

Footprints Center for Autism

Dear Friend,

Thanks to your generosity, over 30 students have received comprehensive, collaborative, and child-centered programming here at Footprints Center for Autism this past year. I am overwhelmed with a sense of thankfulness and amazement at all that we've been able to accomplish with the generous support of friends like you.

This past year, I've watched our students grow in so many ways. Some have learned to read and write, some have learned to communicate with words or with devices, and some have learned the coping skills needed to overcome anxiety and flourish into the best version of themselves. Every milestone, every accomplishment, and every student is so different, but every single one is so incredibly important and worth celebrating.

Our parents have seen and are celebrating these accomplishments in their children as well. As one parent shared,

“ When I say our family would be lost without Footprints I truly mean it! Our son was paralyzed with anxiety to the point he could not get on his school bus, he could not go into his school. We tried everything...We had to turn to homeschooling our son. Then his anxiety became worse by never leaving the house. I knew we needed help and I began my search...Then I found Footprints. After my husband and I met with Erin and Nicole we felt the weight start to be lifted off our shoulders. Watching our son change day after day, has been such an amazing experience. Every person at Footprints Center for Autism has changed our lives and we are so thankful. ”

Today, we embark on our year-end campaign. Our goal here at FCA is to provide comprehensive, collaborative, and child-centered programming for our students at little to no expense for our families. This year our hope is to raise \$5,000 by December 31st for general operating support, and we can't do it without your help. Please consider making a year-end contribution to support the continued and impactful programming provided by Footprints Center for Autism.

With your generous support, we can continue to impact our community in a lasting way. Please join us by making your gift online at www.footprintscenterforautism.com/donate or by mailing in your contribution. I promise that your gift will make a difference, not just for the holidays, but for a lifetime.

On behalf of everyone at Footprints Center for Autism, thank you for all that you have done and continue to do to support our program and students.

Wishing you and your family a truly wonderful holiday season filled with peace, love, and joyfulness.

Warmest regards,

Erin Bolyard
Executive Director

Yes, I would like to support Footprints Center for Autism!
