

Introduced in 1994, the Audi A6 is currently in its fourth generation and was all new for the 2011 model year.

It comes with the choice of a turbocharged 4-cylinder, supercharged V-6 gasoline and turbocharged V-6 diesel engines. A turbocharged V-8 engine is available on S6 models. Depending on the drivetrain, transmission choices are a 7- or 8-speed automatic transmission. The A6 also comes with the choice of front-wheel drive or quattro® all-wheel drive, depending on the engine.

The A6 3.0 TFSI quattro® competes with both the RLX P-AWS and Sport Hybrid SH-AWD. While it is known for its advanced all-wheel-drive system, the A6 doesn't offer many of the advanced features you'll find on the RLX.

### **Acura RLX Sport Hybrid SH-AWD advantages over Audi A6 3.0 TFSI quattro®**

- Larger-displacement V-6 engine that doesn't require a supercharger to generate power
- More total-system horsepower and torque<sup>1</sup> (377 hp/341 lb-ft vs. 333 hp/325 lb-ft)
- More sophisticated torque-vectoring all-wheel drive system
- Larger standard wheels and tires (19-inch vs. 18-inch)
- Better city and combined fuel economy ratings<sup>2</sup> (29/30/29 vs. 20/30/24)
- Longer powertrain warranty (6 year/70,000 miles vs. 4 years/50,000 miles)
- The RLX comes with a host of standard and available features that you won't find on the A6 3.0 TFSI quattro®:
  - Standard Variable Cylinder Management™ (VCM®)
  - Standard Idle Stop
  - Standard hybrid system
  - Standard Agile Handling Assist®<sup>3</sup>
  - Standard noise-reducing wheels to help lessen interior noise
  - Standard GPS-linked<sup>4</sup> climate control when equipped with navigation
  - Available long-range remote engine start
  - Standard Active Sound Control to help reduce interior noise
  - Standard Road Departure Mitigation system<sup>5</sup>
  - Standard Collision Mitigation Braking System™ (CMBS™)<sup>6</sup>
  - Standard Tire Sealant and Inflator Kit
  - Standard Song By Voice® and Aha™<sup>7</sup> compatibility
  - Standard Traffic Rerouting™<sup>8</sup> when equipped with navigation
  - Standard On Demand Multi-Use Display™ (ODMD™)
- You'll have to pay extra on the A6 3.0 TFSI quattro® to get these standard RLX Sport Hybrid SH-AWD features:
  - LED headlights
  - Keyless Access System with smart entry
  - Multi-view rear camera<sup>9</sup> (vs. single-view)
  - Forward Collision Warning (FCW) system<sup>10</sup>
  - Streaming audio via Bluetooth®<sup>11</sup>
  - Pandora® compatibility<sup>12</sup>

## Audi A6 3.0 TFSI quattro® advantages over Acura RLX P-AWS

- 8-speed automatic transmission (vs. 7-speed Dual Clutch Transmission)
- Driver and front passenger knee airbags (vs. driver side only)
- Smaller turning circle diameter – curb-to-curb (39.0 feet vs. 40.5 feet)
- More trunk volume (14.1 cu. ft. vs. 11.6 cu. ft.)
- Longer corrosion warranty (12 years/unlimited miles vs. 5 years/unlimited miles)

### DISCLAIMERS

- 1 Horsepower includes the maximum power of the engine and all motors combined that can be produced at any one time. Not SAE net.
- 2 Based on 2017 EPA mileage ratings. Use for comparison purposes only. Your actual mileage will vary depending on how you drive and maintain your vehicle, driving conditions, battery pack age/condition (hybrid only) and other factors.
- 3 The Agile Handling Assist system cannot enhance stability in all driving situations. You still need to drive and corner at speeds appropriate for the conditions and always leave a sufficient margin of safety.
- 3 Acura Navigation System and related features available in the 48 contiguous United States, Hawaii and Puerto Rico. See your local Acura dealer for information regarding navigation system area coverage.
- 5 Road Departure Mitigation may not detect all lane markings or lane departures; accuracy will vary based on weather, speed and road conditions. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions.
- 6 CMBS cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. System operation affected by extreme interior heat. System designed to mitigate crash forces. Driver remains responsible for safely operating vehicle and avoiding collisions.
- 7 Compatible smartphone required. All Aha platform feeds are audible, not visual in nature. Vehicle does not provide any feeds. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. Launch smartphone applications only when the vehicle is safely parked. Aha is a trademark of HARMAN International Industries, Inc. Your wireless carrier's rates may apply.
- 8 AcuraLink Real-Time Traffic is operable only in select markets within the 48 contiguous United States, as well as Vancouver, Toronto and Montreal. The service is available at no cost for three years after purchase whereupon it will continue to be available on a subscription basis.
- 9 Always visually confirm that it is safe to drive before backing up, as the rearview camera may not provide complete information about conditions at the rear of your vehicle.
- 10 FCW cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. System operation affected by extreme interior heat. FCW does not include a braking function. Driver remains responsible for safely operating vehicle and avoiding collisions.
