Appointments

We recommend that you make an appointment for service or repair work so that we may service your Acura as expediently as possible.

After Hours Drop-Off

Use our after hours drop-off service if you cannot make it during our regular business hours.

Loaner Vehicles

As a courtesy to our customers, we will reserve you a Loaner Vehicle upon request, when you make a service appointment. These vehicles will be available at no charge with advance notice (oil changes not included). If an Acura Loaner Vehicle is not immediately available, we will provide a rental vehicle for you at no charge.

About This Guide...

Included in this Maintenance Guide are procedures that, based on our experience, will afford you maximum driving performance and pleasure from your vehicle. Due to the congested driving conditions and varied weather in our area, some of the recommended services may exceed manufacturer's requirements. We urge you to follow the recommended schedule in this guide to maintain your warranty and keep your vehicle in top running condition.

Why Genuine Acura?

When you choose Genuine Acura Parts and Accessories, you can count on the highest quality. Genuine Acura Parts and Accessories are manufactured to strict quality standards imposed by Acura engineers for an exact fit and precise operation. Many non-genuine parts and accessories may claim to be Acura's quality, but they are not produced to Acura's engineering and material specifications.

Loaner Policy

Acura of Orange Park is happy to provide its customers with a loaner vehicle while services or repairs are being handled by our Service Department.

Please note the following requests for loaner car use:

When your car needs service, please call to make an appointment with our Service Department and indicate that you will need a loaner vehicle. Sorry, but cars are not available for use while a routine oil change is being done. Oil changes can be done in 45 minutes or less with an appointment. Please allow additional time for a complimentary car wash.

Loaner vehicles are for licensed drivers 25 years old and older. Vehicles are for local use only. Please keep them within a 30-mile radius of Orange Park.

VEHICLE MAINTENANCE SCHEDULE

U.S. OWNERS

Follow the maintenance schedule for *Severe Conditions* if you drive your car mainly under one or more of the following conditions:

- Driving less than 10 miles per trip - Oil/engine will not reach operating temperature for "Standard Period". May cause oil sludge condition.
- Driving in hot conditions - You are in Florida with consistently high heat and humidity.
- Extensive idling or long periods of STOP and GO driving - Jacksonville area traffic.

Note: If you never drive under any of these conditions you should follow the schedule for normal conditions.

SEVERE CONDITIONS SCHEDULE (PREMIUM CARE PACKAGE):

- ACURA recommends service every 5,000 miles.
- Acura of Orange Park recommends service every 3,750 miles.

NORMAL CONDITIONS SCHEDULE (BASIC CARE PACKAGE):

- ACURA recommends service every 7,500 to 10,000 miles.
- Acura of Orange Park recommends service every 5,000 miles.

Please refer to your vehicle owner's manual for details on maintenance schedules. When you take delivery of your new acura, we hope you will stop by our service department, meet our employees and pick up a copy of our "Service Maintenance Guide".

When using the *Premium Care Package*, Acura of Orange Park will pay for every intermediate Oil Service providing all Acura of Orange Park prescribed service is performed at this dealership.

Example:

- 3,750 mile Oil Service - FREE
- 11,250 mile Oil Service - FREE
- 18,750 mile Oil Service - FREE
- 26,500 mile Oil Service - FREE
- Etc.

NOTE: All new vehicles purchased from Acura of Orange Park receive 1st Oil Change - FREE of charge!

Regularly maintaining your vehicle is the best way to protect your investment. Proper maintenance is essential to your safety and the safety of your passengers. It will also reward you with more ECONOMICAL, TROUBLE-FREE driving.

DON'T FORGET THE DETAILS!

ACURA OF ORANGE PARK IS PROUD TO OFFER THE FOLLOWING SERVICES:

Headlight Lenses Restoration

Using a mildly abrasive compound, our technicians carefully remove fading and yellowing from your car's headlights, restoring the original clarity of the lenses and removing years of age from the appearance of your car.

Wet Sand Treatment

Our skilled detail technicians carefully remove surface scratches, blemishes and clouding using an ultra-fine grit sanding process, restoring the entire look of your car or just a single-panel touch up.

Hand Wax

Two generous coats of the highest quality Carnauba wax are hand-applied and buffed to perfection, leaving your car with a beautiful shine as well as protected from the elements.

Interior Leather Conditioning

Our special "Ultra-Blue" interior cleaner is applied to all leather surfaces, removing dirt, grease and stains. The conditioner applied protects from environmental hazards as well as harmful sunlight while maintaining a soft, supple feel.

Interior Carpet and Mats Shampoo

Carpets and mats are treated and steam-cleaned, removing most dirt and set-in stains, giving your car a fresh clean interior.

Complete Automotive Detail

Our best value treatment includes:

- Hand wash exterior
- Clean engine compartment
- Clean door jambs
- High speed buff exterior panels (removal of fine surface scratches)
- Hand wax exterior panels
- Clean wheels and tires/tire dressing
- Vacuum interior and trunk area
- Steam clean all carpets
- Clean and condition interior leather
- Clean all glass

Tree Sap Removal

We use a liquid body solvent and paint cleaner to remove those pesky lovebugs and other paint contaminants to restore a clean, fresh look to your car or SUV.

Bug-Barrier Guard

(1 year of care/apply every 3 months)

Gentle application of a protective compound to keep bug and other contaminants from harming your car's finish. Applied to front of vehicle's bumper and hood area.

Car Care Package

(2 years of care/twice per year)

Package includes:

- Wash exterior, vacuum interior, clean all glass
- Clean and condition all interior leather components
- Apply Scotchgard protectant to all interior material
- Apply paint sealant to exterior panels

TIMING BELT SERVICE

HERE IS WHAT WE DO:

- Replace timing belt
- Replace water pump
- Replace engine drive belts
- Replace anti-freeze
- Test drive vehicle
- Complimentary hand wash / vacuum

** May require replacement of tensioner at additional cost*

HERE IS WHY WE DO IT:

We recommend replacing your timing belt at 90,000-miles for most Acura vehicles. The timing belt drives the internal valve system of your engine. Acura uses a specially designed, long-lasting fiber belt. If this belt fails, catastrophic engine failure may immediately result. Intake and exhaust valves that contact solid pistons will cause your engine to immediately lock up. We replace the water pump and engine drive belts during this service as well. The water pump, tensioner and belts are subject to failure prior to your second timing belt replacement. For the price of the additional parts, we find it wise to replace them as part of this service.
