

2020

Acton Toyota of Littleton, in conjunction with Toyota Motor Sales USA, wishes to award a charitable scholarship donation to one deserving graduating high school senior student who has been accepted and plan to attend an accredited college or university.

The student will win a scholarship of \$2,500. This individual must be a student from one of Acton Toyota’s local area high schools (see full list below) in order to participate.

The dealership seeks to reward one senior student who has demonstrated real leadership qualities in: (a) the classroom/school, (b) the community, or (c) the athletic field, science lab, music hall, theatrical stage, etc. We want to know what you’ve done to make significant and/or impactful contributions in any one (or more) of these places.

Students who wish to apply for the charitable scholarship donations should write a 2-3 page essay documenting their achievements and/or contributions in any one of these three areas. Additionally, students must complete the attached application form and include it with their essay to complete their scholarship application.

All students must turn in their applications (application form and essay) no later than Friday, May 15th to their school’s guidance office in order to be considered for the scholarship donation. Acton Toyota of Littleton will review all applications and announce the scholarship winners on its website on Friday, May 29th. Actual grant or payment will be made directly to the high school’s scholarship fund. Through this fund, the charitable scholarship donation will be given to the winning student.

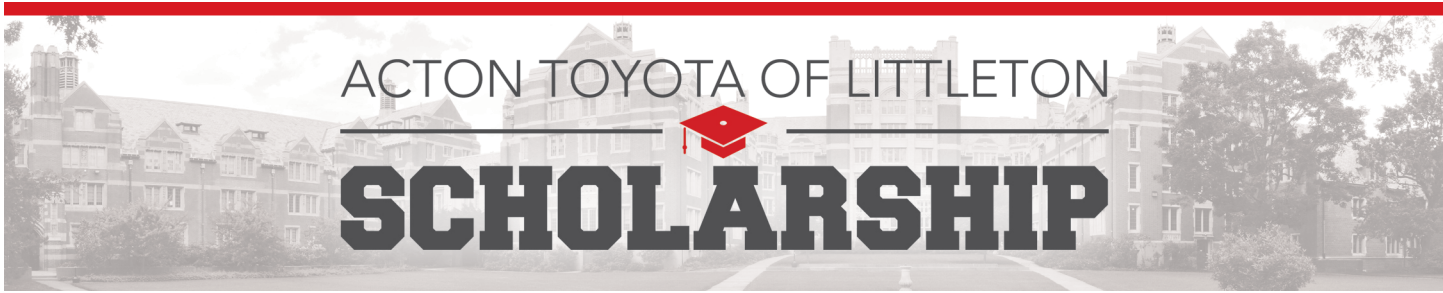

Should you have any questions concerning the Acton Toyota of Littleton Scholarship please contact your school’s guidance office. The office can then request clarification from Acton Toyota of Littleton.

Thank you and good luck!
