

TUNDRA

'16 ACCESSORIES

GET OUTSIDE AND PLAY— BUT BRING THE RIGHT GEAR.

Your Tundra is one of the strongest, most versatile trucks around. Now Genuine Toyota Accessories can make it easier to load, carry, and protect, or even enhance its performance, making your Tundra an even more integral part of your life. Every accessory is carefully engineered and custom-designed specifically for the Tundra, so that you can enjoy your truck for all the adventures ahead.

3 EXTERIOR > **19** INTERIOR > **23** TECHNOLOGY > **26** TRD > **34** TRD PRO

EXTERIOR

Work hard. Play harder. No matter what you throw at it, the Tundra's power and spaciousness meet your needs. Now you can extend the versatility and performance of the truck even further with Genuine Toyota Accessories that are manufactured with the same precision, durability and reliability as the Tundra is.

BED EXTENDER

Expand your truck's utility even further with the bed extender¹ that increases bed length by two feet with the tailgate down, or helps contain smaller items with the tailgate up.

- Powder-coat finish enhances appearance and durability
- Taillights remain visible when extended, in compliance with DOT lighting requirements
- Bed extender cannot be removed when tailgate is up and locked, making theft difficult
- Angle-release mounting brackets enable easy installation or removal
- Adjustable strap latches make sure the bed extender is secured to the tailgate when down

¹ See numbered disclosures on page 39

EXHAUST TIP

Finish off the Tundra's bold style with these shiny exhaust tips.

- Constructed of polished, corrosion-resistant double-walled 304 stainless steel
- Easy bolt-on installation; no cutting, drilling or welding

7-PIN AND 4-PIN TRAILER CONNECTOR

Connecting your trailer to your Tundra is a breeze with this combination 7-pin and 4-pin trailer connector².

- Available on 4.6L V8 models only
- Powers trailer's taillights, turn, brake and hazard lights
- Designed to work with the existing electrical system
- Allows for connection of either a 7-pin or a 4-pin connector from the trailer
- Simple installation

2 See numbered disclosures on page 39

BALL MOUNT

No matter the destination, bring your toys along with the Genuine Toyota ball mount².

- Ball placement provides precise drop/rise to maintain vehicle departure angle
- Black powder top coat provides uniform surface coating, protect against UV rays
- Lab and on-road testing ensures quality of tow hitch system
- Trailer ball sold separately

TRAILER BALL

Crafted of cold-forged steel for superior strength, the trailer ball² is designed to work with your Tundra's tow hitch ball mount.

- Available in 2 5/16-in., 2-in. or 1 7/8-in. ball diameters
- Helps complete the connection between the vehicle's tow hitch receiver and trailer
- Includes built-in wrench flats for ease of installation and torquing
- Ball mount sold separately

TOW HITCH RECEIVER

Big fun calls for big toys. Tow up to 6,800 lbs. with confidence with the strong, durable Class IV tow hitch receiver².

- Easy, no-drill installation helps maintain the structural integrity of the vehicle frame
- Custom replacement bumper trim panel matches vehicle contours and color
- 16 connection points to the vehicle frame evenly distributes weight to help reduce stress and preserve the integrity of the frame and body structure
- Ball mount and trailer ball sold separately
- Available for the 4.6L engine

² See numbered disclosures on page 39

20-IN. MACHINED 5-SPOKE ALLOY WHEELS

20-IN. CARVED 5-SPOKE ALLOY WHEELS

Go big or go home. These lightweight alloy wheels³ increase performance by dissipating heat faster, while increasing grip.

- Incorporates the proper balance, offset and brake clearance to ensure proper fit, finish and reliability
- Compatible with the TRD big brake kit

Get all the benefits of lightweight, 20-inch alloy wheels³, but with a more polished, eye-catching look.

- Incorporates the proper balance, offset and brake clearance to ensure proper fit, finish and reliability
- Fits with the TRD big brake kit

³ See numbered disclosures on page 39

³ See numbered disclosures on page 39

SPARE TIRE LOCK

Add an extra layer of security for your spare tire with this precision-machined spare tire lock.

- Manufactured for enduring structural integrity
- Made from zinc-nickel plated hardened steel construction

ALLOY WHEEL LOCKS

Tough terrain is no match for your tires and wheels. Make them tougher to poach with triple nickel chrome plated alloy wheel locks.

