than any other SUV on the planet.*

Grand Cherokee Summit® in Velvet Red Pearl.

A wide-angle, rear-facing shot of the front interior of a Jeep Grand Cherokee Summit. A man with dark hair and sunglasses, wearing a blue button-down shirt, is driving. A woman with long dark hair and sunglasses is seated in the passenger seat. The car's interior features brown leather seats with chrome headrests. The dashboard and center console are visible, with a large touchscreen display in the center. The car is driving on a paved road through a lush green forest. The sunroof is open, and the view of the trees is visible through the windshield and side windows.

GRAND CHEROKEE SUMMIT.[®] Once you reach the Summit, there's no other place you'd rather be. Enjoy the very best with authentic Jeep, brand capability and luxury, expressed in exquisite materials and design. Welcome to the most luxurious vehicle in its class.²

ELEGANT TOUCHPOINTS. Grand Cherokee Summit offers a distinctly upscale sensory experience. Leather-trimmed seats, console, and instrument and door panels call to be touched. Real open-pore wood and suede-like material offer a very rich appeal.

ACOUSTIC GLASS WITH ACTIVE NOISE CANCELLATION. The peaceful cabin of Grand Cherokee Summit puts the sound of traffic and wind far behind, thanks to acoustic glass with active noise cancellation. It's in place on the windshield, and the front and rear side glass.

HARMAN KARDON[®] PREMIUM AUDIO. This state-of-the-art system puts you right inside the concert hall, thanks to Logic 7[®] multichannel 360-degree Surround-Sound processing via 19 speakers and 825 watts of power. Advanced engineering produces pure music pleasure for all passengers, with every recording.

8.4-INCH TOUCHSCREEN. The Uconnect[®] 8.4 NAV radio keeps you entertained and on course. Voice activation lets you safely control it all while your hands stay on the wheel — change radio stations, control cabin temps and much more.

ABUNDANT UP-FRONT STORAGE. Keep items neatly in their rightful place, with center console storage and covered center-stack bin, driver- and passenger-side cubbies, map pockets, cup holders and a cavernous glove box.

NATURAL SELECTION

Selec-Terrain[®] Traction Management

Every Grand Cherokee equipped with an available 4x4 system arrives with a Jeep[®] Selec-Terrain system, giving you the power to tackle Mother Nature's toughest conditions. You'll have five settings that deliver ultimate driving stability by coordinating 12 vehicle systems, including throttle control, transmission shifting, transfer case, traction control and Electronic Stability Control (ESC).¹¹

Choose from five sure-footed modes: Auto, Snow, Sand, Mud and Rock.

THE ABSOLUTE BEST
awaits you.

Limited in Brilliant Black Crystal Pearl.

GRASP THE FINER THINGS. A leather-wrapped steering wheel includes standard paddle shifters, controls for the seven-inch full-color Multi-View Display Cluster, Uconnect® phone and Integrated Voice Command¹² with Bluetooth® and Siri® controls. Standard.

KEYLESS ENTER 'N GO!TM Live, ride and drive key-free. This technology automatically unlocks doors when you pull the handle, eliminating the fumbling for keys. Once inside, a simple press of the STOP/START button brings the engine to life. Available.

EASIER ACCESS. Engage the Quadra-Lift® Air Suspension system and lower Grand Cherokee's height to Park mode when letting passengers in or out. Adjust to three other suspension height modes for highway cruising and off-road travel. Available.

CONFIDENCE.

When you're backed by authentic Jeep® brand 4x4 capability, you're ready for anything. Grand Cherokee gives you four distinctive four-wheel-drive selections, all engineered to overcome challenging road conditions and weather. Confidently face all extreme conditions with an available Jeep 4WD system.

GRAND CHEROKEE SRT®

WHEN SPEED AND
CAPABILITY MARRIED,
a new breed was born.

160-MPH
TOP SPEED

4.8
SECONDS
0 – 60 MPH

MID 13-
SECOND
QUARTER-MILE

116-FT
BRAKING DISTANCE
60 – 0 MPH

POWERTRAIN. SRT® bears a 6.4L 475-hp HEMI® V8 engine that feeds a Quadra-Trac® Active On-Demand 4WD system. An eight-speed automatic transmission with steering wheel-mounted paddle shifters helps you go full throttle on the track, to reach a hair-raising top speed of 160 mph.

