2014 ACCESSORIES

MORE FUN FOR YOUR 4RUNNER.

There are a lot of SUVs out there with “the look”... but they don't deliver the goods. The truth is, few have the heritage and durability of the 4Runner. It's an authentic SUV that fuses a bold, aggressive exterior to proven body-on-frame construction. Genuine Toyota Accessories are put together with that same quality, fit and finish, to help take your enjoyment to new levels.

Don't overload your vehicle. See owner's manual for weight limits and restrictions.

For more information on all Genuine Toyota Accessories, please visit toyota.com/accessories or contact your Toyota dealer.

EXTERIOR

Along with a redesigned front end, a host of upgrades to the 2014 4Runner help you get off the grid. Underneath it all, you'll find a 4Runner that's built to take you where you want to go. Plus, with Genuine Toyota Accessories, you can add your own personal touch, whether you're enhancing its versatility or adding to its exceptional off-road abilities.

EXHAUST TIP

4Runner is king of the trails. And this exhaust tip is the perfect accessory to dress it up even more:

- Corrosion-resistant, double-walled 304 stainless steel construction for long-term durability
- Easy, bolt-on installation – no cutting, drilling or welding

RUNNING BOARDS

Step up and step in – these running boards are light-weight and include stainless steel trim, which make it easy to access your 4Runner:

- Skid-resistant step pads ensure secure footing
- Streamlined, finished look
- Corrosion resistant hardware

Also Available: **MUDGUARDS**

ROOF RACK CROSS BARS

Run out of interior cargo space? There's always the roof rack. Add this set of two roof rack cross bars to 4Runner's factory roof rails to enhance cargo versatility:

- Provides additional tie-down points for a variety of roof rack accessories
- Supports a maximum of 132 lbs. when evenly distributed across both bars
- Designed to adjust by sliding along the side rails and locking in place with thumb screws

Don't overload your vehicle. See owner's manual for weight limits and restrictions.

PAINT PROTECTION FILM

You might not be able to see it, but the protection from Genuine Toyota Paint Protection Film¹ is tough:

- Durable, nearly invisible urethane film helps maintain a like-new appearance
- Helps protect paint from sand, stones and other road debris
- Genuine Toyota paint protection film is available at your Toyota dealership for the hood/fenders and front bumper in separate kits at an additional charge

HOOD PROTECTOR

For 2014, 4Runner has a fresh front end, and adding a hood protector will help keep it looking like new:

- Durable, impact-resistant polycarbonate construction
- Provides front-end protection while enhancing 4Runner's clean, aerodynamic lines
- Dark tinted and transparent

DOOR EDGE GUARDS

Sometimes the toughest environment is the local parking lot. Adding door edge guards helps protect your front door edges from nicks and dings:

- Formed from stainless steel, then coated with color-matched thermoplastic
- Compression fit – no need for adhesives or mechanical fasteners
- Tested for temperature, weather and impact to resist cracking, fading and peeling

BALL MOUNT

Headed to the mountains? Maybe the lake or seashore? Be sure to bring along your toys. And to make towing easier, this Toyota ball mount² is engineered specifically for the 4Runner:

- Ball placement maintains optimum vehicle departure angle
- Powder topcoat helps protect against UV rays so it looks like new, mile after mile
- Lab and on-road testing ensures the quality and durability of the entire towing system
- Trailer ball sold separately

TRAILER BALL

This Genuine Toyota trailer ball² is specifically designed to work in harmony with the Toyota ball mount:

- Available in 2 5/16-in. or 2-in. ball diameters
- Crafted of cold-forged steel for superior strength
- Includes built-in wrench flats for ease of installation and torquing
- Ball mount sold separately

ALLOY WHEEL LOCKS

4Runner makes a bold statement, accented by its distinctive alloy wheels. Keep them secure with these precision machined alloy wheel locks:

- Good looking and durable thanks to triple nickel chrome plating
- No need to rebalance – they're weight matched to the stock lug nuts

INTERIOR

The 4Runner is unique. It combines rugged body-on-frame construction with suspension technology that yields the kind of ride comfort most often associated with car-based platforms. To that you can add a wide array of Genuine Toyota Accessories that take comfort, convenience and versatility to new levels.

