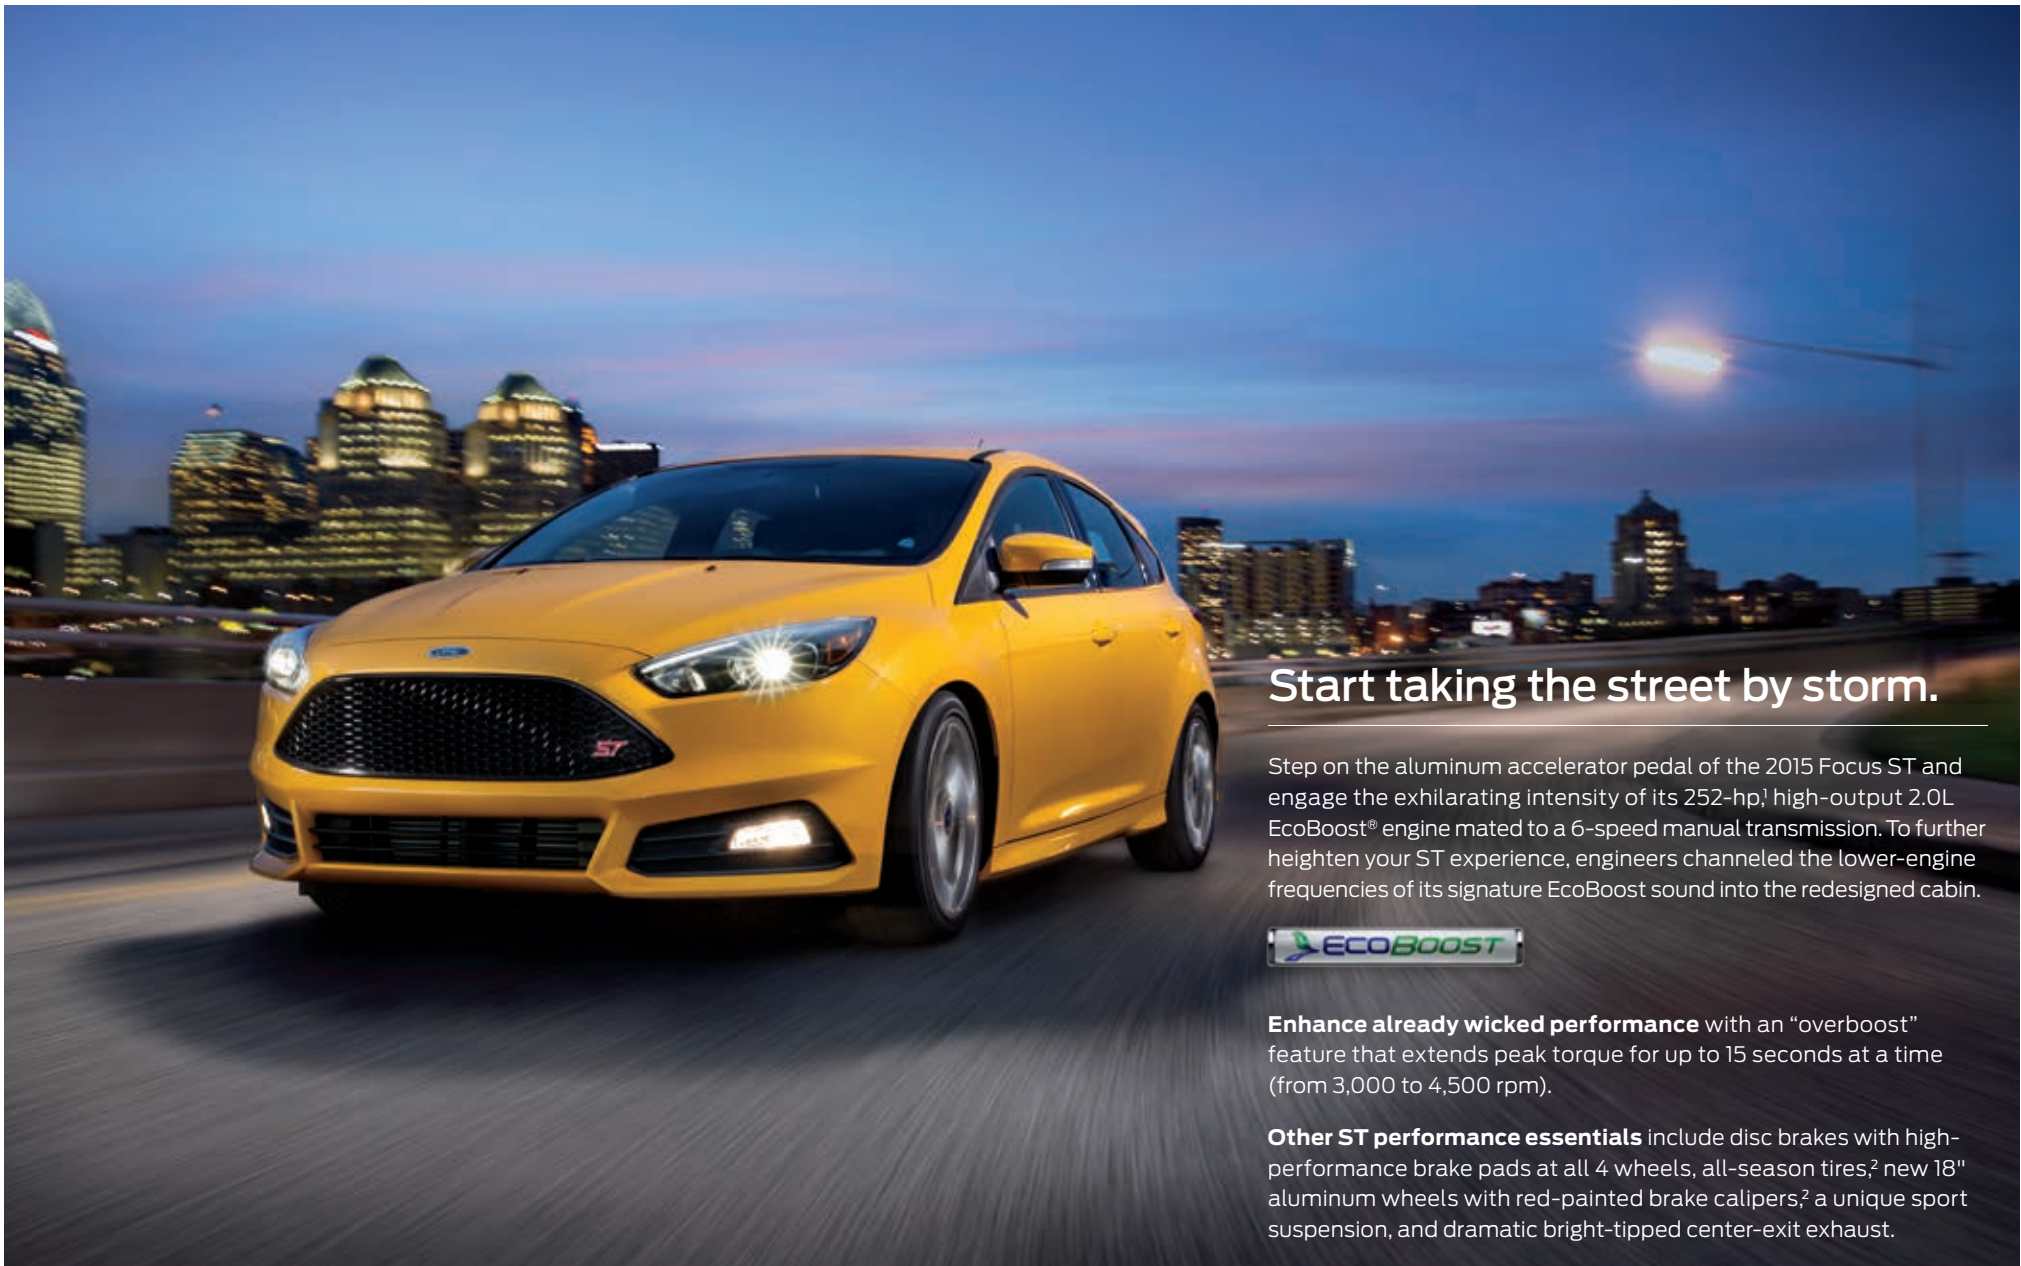

((SiriusXM))

Titanium. Charcoal Black leather trim. Available equipment.

¹Driving while distracted can result in loss of vehicle control. Only use SYNC/MyFord Touch/other devices, even with voice commands, when it is safe to do so. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. ²SYNC AppLink is available on select models and compatible with select smartphone platforms. SYNC AppLink is not compatible with MyFord Touch. Commands may vary by phone and AppLink software. ³Available feature. ⁴Trial subscription also includes access to SiriusXM Internet Radio on your computer, smartphone or tablet. Satellite and Internet Radio lineups vary slightly.

2015 FOCUS+ST
ford.com

Start taking the street by storm.

Step on the aluminum accelerator pedal of the 2015 Focus ST and engage the exhilarating intensity of its 252-hp,¹ high-output 2.0L EcoBoost[®] engine mated to a 6-speed manual transmission. To further heighten your ST experience, engineers channeled the lower-engine frequencies of its signature EcoBoost sound into the redesigned cabin.