IT'S ALL ABOUT THE RIDE. The Selec-Track® adaptive damping system lets you customize the ride and handling settings this beast delivers. Vehicle dynamics are tuned to allow you to experience the ride you require via five modes: Track, Sport, Auto, Snow and Tow. Or create a custom drive profile via the new Custom Mode.

LAUNCH FAST, STOP FAST. The Launch Control button optimizes every possible setting for maximum acceleration off the line. The Brembo® high-performance brake system (ABS) provides the stopping power you need. A new, optional performance brake package with slotted two-piece front rotors and rear rotors helps make sure the job gets done.

ATHLETIC LOOKS. A tight-to-the-road stance, wide footprint and sinister “blacked out” front end are functionally fit. Distinctive headlamps, bright LED daytime running lamps (DRLs) and turn signals, along with the unique honeycomb grille in the front and dual exhaust in the rear add even more intimidation.

RACE-INSPIRED INTERIOR. Exclusive appointments give a high-performance feel. The SRT® leather-wrapped steering wheel with paddle shifters dominates, while the available Harman Kardon® 19-speaker audio system's 825-watt amplifier delivers ultimate fidelity. Nappa leather-trimmed and suede front seats with sculpted bolsters and adjustable headrests are built for racing.

NEW LIGHTWEIGHT WHEEL. This new available 20-inch, bright and shiny object of attention is composed of lightweight forged aluminum, thus helping to reduce overall weight and improve driving dynamics. Heads will definitely turn.

*When the ride is as captivating
as the view, you know you're
on to something good.*

*The most luxurious vehicle
in its class³ gives new
meaning to "well-traveled."
Welcome to the #JeepLife.*

Grand Cherokee Summit® California Edition in Granite Crystal Metallic.

SOPHISTICATED ADVENTURE.

Enjoy the ride.

FEATURES GALLERY

=====

*Take a closer look at the features you'll love most.
Discover what goes into making the
2016 Jeep® Grand Cherokee everything you need.*

SELEC-TERRAIN[®] TRACTION MANAGEMENT SYSTEM: *Grand Cherokee's renowned capability is tailored to fit the terrain before you. Selec-Terrain adapts traction performance to expertly tackle whatever the road ahead has in store. The selectable settings include Snow, Sand, Auto, Mud, Rock and Sport (located on center stack), giving you ultimate driving confidence by coordinating 12 vehicle systems, including throttle control, transmission shifting, transfer case, traction control and Electronic Stability Control (ESC).¹¹ Available.*

QUADRA-LIFT[™] AIR SUSPENSION SYSTEM:

This is how to move ahead with an air-cushioned, adjustable ride height that smooths on-road handling, increases fuel efficiency, eases entry and loading, and lifts Grand Cherokee up to a best-in-class⁵ ground clearance of 10.8 inches above rocks and snowbanks — all with finger-touch control. Lower it 1.6 inches from normal for easier entry, exit and loading. Available.

ELECTRIC POWER STEERING WITH SELECTABLE DRIVE MODES: *Allows you to adjust your steering to match your driving style. Go with the factory setting for your daily commute, or select Comfort or Sport mode, and steering-wheel tension is adjusted accordingly.*

— THE MODES OF QUADRA-LIFT —

*EASILY ADAPTS.
RISES TO
EVERY OCCASION.*

+ **QUADRA-DRIVE[®] II** employs an Electronic Limited-Slip Differential that can transfer up to 100 percent of torque to the rear wheel(s) with traction to help you maintain forward movement. Available.

+ **QUADRA-TRAC II[®]** offers all-speed traction control via a two-speed low transfer case that can quickly distribute power to the axle with the most traction. Available.

+ **QUADRA-TRAC I[®]** is fully automatic, offering a continual balance of torque distribution; if slippage occurs, torque is transferred to the axle with the most traction. Available.

