Rules & Regulations

1. Upon receipt of membership wallet card and key tags (the "Card"), member agrees to be bound by the program rules and conditions.
2. Platinum Plus™ points (the "Points") are earned by making qualified purchases of products and services only at A&T Chevrolet Subaru (the "Dealership").
3. Members must present valid membership Card or Key Tag at time of purchase in order to accumulate Points.
4. A percentage of the total dollars you spend toward a qualified purchase OR the fixed Point award for specific transactions as outlined in the membership materials will be accrued in Points to discount your next new or pre-owned vehicle purchase at the Dealership. Basic members will accrue 10% and ELITE members will accrue 15%.
5. Each of the Points earned is equal to one dollar in award discounts.
6. Qualified purchases include retail parts, detail, services, maintenance and accessories (excluding insurance body repair). New or pre-owned vehicle purchases and wholesale parts purchases are excluded from this program. Points are earned on customer pay transactions only. Warranty repairs do not qualify for Points accumulation. Points awarded on pre tax amounts only.
7. Program is limited to a maximum award level of 1,000 Points for Basic members and 5,000 Points for ELITE members.
8. Points begin accumulating on the original membership start date, but may not exceed the Points limit. The accumulation period will end eight years after the original membership start date.
9. Membership accounts will always retain the most recent transactions. Every point earned is valid for four years from transaction date during the defined eight year accumulation period. Points earned must be used before the expiration date or the Points will be forfeited.
10. Membership and Points may not be transferred from account to account. At no time can members pool Points to increase standings. Membership and accumulated earnings may not be bartered, brokered, sold, or transferred for any reason, including death and domestic matters.
11. Total Points standings will be tracked in the Flexstat® database and will be updated with each qualified purchase. Transaction credits will be posted within 30 days of the transaction date and can be checked at any Dealership Points scan terminal as well as the Dealership's Web site.
12. When redeeming Points toward a vehicle purchase, members must present a valid membership Card containing their accumulated Points with proper identification.
13. Points may only be accumulated at the time the member makes a qualified purchase.
14. Points have no cash value and cannot be redeemed for cash.
15. Only one account may be used per vehicle purchase.
16. Membership Cards remain the property of the Dealership and must be surrendered upon request.
17. Participation in this program is offered at the sole discretion of the Dealership and may be terminated at any time without prior notice.
18. The Dealership reserves the right to disqualify any person(s) from participation, if in its sole judgment the member violates the rules and regulations governing this program. In the event of disqualification or program termination, accumulated Points will be immediately terminated.
19. All members must be at least 18 years of age to participate.
20. Accumulated Points may not be redeemed if you are in default under the terms and conditions of these rules or with regard to any obligation which may be due the Dealership.
21. Determination of income or tax liability related to the participation in this program is the sole responsibility of the participating member. Neither AutoAwards, Inc. nor the Dealership make any representation as to the current or future tax consequences to the participating members as to the crediting, transfer, use, redemption, or disposition of program earnings.
22. The program has no pre-determined termination date. The program may be terminated at any time without prior notice at the wishes of the Dealership and/or AutoAwards, Inc.
23. The Dealership and AutoAwards, Inc. reserve the right to audit all accounts for compliance with these rules. In the event that an audit reveals discrepancies, the processing of program earnings may be delayed until such discrepancies are resolved. The Dealership reserves the right to make any and all decisions as to the validity of accumulated Points. All decisions are considered final.
24. Corporations, partnerships, and other entities may not be eligible to participate.
25. Nothing in these rules or in the program shall be construed to establish an agency, partnership, or joint venture relationship between the Dealership, AutoAwards, Inc., or any other party. AutoAwards, Inc. is not responsible and assumes no liability for changes in or discontinuance of a Dealership service, which may affect the program benefits.
26. The Dealership and AutoAwards, Inc. reserve the right to change the program rules at any time without prior notice to members.
