New Beginnings!

Bergey's Ford is celebrating its 15th anniversary of its Lower Gwynedd Township location. Current construction of the new facility on N. Bethlehem Pike is expected to be completed this summer. The team of 35 employees will be moving into the finished building once it is completed.

"This is an exciting time of new beginnings for us. We have made the commitment in both our Ford dealership and Lower Gwynedd Township, replacing very aged buildings with a new modern facility designed to better serve our customers, employees and the community," explained Luke Bergey. Both sides of the street are being refreshed and improved.

With the new design customers will be able to easily navigate the dealership, both inside and outside. All services will be conveniently located in one building. Added amenities will include customer lounges, children's play area, service drive-in lane, and Ford Quick Lane will offer routine mechanical services for all makes and models while you wait, no appointment needed.

2015 Outdoor Expo

Bergey's Auto Dealerships had a booth set up at the Calvary Church Outdoor Expo on Saturday, March 7, 2015. The Outdoor Expo draws an estimated 10,000 people each year, even though the weather is cold in March. Exhibitors ranged from local businesses to hunting and fishing outfitters, and is a great community event. We distributed grocery tote bags, beach balls, ice scrapers and balloons, which were a big hit with the children. Several new vehicles were on display outside the building.

A special thanks to Brad Fox, Kaitlyn Bergey, Rissa Bergey, Maura Shisler and Preston Moyer who helped at the event.