+ **QUADRA-TRAC[®] ACTIVE ON-DEMAND 4WD SYSTEM** features a massive mechanical “wet” clutch and rear Electronic Limited-Slip Differential that can send 100% of available torque to either rear wheel. Exclusive to SRT.[®]

SELEC-SPEED[®] CONTROL: *Selec-Speed adds Hill Ascent Control to the familiar Hill Descent Control. Hill Ascent engages the throttle to help provide stable low-range control when going uphill, whereas Hill Descent uses engine and physical braking to aid in vehicle control when going downhill. Available.*

TRAIL RATED[®] CAPABILITY:

Excel in extreme conditions like mud, sand, snow or ice when your Grand Cherokee is equipped with an authentic Trail Rated 4WD system. Every Trail Rated badge indicates testing and mastery in five performance categories: Traction, Ground Clearance, Maneuverability, Articulation and Water Fording!¹⁶ Available.

*REFINED PERFORMANCE.
POWERFUL LUXURY.*

3.0L ECODIESEL V6 ENGINE: *Best-in-class¹ fuel economy treats your fuel budget with respect, while reduced CO₂ emissions display reverence for the environment. The EcoDiesel exceeds the low-emissions requirements in all 50 states. Best-in-class¹ fuel economy arrives with an estimated 22 city/30 hwy mpg* and a best-in-class¹ driving range of more than 730 highway miles per tank. That's because, compared to gasoline, a gallon of diesel fuel converts to a greater amount of usable energy. And with its command of 240 hp and a hefty 420 lb-ft of torque, the EcoDiesel provides a surge of towing strength that can haul up to 7,400 lb when properly equipped. Available.*

5.7L V8 ENGINE: *This available workhorse churns out best-in-class⁹ maximum towing power of up to 7,400 lb when properly equipped. It gives out 360 hp and a brawny 390 lb-ft of torque, while employing additional fuel-saving efficiencies thanks to Variable Valve Timing (VVT), Fuel Saver Technology and the 8-speed automatic transmission. Available.*

*Based on 2015 EPA estimates. Actual mileage may vary.

Three times named one of Ward's “10 Best Engines,” the Pentastar engine successfully combines strength with an efficient performance. Paired with the 8-speed automatic transmission, it achieves 290 hp, a 2015 EPA-estimated 17 city/25 hwy mpg and cranks out enough power to tow up to 6,200 lb when properly equipped. Economies are gained and emissions are reduced with Stop/Start technology that automatically shuts the engine off at full stops, then re-engages during takeoff. Its smooth and virtually unnoticeable technology is engineered to help deliver an efficient performance. Standard.*

8-SPEED AUTOMATIC TRANSMISSION WITH NEW SHIFTER: *It glides with a smooth and quick efficiency, consistently using energy to its best advantage. Its construction provides additional gears with no gain in weight, enhanced acceleration with reduced fuel consumption and increased torque with added strength to pull. You can customize your shift schedule by engaging the steering wheel-mounted paddle shifters. Switch to the available Sport mode and your shift schedule and engine power are both adjusted to hand over a sportier driving experience. It all adds up to a ride that delivers powerful strength without compromise.*

ECO-MODE.

This selectable feature constantly works to maximize your fuel efficiency by automatically modifying the shift schedule of the 8-speed automatic transmission and torque converter. Your idle speed is gently lowered, allowing gains in precious mpg. The Multi-View Display Cluster in your instrument panel can inform you of just how efficiently Eco-Mode is performing every mile along the way.

L U X U R Y

Grand Cherokee Summit® interior in Argentina – Black/Dark Sienna Brown.

EXPANSIVE INNER BEAUTY.

BEAUTIFUL FUNCTION: Grand Cherokee's leather-trimmed and very functional steering wheel. Fingertips can operate a fine range of available features, including Integrated Voice Command¹² with Bluetooth® audio controls, cruise control, climate, navigation, Siri®, Multi-View Display Cluster and more.

ELEGANT TOUCHPOINTS: Premium Natura Plus leather is featured on the interior of Grand Cherokee Summit®, including leather-trimmed seats, console, upper instrument panel and door panels. Real open-pore wood in Grand Cherokee Summit adorns the instrument panel and door trim. The soft, suede-like Dinamica® headliner adds to the rich appeal of Grand Cherokee Summit's unique interior design.