- Guaranteed proper fit
- Weight matched makes rebalancing unnecessary
- Resists lock removal tools and allow only a single unique key to interface

CARGO DIVIDER

Keep precious cargo and bulky items from rolling around in your truck bed with this customizable cargo divider⁴.

- Slides along the Tundra's deck rail system to create the space to fit your needs
- Rotates for various configurations including lying flat above cargo
- Made of lightweight, corrosion-resistant, black powder-coated aluminum
- Tested to withstand loads up to 400 lb.

⁴ See numbered disclosures on page 39

CARGO NET – EXTERIOR

Don't sweat the small stuff—at least don't let it slide around and get lost or damaged. The envelope-style cargo net is up for the job.

- Elastic-mesh netting is durable and stain resistant
- Easy to install; attaches to defined points in truck bed
- Folds flat for storage when not in use
- Deck Rail System not required

PAINT PROTECTION FILM

Your Tundra can trump boulders, but no paint is impervious to gravel hurtling toward you at 65 mph. Help guard your hood and fenders with this paint protection film⁵ that's custom made for the Tundra.

- Urethane material is designed to provide long-term protection and resists discoloration
- Film constructed of multiple layers for strength and durability
- Genuine Toyota paint protection film is available for select areas of the hood and fenders, or for the front bumper (each sold separately)

⁵ See numbered disclosures on page 39

DECK RAIL SYSTEM

With a deck rail system that works with tie-down cleats and locking fork bike rack, you can secure almost anything you need for your work or play.

- Galvanized steel construction for superior strength
- Black powder top coat ensures durable corrosion resistance
- Includes four tie-down bed cleats made of sturdy die-cast aluminum, accommodating a maximum load of 880 lb. (220 lb. each)
- Includes locators for bed cleats every four inches
- Mini tie-downs sold separately

LOCKING FORK BIKE RACK

Go hiking with no worries, knowing that your bike is secured in a locking fork bike rack that locks down the front forks⁴.

- Custom-designed for the Tundra's deck rail system
- Bike can be positioned along the front bed rail
- Virtually effortless mounting: simply remove the front wheel, position the forks into the skewer and lock

⁴ See numbered disclosures on page 39

MINI TIE-DOWNS WITH HOOKS

Organize and secure your gear with adjustable mini-tie downs with hooks⁴, composed of sturdy black nylon for durability.

- Each mini tie-down measures 2-in. x 1-in. and holds a maximum load of 110 lb. each—a total of 220 lb. for the set of two
- Hooks rated for up to 50 lb.
- Tie-downs slide along the bed rail system, and are held firmly in place by an inner tension spring

⁴ See numbered disclosures on page 39

TIE-DOWN CLEAT

Secure your precious items in the bed by fastening them to these fully adjustable sturdy tie-down cleats⁴.

- Composed of strong die-cast aluminum
- Uses a steel locking plate to slide down Tundra's deck rail system
- Holds a maximum of 220 lbs.

⁴ See numbered disclosures on page 39

TUBE STEPS

Whether or not your truck is lifted, tube steps ease entry into the cab while complementing the Tundra's good looks.

- Skid-resistant heavy-duty step pads on both sides of the vehicle help to channel water off the steps
- Durable, lightweight aluminum construction is chip and rust resistant; your choice of chrome-plated, or black powder-coat finish
- Simple, no-drill installation
- Not available on Regular Cab models

BRUSHED STAINLESS STEEL STEPBOARDS

Step into your cab with style and ease when you install these stepboards, composed of rust-free, high-quality stainless steel. They also help reduce dirt and stone chipping of the door and body.

- Features two heavy duty injection-molded step pads providing a skid-resistant tread surface at each door
- 25% lighter than conventional closed-section running boards, while meeting or exceeding load requirements
- Injection-molded end caps help reduce wind noise and offer a more finished appearance

CAST ALUMINUM RUNNING BOARDS

Step up and step in. These sturdy running boards gives you easier access to the vehicle.

- Durable aluminum construction with slip-resistant coating
- Sleek design enhances the contours of the vehicle

TAILGATE INSERT BADGE

Details set you apart from the crowd. These inserts emphasize the Tundra stamp in the tailgate so all the world can take note.

- Attached with strong 3M adhesive backing
- Two colors available: bright chrome and flat black

BED MAT

6 See numbered disclosures on page 30

Minimize damage to your truck bed and cargo with this heavyweight bed mat⁶. It's made from a high strength, cord-enhanced rubber compound that can withstand abuse without fading, rusting, cracking or breaking.