CARGO DIVIDER

Select 4Runner models come with a unique feature – a rear sliding cargo floor. The cargo divider is the perfect addition as it features a 4-in. tall, wedge-shaped flap that helps prevent items from sliding or shifting off the cargo floor:

- Locked up – it forms a barrier that helps prevent items from rolling off the sliding cargo floor
- Locked down – it allows larger cargo items to slide over it
- Four nylon hinges for added strength and durability

CARGO NET – ENVELOPE

The perfect addition for your fast-paced lifestyle, this cargo net³ keeps your precious gear from rolling around the cargo area:

- Specifically designed for the 4Runner
- Easy to attach/detach
- Stores flat when not in use

CARGO NET – SPIDER

It seems everyone has a different way they prefer carrying their cargo. For those who want to cover and contain it, there's this spider cargo net³:

- Helps prevent cargo from sliding
- Durable black nylon webbing construction
- Elastic bungee cord border keeps everything contained
- Attaches to D-ring anchors in rear cargo area
- Applies to models with the sliding cargo floor and cargo divider
- Cargo divider sold separately

◀ CARGO COVER

As the old saying goes: Out of sight, out of mind. This Toyota cargo cover³ is designed for a precise fit in your 4Runner and it's perfect for keeping your precious cargo away from prying eyes:

- Attaches to cargo area side panels
- Provides protection against sun damage, fading and theft
- Easy to remove to accommodate larger parcels
- Durable, UV- and stain-resistant woven polyester construction

◀ CARGO TOTE

Sometimes the challenge is not just containing the cargo, but getting it in and out of your 4Runner. For that, this soft-sided cargo tote³ is ideal:

- Pops-up when needed/stores flat when not in use
- Two carrying handles for easy loading/unloading
- Removable divider panels hold items upright
- Tough outer fabric is durable and water resistant

CARPET CARGO MAT

4Runner makes rugged look good. And to keep it looking like new, this carpet cargo mat³, featuring the 4Runner logo, helps protect the original carpet from premature wear:

- Made for a perfect fit in the 4Runner
- Durable, fade-resistant nylon carpet construction
- Rubber-backing helps prevent sliding
- Available in three styles to match your cargo floor type – 2-row seating, 3-row seating, and sliding cargo floor

CARGO TRAY

What do you carry in your cargo area? A lot of different things? And every once in a while, something spills. For those occasions, this cargo tray³ is ideal:

- Perimeter lip helps contain spills, dirt and debris
- Tough, flexible polymer construction is easy to clean
- Skid-resistant surface helps keep cargo from sliding

FIRST AID KIT

Be prepared for life's little emergencies with this handy first aid kit:

- Includes bandages, insect-sting relief pads, scissors, emergency blankets and more
- Soft-sided, water-resistant and flame-retardant black PVC zipper case
- VELCRO® brand mounting strips help the kit remain firmly in place

EMERGENCY ASSISTANCE KIT

This multi-functional emergency assistance kit contains tools and supplies to help handle minor emergency situations and repairs so you can stay on the road. Contents include:

- Versatile, stainless steel pocket tool with multiple functions including: pliers, wire cutters, and two screwdrivers
- Heat-reflective emergency blanket
- Flashlight
- Work gloves with textured palm area to optimize grip
- Automotive-grade hose tape
- Booster/jumper cables with multi-lingual instructions
- Tire gauge
- Bungee cord
- Shop towel
- Tether strap

CARPET FLOOR MATS

Help keep your original carpet clean and looking like new with these plush, yet rugged, carpet floor mats⁴:

- Made to fit the 4Runner floor and to match the vehicle carpeting
- High-grade plush nylon carpeting accented with a 4Runner logo
- Quarter-turn fasteners help keep it in place
- Quick, easy installation/easy to remove and clean

ALL-WEATHER FLOOR MATS

Encounter rain, snow, mud or dirt? These all-weather floor mats⁴ take on the elements while helping to keep your carpet clean:

- Ribbed channel design helps contain moisture, dirt and debris
- Quarter-turn fasteners help secure the driver's and passenger's mats in place
- Ribbed backing is designed to help hold the mat in place
- Easy to clean
- 100% recyclable

ASHTRAY CUP

It's all about convenience as this self-contained ashtray cup fits snugly inside your 4Runner's cupholder. Don't smoke? Works great for loose change, candy, and other small things:

- Hinged lid helps minimize odors and flyaway ash
- Removable for portability and easy cleaning/emptying

REMOTE ENGINE STARTER

The key is convenience... and the fact that you don't have to use your key. With this remote engine starter³, enjoy the luxury of having your 4Runner ready and waiting for you with a comfortable interior, regardless of the weather:

- Use the key fob to start the engine and activate the preset air conditioner, heater, defroster and defogger functions
- Creates the ideal cabin temperature before it's time to head down the road
- Integrates with keyless entry and security system

ELECTRONICS

TRD

The 4Runner is all about excitement and efficiency. Merge that with the performance, handling and style of TRD Accessories and you have a winning combination. There's everything from a performance air intake system to high-performance brake pads and air filters – all designed with one goal in mind: To make you love your 4Runner even more.