COMMANDVIEW® DUAL-PANE PANORAMIC SUNROOF: There's more to be seen when you look up and out via Grand Cherokee's full-power sunroof with a full-length power sunshade in front and a fixed-glass window in the rear. Available.

INSPIRED BY THE WORLD: Our designers looked to the natural hues found in some of the world's most iconic landscapes. They discovered inspiration that translates into stunning interiors crafted with lush materials and the most thoughtful details.

KEYLESS ENTER 'N GO™: No more fumbling for keys to get going. Keep the key fob in your purse or pocket and you can simply grab the door handle, climb in, press on the brake, press a button and shift into "GO." Available.

REMOTE START: Just press the button on your key fob a few minutes prior to takeoff, from as much as 200 feet away. You're ready to roll with a nicely heated or cooled cabin. Available.

POWER LIFTGATE: Adds graceful remote accessibility to Grand Cherokee's rear cargo area with capacity up to 68.7 cu ft when the 60/40 split rear seats are folded down. Available.

HEATED AND VENTILATED FRONT SEATS: Add quick warmth on cool days and welcome relief when temperatures rise — a small fan gently circulates cool air via perforations within the front seat coverings. Available.

L U X U R Y

Real open-pore wood inserts.

Heated/ventilated Natura Plus leather-trimmed seats.

Leather-wrapped and stitched instrument panel.

Blu-Ray® player with seatback-mounted video system.

DUAL-ZONE AUTOMATIC TEMPERATURE CONTROL (ATC): Constantly adjusts air temperature inside the cabin to create separate customized environments for driver and front passenger. Standard.

HIGH TECH: The available Uconnect® 8.4 treats you to a wealth of intuitive features like voice recognition, navigation, climate control, smartphone integration and so much more. And the customizable 7-inch Multi-View Display Cluster offers an easy glimpse at a myriad of vehicle systems and driving information.

LUXURY FOR AUDIOPHILES: The Alpine® Surround Sound System, standard on Overland® and optional on Limited, utilizes a high-powered, 12-channel, 506-watt amplifier powering nine speakers and a subwoofer, optimally placed throughout the cabin. Grand Cherokee Summit® comes standard with a world-class Harman Kardon® system that sends 825 watts of power surging into 19 GreenEdge™ speakers (optional on Overland and SRT®), which utilize efficient engineering to improve sound quality while significantly diminishing energy consumption.

BLU-RAY® PLAYER WITH SEATBACK-MOUNTED VIDEO SYSTEM: Two available 9-inch high-resolution screens are integrated into the seatback to entertain rear-seat passengers. The system can play standard DVDs as well as Blu-ray discs and includes independent HDMI and RCA inputs for each screen.

UCONNECT® 8.4: With its large, 8.4-inch touchscreen, this available Uconnect system now offers even more convenience and safety features. Integrated Voice Command¹² with Bluetooth®, hands-free phone, 3D navigation, SiriusXM® Satellite Radio¹³ (1-year trial), Uconnect Access⁶ (1-year trial), SiriusXM Travel Link¹³ and SiriusXM Traffic¹³ (both with 5-year trials) are joined by some advanced, new features:

- Personalize your dashboard with the new **Drag & Drop Menu Bar**. You can highlight your top six favorite features and services so they're always in sight.
- Use Integrated Voice Command¹² with Bluetooth to access 12 hands-free features with **Siri® Eyes Free** (compatible with Apple iPhone® 4s or later). Play music, dictate and send emails, set reminders, place phone calls, access turn-by-turn directions, post to social media and more.
- Remove distractions from calls and texts with help of the new **Do Not Disturb** feature. It enables you to route all incoming calls to voice mail and suppress texts, see a visual prompt of incoming calls and texts, or send an automated reply.

UCONNECT ACCESS⁶

This available suite of features and services is the next generation of in-vehicle connectivity, with the ease of Integrated Voice Command¹² with Bluetooth and fingertip control.

9-1-1 CALL:In the event of an emergency, a button on your rearview mirror instantly connects you with local authorities.