- Pebble finish minimizes shifting of cargo
- Raised angled ribs ease cargo loading/unloading
- Knobby underside promotes aeration and drainage that keeps the truck bed dry to help prevent rust and mildew

6 See numbered disclosures on page 39

SKID RESISTOR™ BEDLINER

Defend your Tundra's bed from damage incurred by shifting loads with a Skid Resistor Bedliner⁶. Made of thick-ribbed, high-density polyethylene, it can withstand a whole lot of abuse, including chemicals and corrosives.

- Premium high-gloss black finish
- Ribbed I-beam floor construction provides superior impact resistance
- Smooth tailgate facilitates easier loading and unloading
- Features a no-drill, no-scuff installation
- Available for every Tundra bed size and configuration

6 See numbered disclosures on page 39

SPRAY-ON BEDLINER

Get the spray-on bedliner⁶ that's as tough and durable as your Tundra. Protect your bed from damage with this permanently bonded fixture.

- Toyota quality standards assure uniform thickness and a consistent texture
- Texture surface is designed to prevent cargo from sliding
- No lost cargo space, minimal added weight
- Features Toyota logo
- Proprietary application method helps to create a straight and crisp edge
- Fully warranted; repairs completed quickly and easily at a Toyota dealership

⁶ See numbered disclosures on page 39

INTERIOR

DOOR SILL PROTECTORS

Door sill protectors welcome you every time you step into the cabin while keeping sills scuff-free.

- Skid-resistant surface with the “Tundra” logo molded into the sill

Whether you’ve got the two-door regular cab, extended double cab or the colossal CrewMax, you want to keep your cabin looking as good as the day you bought it. Protect it from the elements with durable Genuine Toyota Accessories, customized just for your Tundra for a perfect fit.

CARPET FLOOR MATS

Help keep your original carpet clean and neat with these durable, fade-resistant carpet floor mats⁷.

- Made to fit the Tundra floor and match the carpeting
- Nibbed backing and quarter-turn fasteners (on the driver's side) help keep mats in position
- Removable and easy to clean

⁷ See numbered disclosures on page 39

ALL-WEATHER FLOOR MATS

Bring on the dirt and mud, and let these lightweight floor mats⁷ catch the mess.

- Made from an easy to clean, durable and flexible weather-resistant material
- Quarter-turn fasteners (on the driver's side) and nibbed backing on all mats help keep mats in position
- Mats feature ribbed channels and an embossed Tundra logo

⁷ See numbered disclosures on page 39

CENTER CONSOLE TRAY

A Tundra's cabin can be as useful as its bed with the addition of a custom-designed center console tray. With compartments for phones, tablets, and other objects, everything can be organized and conveniently within reach.

- Neoprene backing prevents tray from sliding around
- Easy slide access to power cords
- Railings to accommodate letter-size hanging file folders

ASHTRAY CUP

Keep ashes in the only place they belong: an ashtray.

- Hinged lid helps minimize odors and prevent flyaway ash
- Removable, easy to empty cup that fits snugly inside the cupholder
- Non-smoker? Can also be used to hold loose change and other small items

EMERGENCY ASSISTANCE KIT

Be prepared for minor emergencies and repairs with the multi-functional Emergency Assistance Kit. The triangle shaped zipper bag in gray/black two-tone features outer storage pockets and reflective emergency indicators on the kit surface. Contents include:

- Versatile, stainless steel pocket tool with multiple functions including:
 - Pliers, wire cutters, two screw drivers
 - Heat-reflective emergency blanket
 - Hand-squeezed flashlight
 - Work gloves with textured palm area to optimize grip
 - Automotive-grade hose tape
 - Booster/jumper cables with multi-lingual instructions
 - Tire gauge
 - Bungee cord
 - Shop towel
 - Tether strap

FIRST AID KIT

This compact kit will come in handy to address minor scrapes and wounds, to help you get patched up and on your way. The soft-sided, water-resistant, and flame-retardant black PVC zipper case contains:

- Insect-sting relief pads
- Self-adhesive bandages
- Rolled stretch bandage with metal clips
- Two multi-use, waterproof, heat-reflective survival blankets
- Stainless steel scissors capable of cutting through seatbelt strapping

REMOTE ENGINE STARTER

Step into the comfort of a pre-cooled or heated cabin, thanks to the remote engine starter^{8,9}.

