THIS IS A LIMITED PRODUCT WARRANTY AND IS NOT INSURANCE.

This limited product warranty ("Warranty") is between the customer ("You", "Your") and the selling dealership ("We", "Us", "Our", "Selling Dealership", or "Warrantor") listed in the registration section of this Warranty. This Warranty is not subject to state insurance laws. No representative, employee, seller, agent of Us, is authorized to alter, extend, amend, or modify this Warranty. This Warranty is noncancellable and nontransferable. This Warranty gives You specific legal rights, and You may also have other rights which vary from state to state.

Eligibility

You may go to any repair facility for repairs to the parts listed on the parts description page ("Covered Parts") on Your vehicle. This Warranty is not required in order to have Your vehicle repaired, maintained or serviced.

Benefits

Coverage under this Warranty begins on the effective date listed above and remains in effect for the number of months and miles listed above. If a Covered Part fails during the term of this Warranty, We will pay the cost to repair or replace such Covered Part(s). **We reserve the right to require that the repair facility use like kind and quality parts or remanufactured parts when replacing a failed Covered Part under this Warranty.** If You prefer to use an alternative part, You will be responsible for the difference in the cost. **If We make a payment under this Warranty and You have a right to recover against another party, Your rights shall become Our rights and You shall do whatever is reasonably necessary to enable Us to enforce these rights, Our subrogation right becomes effective after You are made whole. We will cover up to Manufactured Suggested Retail Price (MSRP) for a repair of each Covered Part(s) and labor. Once a Covered Part has been replaced under this Warranty coverage ends for the Covered Part(s). Each Covered Part is eligible for 1 repair during the term of this Warranty.**

Exclusions

This Warranty is for Your sole benefit and is not renewable. This Warranty WILL NOT PROVIDE BENEFITS FOR:

- 1. Any part that is not listed on the part description page, or including, but not limited to: accessory drive belts; body panels; bumpers; carpet; clutch friction disc and pressure plate; dash cover and pad; door trim, handles, and fabric; filters; fluids; glass (including windshields); headliner; heating hoses, lines and tubes; hinges; hybrid battery plug assembly; hybrid vehicle relay assembly; interior and exterior trim and moldings (including but not limited to cup holders, covers, and vents); lamps (brake light, back-up, fog light, side marker, and turn signal light assemblies); light bulbs; LED's; laser lights and headlight assemblies, nuts, bolts, clips, retainers, and fasteners; paint; rust and corrosion damage; seat covers; sheet metals; shiny metals; spark plugs; structural framework and welds; tires; vacuum hoses, lines & tubes; weather stripping; wheels and rims; windshield wiper blades (rubber component). filters, lubricants, coolants, fluids and refrigerants will be covered only if replacement is required in connection with a failure of a Covered Part.**
- 2. Any condition that existed prior to the commencement of this Warranty.**
- 3. The failure of a part prior to the effective date listed above.**
- 4. Any consequential damage by a Covered Part to a non-covered part, or by a non-covered part to a Covered Part. Some states do not allow the exclusion or limitation of consequential damages, so the foregoing limitation might not apply to You.**

Claims

In the event of a Covered Part(s) failure, You are responsible for ensuring that You:

1. Take immediate action to prevent further damage to Your vehicle. This Warranty will not cover the damage caused for failure to secure prompt repair of the failed Covered Part(s). Any damage resulting from continued operation of an impaired vehicle will constitute failure to protect Your vehicle and will not be covered under this Warranty.
2. Contact the administrator at (888) 686-2225, Monday through Friday, 8:00 a.m. to 8:00 p.m. or Saturday from 8:00 a.m. to 1:00 p.m. Eastern Standard Time.
3. Take Your vehicle to any repair facility and provide a copy of this Warranty. If You are within 40 miles of the original Selling Dealership, please return to the Selling Dealership for repairs.
4. You may need to authorize the repair facility to inspect and/or tear-down Your vehicle in order to determine the cause and the cost of the repair. You will be responsible for these charges if the failed part is not covered under this Warranty. We reserve the right to require an inspection of Your vehicle prior to any repairs being made. If We request an inspection and repairs are made prior to the completion of an inspection, or if We are unable to verify a failure has occurred or the cause of the failure, Your claim may be denied. Do not agree to have repairs performed under the terms of this Warranty unless You or the repair facility has received an authorization number from Us.
5. After We have been contacted, review with the service advisor or manager on what will be covered by this Warranty.