ROADSIDE ASSISTANCE CALL⁸: The “Assist” button on your rearview mirror connects you to Roadside Assistance,⁸ which automatically knows your vehicle and location. Additional fees may apply.

STOLEN VEHICLE ASSISTANCE¹⁰: If your vehicle is ever stolen, Uconnect can provide its location to aid police recovery.

THEFT ALARM NOTIFICATION¹⁰: Choose to receive a text or email alert anytime your vehicle’s theft alarm is activated.

VOICE TEXTING¹⁴: Drivers stay safely connected with Cloud-based voice texting¹⁴ on compatible Bluetooth-enabled phones, allowing you to hear and dictate messages.

WIFI HOTSPOT¹⁵: Create a mobile hotspot in and around your vehicle, so passengers can connect securely with wireless devices.

INSTANT IN-VEHICLE ASSIST: Questions about a Uconnect feature, app or your new Grand Cherokee? Press the “Access” button to connect with the right source for answers.

UCONNECT ACCESS⁶ APP: From virtually anywhere, use your computer or the custom smartphone app to remotely lock or unlock your vehicle, start the engine, or sound the horn and flash the lights.

YELP[®]*: Conduct a real-time local search to find restaurants, coffee shops and other businesses sorted by rating and location.

SIRIUSXM SATELLITE RADIO¹³: With the SiriusXM All Access¹³ package, you get every channel available on your satellite radio, including commercial-free music, sports, news, talk and entertainment. Plus, listen wherever you go on your portable devices with the SiriusXM app,¹³ which is included with your 1-year trial. Available.

SIRIUSXM TRAVEL LINK¹³: Receive National Weather Service-issued emergency alerts for flooding, winter weather, tornadoes and more. Weather radar provides information on storm direction, speed and track, for a range of severe weather conditions. Current conditions and five-day forecasts help you adjust travel plans accordingly. Your first five years of SiriusXM Travel Link¹³ are included. Available.

SIRIUSXM TRAFFIC¹³: With SiriusXM Traffic,¹³ you can avoid congestion before you reach it. Get detailed information on traffic speed, accidents, construction, road closures and more, and you will get to your destination faster and more easily than ever before. Your first five years of SiriusXM Traffic¹³ service are included. Available.

CONFIGURABLE 7-INCH MULTI-VIEW DISPLAY CLUSTER: Fingertip controls on your steering wheel can instantly scroll you through a selection of vehicle data displayed within your instrument panel on a 7-inch color screen. Information includes navigation, capability data, performance statistics, vehicle dynamics and alerts. Available. The New SRT® Drive Modes Pages include throttle and shift response data and more. Standard.

PARKVIEW® REAR BACK-UP CAMERA¹⁷: Back out safely with grace. This system helps bring previously hidden rear objects to your attention, either on-screen or with an audible warning, in good time to react. Available.

YOUR 360° GUARDIAN.

A SECURE AIR BAG²⁰ SYSTEM: Your sense of security is fully respected with Grand Cherokee’s all-around air bag²⁰ system. Full-length side-curtain, seat-mounted side thorax and advanced multistage front and driver’s inflatable knee blocker air bags²⁰ all work in tandem to help provide protection. Standard.

ADAPTIVE CRUISE CONTROL (ACC STOP) WITH STOP²¹: Take the guesswork out of keeping a safe distance from the car ahead while cruising on the highway. The system automatically adjusts cruising speed to maintain a preset distance between you and the vehicle ahead and can bring Grand Cherokee to a complete stop without driver intervention to help avoid a collision. Available.

PARKSENSE® FRONT AND REAR PARK ASSIST SYSTEM¹⁷: This system works in tandem with ParkView® to display previously hidden front and rear objects, bringing them to your attention on-screen and with an audible warning so you have time to react. When in Reverse, the on-screen image includes a dynamic distance grid to help gauge your rear perimeter. Available.

BLIND SPOT MONITORING²² AND REAR CROSS-PATH DETECTION¹⁷: These systems monitor the space between you and other drivers. When a side or rear blind spot is encroached, you’re notified via illuminated icons on sideview mirrors or an audible chime. Available.