- Activates air conditioner, heater, defroster and defogger functions to preset temperatures and settings
- Engine starts with quick, three-step sequence using remote key fob
- Integrates with keyless entry system and existing factory security

8,9 See numbered disclosures on page 39

KEY FINDER

You need your keys, now. Once synced to your iPhone®, the Toyota Key Finder⁹ can alert you when you leave keys behind or locate them from up to 60 feet away. You can also use the key finder's fob to find your iPhone hiding in the clutter.

- One app monitors up to eight separate Key Finder devices
- Supports only iPhone/iPad/iPod Touch with iOS 5.0 or later
- Backed by 12-month Toyota Approved Accessory parts warranty

⁹ See numbered disclosures on page 39

RS3200+ VEHICLE SECURITY SYSTEM

With the Tundra's looks and performance, can see the envy in their eyes—but they're just gonna have to get their own. Protect your Tundra with a security system¹⁰ and sleep easier.

- Designed to integrate with the keyless entry system—no need for an additional remote
- Automatic rearming and relocking, door-ajar warning, interior light activation, panic alarm, rolling code technology and disabling of the starter
- Glass breakage sensor (GBS) includes a highly sensitive microphone that detects the sound -frequency of an object striking on glass or glass breakage
- Warn-away alarm is triggered if an object strikes a window
- Alarm is activated if someone tries to force open a door or if glass is broken

GLASS BREAKAGE SENSOR

Enhance the coverage of your security system with the glass breakage sensor¹⁰ that activates the alarm if the glass is broken.

- Glass breakage sensor (GBS) includes a highly sensitive microphone that detects the sound frequency of an object striking on glass or glass breakage
- Warn-away alarm is triggered if an object strikes a window
- Designed to integrate with the keyless entry system—no need for an additional remote

¹⁰ See numbered disclosures on page 39

It's a heritage steeped in the fire and glory of competitive racing. Toyota Racing Development (TRD) accessories are forged utilizing the same expertise that goes into the equipment used in extreme competition, and engineered to exceed expectations when it comes to enhancing your Tundra.

TRD 17-IN. FORGED OFF-ROAD BEADLOCK-STYLE ALLOY WHEELS

Hot-forged alloy wheels¹¹ are lighter than stock wheels, dissipate heat faster and provide higher strength-to-weight ratio to keep corner weight down. And the look? It speaks for itself.

- 17 x 8 six-spoke forged aluminum wheels with 5 x 150 mm lug nut pattern and 50 mm offset
- Gunmetal gray finish and machined outer lip with bead-lock styling
- Incorporates the weight, offset and brake clearance to help ensure proper fit, finish and reliability
- Extensive ride, handling and strength tests help ensure wheels meet TRD's high-quality standards

¹¹ See numbered disclosures on page 39

Also Available: **TRD WHEEL LOCKS**

TRD HIGH PERFORMANCE BIG BRAKE KIT

The full-size Tundra is made to meet full-size challenges. For even greater stopping power, the TRD High Performance Brake Kit helps strengthen the factory front axle brakes to decrease stopping distances and provide consistent performance, in various road conditions.

- Four-piston opposed, fixed calipers and two-piece, bolted body with bolt-in bridge
- Dust boots on caliper pistons help protect moving parts from corrosion and road debris
- The 323 x 32-mm. patented, directional AeroRotor internal cooling vane design induces greater airflow to cool the rotors, helping shed heat from the system and ensuring the brakes are ready to absorb heat during the next stop
- The application-specific, one-piece rotor design features non-friction surfaces, which:
 - Maximize corrosion resistance and ensure durability under the harshest conditions
 - Reduce maintenance requirements and simplify service
- Special cooling vane configuration eliminates resonance modes of the rotor, reducing the likelihood of brake noise—ensuring comfort isn't sacrificed for performance
- Rotors' cross-drilled friction surface:
 - Helps enhance initial "bite" in wet or rainy conditions
 - Assists in removal of consumed pad material or debris
 - Provides an optimized friction interface for consistent performance
 - Provides optimal balance of temperature capability, friction level, pedal feel, dust and noise for performance driving
- Stainless steel braided brake lines with Teflon® inner liner eliminate expansion under pressure for optimum pedal feel

TRD PERFORMANCE AIR INTAKE

Increase the quality of the air that flows to your motor and quantifiably increase its performance with the TRD performance air intake¹², and let your engine's potential roar.

