'15 ACCESSORIES

GET OUT AND PLAY. BUT BRING THE RIGHT GEAR.

Your 4Runner can handle trails where other vehicles fear to tread, so you already know the importance of proper equipment for all of your adventures. Equip your 4Runner with Genuine Toyota Accessories that offer the precision, fit and durability to help you protect, enhance and personalize your truck for years of adventures ahead.

EXTERIOR

From its roof right on down to its wheels, your 4Runner was engineered to be tough. Embolden it even more with Genuine Toyota Accessories to increase its versatility and make your truck uniquely yours.

EXHAUST TIP

Add eye-catching style to your 4Runner with these shiny exhaust tips.

- Constructed of polished, corrosion-resistant double-walled 304 stainless steel
- Corrosion resistant, ensuring a “like-new” appearance for years to come

RUNNING BOARDS

Hopping in and out of your 4Runner just got a bit easier thanks to these sturdy, stylish running boards.

- Skid-resistant step pads ensure secure footing
- Streamlined and finished look
- Stainless steel trim

DISCLOSURES

1. Do not overload your vehicle. See owner's manual for weight limits and restrictions.
2. Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your Owner's Manual. The maximum you can tow depends on the total weight of any cargo, occupants and available equipment.
3. The Toyota Genuine Accessory Warranty will only apply when the installation is performed by a trained Toyota-approved installer. Please see dealer for details.
4. Cargo and load capacity limited by weight and distribution.
5. To avoid potential interference with pedal operation, do not install a floor mat on top of an existing floor mat. Each mat must be secured with either quarter-turn fasteners or retention hooks (clips). This floor mat was designed specifically for use in this model and model year vehicle and SHOULD NOT be used in any other vehicle.
6. Available for vehicles equipped with factory remote keyless entry and Smart Key.
7. 17-in. off-road performance tires are often expected to experience greater tire wear than conventional tires. Tire life may be substantially less than mileage expectancy, depending upon tires used and driving conditions.