FORWARD COLLISION WARNING (FCW+) WITH ACTIVE BRAKING²³: Sensors detect when Grand Cherokee may be approaching another vehicle too rapidly and send an audible and visual alert to the driver along with providing 1.5 seconds of brake assistance if the driver does not react in time. Available.

ELECTRONIC STABILITY CONTROL (ESC)¹¹:

A network of safety sensors helps maintain vehicle control, providing instant aid should they detect you’re veering off your intended path. ESC¹¹ coordinates Electronic Roll Mitigation (ERM), antilock brake system (ABS) and Brake Assist, all-speed traction control and available Trailer Sway Control (TSC),¹¹ calling upon them as needed. Standard.

RAIN-SENSING WIPERS AND RAIN BRAKE SUPPORT: Storm clouds hold little influence over your daily drive. Front wipers activate when raindrops are detected, and a smart brake system helps dry the brake rotors on wet roads. Available.

SENTRY KEY® ENGINE IMMOBILIZER: A unique, embedded key code matched only to your vehicle helps keep your Grand Cherokee safely where it belongs.

CHASSIS STRENGTH: Delivers exceptional peace of mind with a hero’s heart — a strong foundation constructed with 65 percent high-strength steel.

TRAILER SWAY CONTROL (TSC)¹¹: Crosswinds and traffic hold no sway over you and your payload. As part of ESC¹¹, TSC¹¹ helps keep you and the toys you tow safely on course.

INTEGRATED VOICE COMMAND¹² WITH BLUETOOTH®: Multitasking is the way of today’s world, even when you’re on the road. Integrated Voice Command¹² with Bluetooth allows drivers to safely send, reply or listen to a text,¹⁴ take or make phone calls, request detailed information like fuel prices, get navigation directions and more, while keeping both hands on the wheel. Available.

UCONNECT ACCESS⁶ WITH 9-1-1 CALL⁷ AND ROADSIDE ASSISTANCE CALL⁸: Provides a direct connection to help via two buttons conveniently located on the rearview mirror. Press “9-1-1” to reach a 9-1-1 call center,⁷ or press “Assist” to quickly summon roadside help.⁸ Available.

HIGH INTENSITY DISCHARGE (HID) HEADLAMPS/DAYTIME RUNNING LAMPS/ HEADLAMP WASHERS: Signature LED Daytime Running Lamps add even greater visibility. Optional headlamp washers keep your lenses free of debris. Available.

*Certain features are not available while the vehicle is in motion.

Axle Ratio	3.45 : 1	3.45 : 1	3.09 : 1	3.07 : 1
Fuel System	Common-rail, solenoid injectors	Sequential, multipoint, electronic fuel injection	Sequential, multipoint, electronic fuel injection	Sequential, multi-port, electronic, returnless; automatic features Fuel Saver mode
2015 Maximum EPA hwy mpg (2WD)	30	25	22	19

VARIABLE VALVE TIMING (VVT) — Offers increased
engine breathing throughout the rpm range by varying
the degree that the valves open and close in conjunction
with the piston position. Results are tangible: better
performance, more efficient operation and increased
torque for towing and hauling (3.6L and 5.7L).

FUEL SAVER TECHNOLOGY — Deactivates 4 cylinders
during steady-speed cruising, low acceleration or
shallow-grade climbing conditions (5.7L).

TRANSMISSION — Driver-interactive manual control
via steering-wheel paddle shifters and electronically
modulated torque converter clutch (standard).

BODY/SUSPENSION

Body Design — Uniframe construction: body panels and
frame members welded and bonded into a single unit.

Suspension — Front: short/long arm (SLA), coil springs,
gas-charged, twin-tube coil-over shock absorbers, upper
and lower control arms (“A” arms), and stabilizer bar.
Rear: multilink rear suspension, coil springs, twin-tube
shocks (including load-leveling for towing), aluminum
lower control arm, independent upper links (tension and
camber) plus a separate toe link.

SRT Suspension — Front: SLA, coil springs, Bilstein®
adaptive damping suspension (ADS), upper and lower
control arms (“A” arms), and stabilizer bar.
Rear: multilink rear suspension, coil spring, Bilstein
ADS, aluminum lower control arm, independent upper
links (tension and camber) plus a separate toe link,
stabilizer bar.