- Takes cool air from behind and below the headlight area (rather than hot air from the engine compartment) to supply engine with cooler, denser air to help increase horsepower and improve cooling
- Designed to work with factory ECU and emissions system
- Features reusable TRD high-flow air filter with custom-calibrated filter service gauge that provides visual indication when filter needs servicing
- Designed and Dyno-tested to deliver an increase in both horsepower and torque for superior acceleration and greater pulling power
- Emissions legal in all 50 states

FPO

TRD PERFORMANCE HANDLING SUSPENSION KIT

Empower your 2WD Tundra with greater athleticism and agility, thanks to the complete TRD Performance Handling Suspension Package.

- Includes TRD-tuned shock absorbers, front coil springs, rear leaf springs, rear sway bar and all required hardware, including bump stops
- Engineered specifically for 2WD Tundra
- Lowers Regular Cab: 40-mm. in the front and 60-mm. in the rear
- Lowers Double Cab and the CrewMax: 60-mm. in the front and 70-mm. in the rear

TRD PERFORMANCE SHOCKS

Get less lean during maneuvering and a firm, well-managed ride with race-inspired shocks.

- Aggressive valving for better response
- Not compatible with suspension kit

TRD REAR SWAY BAR

Enhanced control, less drama. Rear sway bars give your Tundra flatter cornering and less under steer during maneuvering, helping to deliver greater handling overall.

- Helps preserve the secure handling of the original steering and suspension system
- High-quality spring steel help ensure strength, stiffness and durability
- Durable, gloss red powder coat finish resists corrosion and helps protect against damage
- Simple, bolt-on installation, with no modifications required: all hardware included
- Not compatible with lowered Tundra Trucks

TRD PERFORMANCE OIL FILTER

Keep your oil pure as long as possible, and help enhance the life of your engine, with the TRD Oil Filter that kicks out impurities through a 100% synthetic fiber filtration medium.

- Zinc-plated steel end caps help increase structural integrity
- Red silicone gaskets help provide excellent seal characteristics at high temperatures
- Kit includes two replacement high-temperature Viton housing gaskets and drain adapter

TRD PERFORMANCE BRAKE PADS

Whether you're boulder bashing or stuck in traffic, you quickly realize that the left pedal is just as crucial as the right. The enhanced stopping power from TRD brake pads decreases stopping distance while it increases your confidence.

- Aramid- and ceramic-strengthened compound helps deliver an optimum combination of cold and hot friction with minimal brake noise
- Reduces fade during repeated stops or extended downhill driving
- Direct replacement for stock pads
- For street and off-road use (not intended for open track sessions)

TRD PERFORMANCE AIR FILTER

You multitask; make sure your parts do too. This TRD air filter protects as it helps maintain the life of your engine with enhanced airflow.

- Unique, oiled four-ply cotton gauze in polyurethane body
- Enclosed in durable epoxy coated mesh and an elastomeric seal for a precise, leak-free fit
- Allows the maximum amount of air into the engine with the minimal amount of resistance
- Washable and reusable—regular cleaning ensures free airflow and top performance
- Designed to last the lifetime of the vehicle
- Pre-oiled and ready to install, offers exact drop-in replacement for stock air filter

TRD OIL CAP

The legendary Toyota Racing Development logo is on display every time you pop the hood, when you replace your stock oil cap with this highly polished, forged billet aluminum cap.

- High-luster coating ensures long-term appearance
- Maintains high factory quality standards for performance and strength

TRD RADIATOR CAP

Enhance performance, and look good while doing it. The TRD radiator cap releases pressure at higher cooling system levels while protecting your engine.

- Helps enhance vehicle performance in high-rpm or high-load conditions
- Designed to release at higher cooling system pressures than factory caps, raising the coolant boiling point to help protect engines under high-rpm or high-load operation

INTRODUCING TRD PRO ACCESSORIES FOR 2016

Stronger. Fiercer. Harder. We take the spirit and athleticism of our performance-booster trucks and bake it into every single TRD Pro Accessory. Engineered specifically for your Tundra, they make every adventure more intense.

TRD PRO

TRD PRO FRONT SKID PLATE

Help keep the underbelly of your Tundra safe from vengeful boulders with the TRD Pro front skid plate.

