

The IS is Lexus' entry-level luxury sport sedan available in base and F SPORT trim levels. The IS was totally redesigned for 2014 and is available with a 2.0-liter turbocharged 4-cylinder or 3.5-liter V-6 engine. 4-cylinder models come standard with rear-wheel drive, while V-6 models are available with rear-wheel or all-wheel drive. Depending on engine and drivetrain choice, a 6-speed or 8-speed automatic transmission is available.

Although the third-generation IS is well equipped for a sportier driving experience, the TLX offers a more complete blend of luxury and performance as well as more standard and available features.

Acura TLX 2.4 advantages over Lexus IS 300

- More front and rear shoulder room and hiproom
- More rear legroom (34.5 inches vs. 32.2 inches)
- More passenger volume (93.3 cu. ft. vs. 90.2 cu. ft.)
- More cargo volume (13.2 cu. ft. vs. 10.8 cu. ft.)¹
- Better EPA fuel economy ratings (23/33/27 vs. 22/32/26)²
- The TLX 2.4 comes with a host of standard and available features that you won't find on the IS 300:
 - Standard Precision All-Wheel Steer™ (P-AWS®)
 - Standard Agile Handling Assist^{®3}
 - Standard electric parking brake
 - Available GPS-linked⁴ climate control when equipped with navigation
 - Standard Active Sound Control
 - Standard capless fuel fill system
 - Standard Tire Fill Assist
 - Standard Tire Sealant and Inflator Kit
 - Standard Apple CarPlay™⁵ and Android™ Auto⁶ integration
 - Standard Aha™⁷ compatibility
 - Standard On Demand Multi-Use Display™ (ODMD™)
 - Standard Lane Keeping Assist System (LKAS)⁸
 - Standard Road Departure Mitigation system⁹
- You'll have to pay extra on the IS 300 to get these standard TLX 2.4 features:
 - Heated front seats
 - Multi-view rear camera¹⁰ (vs. single-view)
 - Pandora^{®11} compatibility

Lexus IS 300 advantages over Acura TLX 2.4

- More horsepower and torque (241 horsepower/258 lb-ft vs. 206 horsepower/182 lb-ft)
- Available F SPORT model
- Smaller turning circle diameter – curb-to-curb (34.2 feet vs. 39.2 feet)
- Standard 8-way power front passenger seat (vs. 4-way power)
- Standard HD Radio® (vs. available)
- Standard front-passenger knee airbag as well as available rear-passenger side-impact airbags
- More front headroom (38.2 inches vs. 37.2 inches)
- More front legroom (44.8 inches vs. 42.6 inches)

DISCLAIMERS

- 1 Based on SAE J1100 cargo volume measurement standard.
- 2 Based on 2018/2019 EPA mileage ratings. Use for comparison purposes only. Your actual mileage will vary depending on how you drive and maintain your vehicle, driving conditions, and other factors.
- 3 The Agile Handling Assist system cannot enhance stability in all driving situations. You still need to drive and corner at speeds appropriate for the conditions and always leave a sufficient margin of safety.
- 4 Acura Navigation System and related features available only in the United States, Puerto Rico and parts of Canada. See your local Acura dealer for information regarding navigation system area coverage.
- 5 Depending on use, Apple CarPlay can share certain user and vehicle information (e.g., vehicle location, speed and other operating conditions) with the connected iPhone. See Apple's privacy policy for details regarding Apple's use and handling of data uploaded by CarPlay. Use of CarPlay is at user's own risk, and is subject to agreement to the CarPlay terms of use, which are included as part of the Apple iOS terms of use. CarPlay vehicle integration is provided "as is," and Honda cannot guarantee CarPlay operability or functionality now or in the future due to, among other conditions, changes in CarPlay software/Apple iOS, service interruptions or incompatibility or obsolescence of vehicle-integrated hardware or software. See dealer for details.
- 6 Depending on use, Android Auto can share certain user and vehicle information (e.g., vehicle location, speed and other operating conditions) with Google and its service providers. See Google privacy policy for details regarding Google's use and handling of data uploaded by Android Auto. Use of Android Auto is at user's own risk, and is subject to agreement to the Android Auto terms of use, which are presented to the user when the Android Auto application is downloaded to the user's Android phone. Android Auto vehicle integration is provided "as is," and Acura cannot guarantee Android Auto operability or functionality now or in the future due to, among other conditions, changes in Android Auto software/Android operating system, service interruptions or incompatibility or obsolescence of vehicle-integrated hardware or software. See dealer for details. Only use Android Auto when conditions allow you to do so safely.
- 7 Compatible smartphone required. All Aha platform feeds are audible, not visual in nature. Vehicle does not provide any feeds. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. Launch smartphone applications only when the vehicle is safely parked. Aha is a trademark of HARMAN International Industries, Inc. Your wireless carrier's rates may apply.
- 8 LKAS only assists driver in maintaining proper lane position when lane markings are identified without a turn signal in use and can only apply mild steering torque to assist. LKAS may not detect all lane markings; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions.
- 9 Road Departure Mitigation may not detect all lane markings or lane departures; accuracy will vary based on weather, speed and road conditions. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions.
- 10 Always visually confirm that it is safe to drive before backing up, as the rearview camera and Rear Cross Traffic Monitor (if present) may not provide complete information about conditions at the rear of your vehicle.
- 11 Compatible with select smartphones. Your wireless carrier's rate plans apply.