Steering — Electric Power Steering
Overall Ratio, 17.9:1 (V6 4x2), 16.7:1 (all other vehicles)
Turns, lock-to-lock, 3.4 (V6 4x2), 3.2 (all other vehicles)
Turning Diameter (feet), curb-to-curb, 37.1

TOWING DATA
(pounds, 2WD/4WD)

Maximum Trailer Weight Rating when equipped
with available Trailer Tow Group IV

3.6L V6 Engine	6,200 / 6,200
3.0L V6 EcoDiesel Engine	7,400 / 7,200
5.7L V8 Engine	N/A / 7,200
6.4L HEMI V8 Engine	N/A / 7,200

RESTRICTION: Trailer frontal area limitation
of 64 sq ft; maximum trailer length of 30 ft
(Class IV); Trailer Sway Control¹⁸ and low-profile
mirrors are recommended. This chart is meant to
serve as a quick and easy reference guide on how
to properly equip your Jeep® Grand Cherokee for
towing. For specific details, discuss your plans
with your Jeep dealer, who will help you select
the right equipment to meet your specifications.

JEEP® SOCIAL ADVENTURES:
Expand your horizons to include
authentic and active Jeep, online
communities. Post stories, share
photos, watch videos and get the
latest news from Jeep gearheads and
engineers. Fellow Jeep enthusiasts
are waiting to hear from you
on Facebook, Twitter, Google+,

JEEP® MASTERCARD®: *Earn 3 points per \$1 on qualifying purchases made at FCA US LLC dealerships, 2 points per \$1 on qualifying travel purchases and 1 point per \$1 on qualifying purchases everywhere else with the new Jeep MasterCard. Points may be redeemed at your local dealership for cash off your new or used vehicle, accessories, parts or service — including your next oil change. Or choose from hundreds of other rewards, including travel, cash back to your account, merchandise or gift cards.²⁴ For more information or to apply, visit jeeppcard.com*

JEEP® WAVE: *It's the universal greeting all Jeep® vehicle owners know and now it's the name of a new and exclusive owners' benefits program. With your enrolled Jeep brand vehicle, you'll enjoy access to a dedicated 24/7 exclusive Jeep owner support hotline, complimentary maintenance, first-day rental and trip-interruption coverage, VIP treatment at Jeep events across the country and discounts on select brands through our shopping network. Complimentary two-year enrollment for Overland®, Summit® and SRT® models. Available for purchase on other models.*