Enhance already wicked performance with an “overboost” feature that extends peak torque for up to 15 seconds at a time (from 3,000 to 4,500 rpm).

Other ST performance essentials include disc brakes with high-performance brake pads at all 4 wheels, all-season tires,² new 18" aluminum wheels with red-painted brake calipers,² a unique sport suspension, and dramatic bright-tipped center-exit exhaust.

EPA-ESTIMATED RATING  **32 HWY MPG³**

ST. Tangerine Scream Tri-coat Metallic. Available equipment.

¹Using 93-octane fuel. ²Available feature. ³EPA-estimated rating: 23 city/32 hwy/26 combined mpg, 2.0L EcoBoost. Actual mileage will vary. ⁴Based on Ford testing with standard summer tires.

Start your engine.

Enter and start Focus ST without using your key thanks to Intelligent Access with push-button start. Grip the new leather-wrapped, race-inspired, flat-bottom steering wheel with ST badge.

Watch the speedometer and tach soar as you press the accelerator. With 252 hp¹ and 270 lb.-ft. of torque,¹ Focus ST can be pushed to the limits – and back – in no time at all.

Monitor the 3 mini cluster gauges atop the instrument panel, including turbo boost and oil pressure, as you accelerate out of the corners.

RECARO® partial² or full leather-trimmed² front seats, with supportive side bolsters, keep you firmly planted along the way. In a 2015 Focus ST, there's no reason to hold anything back.

ST. Charcoal Black leather trim with Tangerine Scream cloth accents. ST2 Package with RECARO seats. Available equipment.

¹Using 93-octane fuel. ²Available feature.

2015 **FOCUS+ST**
ford.com

Start letting Focus assist you.

Advanced driver-assist technologies¹ on the 2015 Focus use ultrasonic sensors and sophisticated radar to help you monitor blind spots, parallel park and so much more.

Maintain your lane with help from our Lane-Keeping System.² It can detect lane markings with a forward-facing camera, and send vibration pulses to the steering wheel and apply steering torque if needed, assisting you to steer back into your lane.

Stay alert to traffic detected in blind spots thanks to BLIS[®] (Blind Spot Information System) with cross-traffic alert!¹ It helps warn you using lights embedded in the sideview mirrors and a notice in the message center.³

Make parallel parking easier with class-exclusive⁴ active park assist!¹ This system not only helps you find a spot, it actually steers the vehicle into place while you control the gear shifter, and brake and accelerator pedals.

To improve your visibility while slowly backing up, a rear view camera is standard on all 2015 Focus models. A Reverse Sensing System¹ provides audible assistance as well.

Titanium Hatchback. Ruby Red Tinted Clearcoat Metallic. Available equipment.

¹Available feature. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. ²Lane-Keeping System does not control steering. ³BLIS replaces standard integrated blind spot mirrors. Message center notice displayed for cross-traffic alert only. ⁴Class is Small Sedans and Hatches.

2015 **FOCUS+ST**
ford.com

Start safely.

Over half of the 2015 Focus body structure is made from high-strength and ultra-high-strength steel, with critical occupant safety zones reinforced with lightweight yet incredibly strong boron steel.

Strength surrounds you in the form of a rigid safety cage. SPACE (Side Protection And Cabin Enhancement) Architecture and the Trinity front-crash structure help divert crash forces away from occupants. Next, 7 standard airbags include: driver and front-passenger front; driver's knee; front-seat side; and side curtains that deploy to cover both rows of the vehicle in certain side-impact collisions.

To avoid skidding and fishtailing in inclement weather, AdvanceTrac[®] electronic stability control¹ automatically helps keep all 4 wheels firmly planted. To help ensure your tires are properly inflated, the Tire Pressure Monitoring System (TPMS) alerts you when any tire's pressure is low, giving you time to get assistance if needed.

2015 **FOCUS+ST**
ford.com

SE Sedan. SE Sport Package. Tectonic. Available equipment.

¹Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

New Vehicle Limited Warranty. We want your Ford Focus ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage – all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Ford Extended Service Plan. For a purchase or lease, the Ford Extended Service Plan (ESP) gives you peace-of-mind protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln dealerships.

Insurance Services. Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-877-367-3847, or visit us at fordvip.com for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company.

Ford Original Accessories will be warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer's warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.

Comparisons based on competitive models (class is Small Sedans and Hatches), publicly available information and Ford certification data at time of release. Vehicles may be shown with optional equipment. Features may be offered only in combination with other options or subject to additional ordering requirements/limitations.
