# TOYOTA

moving forward

The Toyota Promise:

We must never stand still. Where others might rest, Toyota will move forward and seek out the opportunity to do even better.

Toyota products and services will represent the finest in quality and value, to improve life for our customers while respecting the earth's resources.

Our efforts will be guided by two principles:

Continuous Improvement and Respect for People.

This simply means: We honor our customers as welcome guests and serve them in the manner they desire. We respect the time and priorities of our customers and colleagues. We practice the belief that “there is no best, only better.”

Together, we will bring this commitment to life at every opportunity, for every customer.