Grand Cherokee Summit® California Edition shown in Luxury Brown Pearl

JEEP.COM (800) 925-JEEP

(1) 2015 *Ward's* Middle Sport/Utility Vehicle segmentation (excludes FCA US LLC vehicles). 3.0L V6 Diesel 4x2 at 30 mpg or 3.6L V6 at 25 mpg. (2) 2015 *Ward's* Middle Sport/Utility Vehicle segmentation (excludes FCA US LLC vehicles). Based on available transfer cases, available low range, available class-exclusive Jeep Quadra-Lift Air Suspension, available OH-Road Group II capabilities and Selec-Speed Control with Hill Ascent and Hill Descent. (3) 2015 *Ward's* Middle Sport/Utility Vehicle segmentation (excludes FCA US LLC vehicles). Based on Summit model offerings. (4) 2015 *Ward's* Middle Sport/Utility Vehicle segmentation (excludes FCA US LLC vehicles). 3.0L Diesel: over 730 miles of range on one tank of gas at 30 mpg. 3.0L V6: over 600 miles of range on one tank of gas at 25 mpg. (5) 2015 *Ward's* Middle Sport/Utility Vehicle segmentation (excludes FCA US LLC vehicles). Based on OH-Road Group II class-exclusive Quadra-Lift Air Suspension height. 8.9" – 11.3". (6) Uconnect Access is available only on equipped vehicles purchased within the contiguous United States plus Alaska. Services can only be used where cellular coverage is available, see coverage map for details. For a complete list of Uconnect Access services, please visit http://www.drivenuconnect.com/features/uconnect_access/packages/. Vehicle must be registered for Uconnect Access and fulfill minimum subscription requirement. (7) The 9-1-1 Call button will connect you directly with Emergency Assistance. If you accidentally press the button, you have 10 seconds to cancel the call by either pressing the 9-1-1 button on the rearview mirror or the Cancel button on the Uconnect touchscreen. (8) Provides direct-dial access to Roadside Assistance Service. Vehicle must be within the United States, have network coverage and must be registered with Uconnect Access with an active subscription that includes the applicable feature. Additional roadside assistance charges may apply. Check warranty for details. (9) 2015 *Ward's* Middle Sport/Utility Vehicle segmentation (excludes FCA US LLC vehicles). Equipped with V6 gas 4x2 or 3.0L Diesel 4x2. 7,400-lb towing capacity. Equipped with V6 gas 4x2 at 6,200-lb towing capacity. (10) 2015 *Ward's* Middle Sport/Utility Vehicle segmentation (excludes FCA US LLC vehicles). Equipped with V8 4x2, 350-lb-ft or 3.0L Diesel 4x2, 420-lb-ft torque. (11) No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESC warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt. (12) Requires a mobile phone equipped with the Bluetooth Hands-Free Profile. Visit UconnectPhone.com for system and device compatibility. (13) SinusXM subscriptions for audio and data services are sold by SinusXM to follow your trial subscription. If you decide to continue listening after your trial, the subscription plan you chose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and terms apply. To cancel, you must call SinusXM at 1-866-635-2349. See the SinusXM Customer Agreement for complete terms and more information at www.sinusxm.com. All fees and programming subject to change. Your equipment and features for SinusXM Services will vary depending upon the vehicle you select and may be limited in select markets. (14) Voice Text Reply and Voice Texting features require a compatible mobile device enabled with Bluetooth Message Access Profile (MAP). iPhone and some other smartphones do not currently support Bluetooth MAP. Visit www.UconnectPhone.com for system and device compatibility. Ensure MAP is ON and incoming message notification is enabled. Vehicle must be registered for Uconnect Access and you must fulfill minimum subscription requirements. Also requires the use of a compatible smartphone that supports text messaging and Bluetooth. Check UconnectPhone.com for device compatibility. (15) WiFi subscription required. Vehicle must be registered with Uconnect Access and fulfill minimum subscription requirements. Vehicle must be properly equipped and in active and usable cellular range for WiFi usage. WiFi Hotspot does not enable direct communication between multiple in-vehicle devices. Factors affecting the performance of WiFi Hotspot include: cellular network, signal strength and quality, time of day, number of channels used by the service provider, type of connection, number of clients using WiFi Hotspot and client device. This feature is not intended for use by the driver while the vehicle is in motion. Always drive safely. (16) Do not attempt water fording unless depth is known and consistent with the vehicle's water fording rating in the Owner's Manual. Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas. (17) Always look before proceeding. An electronic drive aid is not a substitute for conscientious driving. Always be aware of your surroundings. (18) If you have this feature and have reported your vehicle as stolen to an appropriate law enforcement agency, Uconnect will try to locate your vehicle after receiving proper documents and once law enforcement contacts Uconnect Customer Care. Uconnect may refuse to locate your vehicle if you do not provide the requested information or documents. Always notify law enforcement if your vehicle is stolen and do not attempt to recover it on your own. (19) Vehicle must be registered with Uconnect Access and fulfill minimum subscription requirements. Vehicle must also be properly equipped and in an active and usable cellular range. Theft Alarm Notification is only available on factory-installed alarms. (20) The Advanced Front Air Bags in this vehicle are certified to the new U.S. Federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. (21) ACC is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use brakes to avoid collisions. (22) Always check visually for vehicles prior to changing lanes. (23) FCW system is solely an alert system for the front of the vehicle which does not take any actions to change vehicle dynamics to avoid a collision, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use brakes to avoid collisions. (24) MasterCard is a registered trademark of MasterCard International Incorporated. This card is issued by First Bankcard, a division of First National Bank of Omaha, pursuant to a license by MasterCard International Incorporated.