- Enhances Tundra's tough, capable stance
- Helps protect vehicle underbody from damage that can result from flying stones, branches, ice chunks and other types of road debris
- Made from stamped and formed 1/4-in.-thick silver powder-coated aluminum
- Skid plate won't interfere with or block the cooling system, while providing cut outs for unobstructed access to all maintenance points and vehicle tow hooks
- Rigorous CAD simulations conducted by Toyota engineers, in addition to real world testing, help to maximize protection and prevent vibration stress and noise issues
- Easy, no-drill installation uses vehicle's existing attachment mounts

TRD PRO PERFORMANCE DUAL EXHAUST SYSTEM

Energize the brute within with some deep breathing exercises. The TRD Pro exhaust gives your engine greater power with a less restrictive path, while bellowing out a deep, throaty tone.

- Made from 304 stainless steel, featuring a cat-back exhaust design with dual TRD logo-etched tips
- Allows for a less restrictive path, helping reduce backpressure for added low-to mid-range torque, along with improved horsepower
- Produces a deep, throaty, award-winning exhaust note while meeting the legal 95-decibel noise limit, as required by law

TRD PRO FLOOR MATS

Help protect your carpet from mud-splattered adventures with custom-fitted, durable, fade-resistant carpet mats⁷.

- Quarter-turn fasteners (on the driver's side) and nibbed backing on all mats help keep mats in position
- Removable and easy to clean

TRD PRO SHIFT KNOB

Enhance your connection to your Tundra every time you shift with the TRD PRO shift knob.

- Simple remove and replace installation with no drilling or special tools required

ALWAYS GO WITH GENUINE TOYOTA ACCESSORIES

When it comes time to make your Toyota your own, remember only Genuine Toyota Accessories are designed, tested, and approved specifically for your Toyota vehicle. Plus, when you purchase them at the same time as your new vehicle, Genuine Toyota Accessories are backed by Toyota's 3-year / 36,000-mile New Vehicle Limited Warranty, valid at any Toyota dealership nationwide.

To learn more about Genuine Toyota Accessories and to see how they'll look on your Tundra with our comprehensive Build Your Toyota feature, please visit toyota.com or to find your local Toyota dealer, please visit toyota.com/dealer.

This brochure is based upon information available at time of printing, is subject to change without notice, is for mainland U.S.A. vehicles and may differ in the state of Hawaii, Puerto Rico, the U.S. Virgin Islands and in other regions.

DISCLOSURES

1. Payload Capacity is the calculation of GVWR minus curb weight and should be used for comparison purposes only. The maximum amount of passenger and cargo weight your vehicle can carry is the Load Carrying Capacity indicated on the label(s) on the driver's doorjamb.
2. Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your Owner's Manual. The maximum you can tow depends on the total weight of any cargo, occupants and available equipment.
3. 20-in. performance tires are often expected to experience greater tire wear than conventional tires. Tire life may be substantially less than mileage expectancy, depending upon tires used and driving conditions.
4. Requires Deck Rail System.
5. The Toyota Genuine Accessory Warranty will only apply when the installation is performed by a trained Toyota-approved installer. Please see dealer for details.
6. Payload includes the weight of occupants, cargo and options; limited by weight distribution. Always properly secure all items.
7. To avoid potential interference with pedal operation, do not install a floor mat on top of an existing floor mat, and each mat must be secured with either quarter-turn fasteners or retention hooks (clips). This floor mat was designed specifically for use in this model and model year vehicle and SHOULD NOT be used in any other vehicle.
8. Use only if aware of circumstances surrounding the vehicle at time of start. Operate only when legal and safe to do so (e.g., car uncovered in open area with no people or pets inside or nearby). See usage precautions and Owner's Manual.
9. iPhone® not included. Toyota Key Finder requires customers download the free Toyota Key Finder application from the iTunes®, App StoreSM to operate features. Please review the Mac OS® devices listed under Toyota Key Finder on iTunes App Store to verify compatibility. Please note: Interference from structures may affect signal strength. iPhone®, App StoreSM, iTunes®, and Mac OS® are registered trademarks of Apple Inc. iPhone® is a registered trademark of Apple Inc.
10. Available for vehicles equipped with factory remote keyless entry.
11. 17-in. off-road performance tires are often expected to experience greater tire wear than conventional tires. Tire life may be substantially less than mileage expectancy, depending upon tires used and driving conditions.
12. The TRD Performance Air Intake is to be sold as a dealer-installed or over-the-counter option after the retail sale of the vehicle. The Performance Air Intake may not be sold to the customer at the same time as the new vehicle and may not be financed together with the new vehicle. Please see the TRD catalog, visit www.trdusa.com or call 800-688-5912 for a complete list of TRD products and warranty information. Emission-legal for aftermarket sale via C.A.R.B. Executive Order.
