

Innovation that excites

2015 PATHFINDER®

NISSAN PATHFINDER®

What if your SUV could put a smile on your face, confidence in your hands and goose bumps all over? Here are just a few ways Pathfinder® gives you an unforgettable drive.

Ready for tough terrain. Pathfinder®'s intuitive 4WD gives you the capability you need with a class-exclusive choice of 2WD, Auto and 4WD Lock modes.¹

3 rows of flexibility. With the EZ Flex® Seating System's LATCH AND GLIDE™ technology, the right side of the 2nd row glides and tilts forward for 3rd row access, even with a child seat safely strapped in.²

Efficiency expert. The Pathfinder® Hybrid sips fuel while giving you the capability you expect. And thanks to its smaller and slimmer battery pack, there's virtually no loss of rear seat leg room or cargo space.

Looking for more? Visit Pathfinder® on Facebook® or Twitter® to see what owners have to say.

WHAT IF
EVERY DAY WAS AN
ADVENTURE WORTH SHARING?

There's a big bright world out there, and with a little help from the 2015 Pathfinder,[®] you're ready to see more. Choose the Hybrid, combining efficiency with all the capability you expect from a Pathfinder,[®] or the powerful V6, with the highest standard towing rating in its class.^{1,2} On every Pathfinder,[®] you'll find a standard CVT transmission for seamless power and an available 4-Wheel Drive system with class-exclusive driver-selectable modes.¹ Stretch out in the largest interior in its class,¹ with a third row that's spacious and surprisingly easy to get into. And once the trail is behind you, advanced technologies like Rear Cross Traffic Alert and class-exclusive Around View[®] Monitor help keep an eye on the situation.^{1,3,4} So, load up, bring some friends, and move out. Your next adventure is waiting.

¹Ward's Large Cross/Utility Market Segmentation. MY15 Pathfinder[®] vs. 2015 and 2014 Large Cross/Utility Class. ²See Nissan Towing Guide and Owner's Manual for proper use. ³Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle. ⁴Not a substitute for proper backing procedures. May not detect all moving vehicles. Speed and other limitations apply. See Owner's Manual for details.

Nissan Pathfinder[®] Platinum shown in Java Metallic with optional equipment.

Enjoy 5-star accommodations, before you even get to the lodge. Pathfinder® surrounds you with premium comforts, including standard Tri-Zone Automatic Temperature Control (ATC) and available features including heated and cooled front seats, heated 2nd-row seats, and heated steering wheel! With available navigation and live traffic updates, plus an available dual memory seating system and a Bose® Premium Audio System, you've got luxury accommodations – without any reservations.^{2,3}

Nissan Pathfinder® Platinum shown in Almond Leather with optional equipment. U.S. instrumentation shown.

¹Tri-Zone operation requires compatible auxiliary media system. See Owner's Manual for details. ²Factory-installed option. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. ³NavTraffic®/SiriusXM® Traffic is available in select North American markets. In Canada, at time of printing, incident and flow data is available for 12 metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Toronto, Ottawa, Montreal, Quebec City, Hamilton, St. Catharines, Kitchener, Guelph, and London). Subscription sold separately after trial period. Subscriptions subject to customer agreement at siriusxm.ca/terms. Fees and programming subject to change. © 2014 Sirius XM Canada Inc. Bose® is a registered trademark of The Bose Corporation.

BECAUSE EVERYONE SHOULD COME ALONG.

In Pathfinder,[®] capability goes way beyond taking on rugged conditions, it's conquering the real world you face every day. That means more than just seating for seven. It means seating for seven with best-in-class passenger room,¹ including a 2nd row that slides over five inches for stretch-out room and 3rd-row reclining seats.^{2,3} And with premium features like an available Dual Panorama Moonroof and standard rear A/C, this is one time where one size fits all beautifully.

¹Ward's Large Cross/Utility Market Segmentation. MY15 Pathfinder[®] vs. 2015 and 2014 Large Cross/Utility Class. ²Slide function should not be performed with the CRS occupied. ³Passengers should not ride in the reclined position while the vehicle is in motion. Cargo and load capacity limited by weight and distribution. Always secure all cargo.

Nissan Pathfinder[®] Platinum shown in Almond Leather.

NISSAN EZ FLEX® SEATING SYSTEM

INNOVATION THAT GIVES EVERYONE AN OPEN INVITATION.

What if getting to any seat was easy? With the innovative **EZ Flex® Seating System**, the 2nd row glides and tilts forward for easy access to the spacious rear seat. And once you're in the 3rd row, you'll find it exceptionally comfortable, thanks to reclining seats.^{1,2}

Pathfinder®'s family-friendly, too. With Pathfinder®'s **LATCH AND GLIDE™** technology, you can even tilt and slide the right side of the 2nd row with a child seat securely strapped in.¹

Fold-flat Rear Seats. Cargo? Pathfinder® makes easy work of it, with folding 2nd- and 3rd-row seats that create a virtually flat floor and up to 79.8 cubic feet of cargo space.³

Under-floor Storage. There's also an under-floor storage area that keeps valuables out of sight. It's easily accessed even when the 3rd row is upright, for extra cargo space when you've got seven on board.³

Power Liftgate. Easy loading comes at the touch of a finger. Pathfinder®'s available power liftgate can be opened from a button located on the liftgate, on the dashboard near the driver, or on your Nissan Intelligent Key.®

¹Slide forward function should not be performed with the CRS occupied. ²Passengers should not ride in the reclined position while the vehicle is in motion. ³Cargo and load capacity limited by weight and distribution. Always secure all cargo.

