You're covered.

Many people don't realize that even the most comprehensive vehicle insurance may have gaps in coverage. That can mean you end up responsible for a potentially significant expense if your vehicle is stolen and unrecoverable, or is written off as a total loss.

That's because an insurance settlement is often less than the outstanding balance of your finance contract. GAPCoverage protects you in situations like these, so you can drive worry-free.

GAPCoverage is only available at the time of vehicle purchase. Visit fordcredit.com or your dealer to learn about the benefits of GAPCoverage.

The advantages add up.

- Can prevent you from owing money on a vehicle you no longer own
- Assists with this unexpected and potentially significant expense
- Avoids cash outlay required to cover your insurance deductible, up to \$1,000*

Exclusions: GAPCoverage does not provide benefits when loss or damage occurs:

- Due to fraud or intentional damage by you
- Prior to the total loss date
- Outside the U.S. or Canada
- After the redemption period following a repossession
- Due to legal confiscation by a public official
- If licensed, registered/titled in a business name or used for business or has a salvage title

And it does not cover items such as:

- Late charges, delinquent payments and deferred payments
- Various refundable amounts due to you for early cancellation of financed products
- Termination and disposition fees

Additional limitations apply. Be sure to review all limitations outlined in your GAP addendum.

*Excludes Alaska.