TRD OIL CAP

A TRD oil cap gives your engine that race-ready look:

- Available in two styles
- Forged, highly polished billet aluminum construction
- High-luster coating ensures long-term appearance
- Direct replacement for stock oil cap

TRD RADIATOR CAP

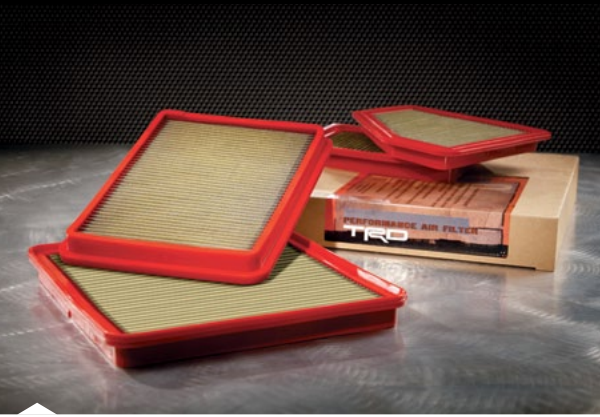

This is no ordinary radiator cap. There is a difference – that's why it's a TRD radiator cap:

- Releases at higher cooling system pressures than factory caps, raising the coolant boiling point to help protect engines under high-rpm or high-load operation

TRD PERFORMANCE BRAKE PADS

Are you hard on your brakes? It happens with today's traffic... or when driving off-road. Now you can boost 4Runner's braking performance with a set of TRD high-performance, high-friction brake pads:

- Aramid- and ceramic-strengthened compound helps deliver an optimum combination of cold and hot friction with minimal brake noise
- Reduces fade during repeated stops or extended downhill driving
- Direct replacement for stock pads
- For street and off-road use (not intended for open track sessions)

TRD PERFORMANCE AIR FILTER

The air filter is one of the most neglected parts on a vehicle. People forget to check it, and a dirty air cleaner can rob your performance and fuel economy. That's why you need a TRD performance air filter:

- Unique, oiled four-ply cotton gauze design for superb filtration and enhanced airflow
- Durable epoxy-coated mesh filter element with an elastomeric seal for a precision, leak-free fit
- Washable and reusable – designed to last the lifetime of your 4Runner
- Pre-oiled and ready to install – it's an exact drop-in replacement for stock air filter

TRD PERFORMANCE OIL FILTER

Get exceptional filtration, lower flow restriction, enhanced engine protection and durability with a TRD oil filter:

- Zinc-plated steel end caps help increase structural integrity
- Red silicone gaskets help provide excellent seal characteristics at high temperatures
- Kit includes two replacement high-temperature Viton housing gaskets and a drain adapter

TRD PERFORMANCE AIR INTAKE

Cold is good. Cold air, that is. Here's what a TRD performance air intake system[®] can do for your 4Runner:

- Channels cooler, denser air to your engine to increase horsepower and improve cooling
- Dyno-tested to deliver superior acceleration and more pulling power
- Works in harmony with factory ECU and emissions system
- Includes a reusable TRD high-flow air filter
- Custom-calibrated air filter gauge provides visual indication when filter needs servicing
- Emissions legal in all 50 states

Please see dealer for availability

TRD 17-IN. FORGED OFF-ROAD BEADLOCK STYLE ALLOY WHEELS

Not just any wheel will do for the 4Runner. You need a wheel that embraces its off-road heritage. These TRD 17-in. hot-forged off-road beadlock-style alloy wheels[®] are the perfect match:

- Lighter and stronger than cast alloy wheels to enhance handling
- Off-road race-inspired six-spoke design
- Gunmetal gray finish and machined outer lip for a distinctive look
- Provide the proper weight, offset and brake clearance to ensure fit, finish and reliability
- Extensive ride, handling and strength tests ensure they meet TRD's high quality standards

DISCLOSURES

1. The Toyota Genuine Accessory Warranty will only apply when the installation is performed by a trained Toyota-approved installer. Please see dealer for details. **2.** Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your Owner's Manual. The maximum you can tow depends on the total weight of any cargo, occupants and available equipment. **3.** Cargo and load capacity limited by weight and distribution. **4.** To avoid potential interference with pedal operation, do not install a floor mat on top of an existing floor mat. Each mat must be secured with either quarter-turn fasteners or retention hooks (clips). This floor mat was designed specifically for use in this model and model year vehicle and SHOULD NOT be used in any other vehicle. **5.** Available for vehicles equipped with factory remote keyless entry and Smart Key. **6.** The TRD performance air intake is to be sold as dealer-installed or over-the-counter options after the retail sale of the vehicle. The TRD performance air intake may not be sold to the customer at the same time as the new vehicle and may not be financed together with the new vehicle. Please see the TRD catalog, visit www.trdusa.com or call 800-688-5912 for a complete list of TRD products and warranty information. Emission-legal for aftermarket sale via C.A.R.B. Executive Order. **7.** 17-in. off-road performance tires are often expected to experience greater tire wear than conventional tires. Tire life may be substantially less than mileage expectancy, depending upon tires used and driving conditions.