Nissan Pathfinder® Platinum shown in Almond Leather.

GETTING A GREAT VIEW WHEREVER YOU LOOK.

Tri-Zone Entertainment. If you've ever taken a trip with kids, you probably know it's hard to please everyone. But with Pathfinder®'s available Tri-Zone Entertainment System, you actually can! The rear monitors can play individually, giving a choice of DVDs, video games, photos and more that you can control from the audio system's 203 mm (8") VGA screen. And with those in back wearing wireless headphones, you can adjust the 13-speaker Bose® audio system to play only in front, letting you enjoy your own choice of entertainment in perfect harmony.

Advanced Navigation. So much more than just maps, Pathfinder®'s available touch-screen Nissan Navigation System gives you live traffic updates to help keep you in the know and on the move.^{2,3}

iPod® Integration. Your music at your fingertips. Just plug in to Pathfinder®'s available USB input and control your iPod® through the audio system, including the remote controls mounted on the steering wheel. Rock on!⁴

Advanced Drive-Assist® Display. From trip computer to 4WD torque distribution, the Advanced Drive-Assist® Display serves up info right in front of you – helping to minimize time looking away. Its intuitive 3-D depth and tilt design help you take it all in quicker.^{5,6}

¹Tri-Zone operation requires compatible auxiliary media system. See Owner's Manual for details. ²Factory-installed option. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. ³NavTraffic®/SiriusXM® Traffic is available in select North American markets. OUTSTANDING FUEL ECONOMY WITH BEST-IN-CLASS TOWING – THAT’S ONE GREAT CATCH.^{1,2}

Efficiency, brought to you by the Next-Generation Xtronic CVT.[®] With Pathfinder[®]'s class-exclusive Xtronic CVT[®] transmission, you have a virtually gearless wonder.¹ It can hold the engine at the ideal rpm for the job, giving you a wave of power when you need it and running low rpm for quiet, efficient cruising when you don't. Proof? An impressive highway fuel economy of 8.6 L/100 km (33 MPG).³

Power, courtesy of a 3.5-L V6 engine. Seven on board, a big beautiful boat in tow. This is the stuff that tests what an SUV is made of. Pathfinder[®] takes it on with 260 HP of 3.5-L V6 muscle and a CVT that knows the engine's sweet spot for the power you need, giving a standard 5000 lbs. towing rating² – the highest standard capacity in its class.¹ And if you tow frequently, consider the available tow hitch receiver with 7-pin wiring harness (see Specifications).²

Intuitive 4WD. With Pathfinder[®]'s available All-Mode 4x4-i, you've got a system that's capable on-road and off. With class-exclusive driver selectable modes,¹ you can choose full-time 2WD for maximum efficiency. Auto Mode constantly monitors conditions and adjusts the balance of power between front and rear wheels for best traction. Challenging conditions? 4WD Lock Mode is your choice.

3.5-L V6 260_{HP} 240_{LB-FT} TORQUE 5000_{LBS.} MAXIMUM TOWING²

IMPORTANT: Starting with 2015 model year vehicles, the Government of Canada has mandated new fuel economy test methods to better approximate typical driving conditions and styles. These new 5-cycle test methods are more representative of a vehicle's on road fuel consumption compared to the previous 2-cycle testing methodology, and can produce fuel consumption ratings that are up to 20 percent higher than the previous ratings. Fuel Economy estimates for the Nissan 2015 model year vehicles may seem less favourable compared to previous years and some competing vehicles that have not yet reported based on new testing criteria. 2015 vehicles do not consume more fuel than the comparable 2014 vehicle under the same driving conditions. For more information, please visit nissan.ca/fuel2015

¹Ward's Large Cross/Utility Market Segmentation. MY15 Pathfinder[®] vs. 2015 and 2014 Large Cross/Utility Class. ²See Nissan Towing Guide and Owner's Manual for proper use. ³2015 Fuel Economy Estimate for 2WD model. Actual mileage may vary with driving conditions — use for comparison only. 2015 Pathfinder[®] fuel economy estimates based on new Transportation Canada 5-cycle fuel economy testing regulations. Cargo and load capacity limited by weight and distribution. Always secure all cargo.

NISSAN HYBRID TECHNOLOGY INNOVATION THAT LOVES TO TRAVEL OFF THE BEATEN PATH.

The road to most hybrids is paved with compromise. Sure, you get better fuel economy, but it often comes with compromises on capability and comfort – and costs a lot more, too. How about a smarter solution? Pathfinder[®] Hybrid is thrifty from the word go, with auto-stop/start technology that can shut the engine down when you're at a stoplight, and starts instantaneously as you pull away. It's also efficient at higher speeds where it can "coast," reducing engine to idle and disconnecting from the transmission when power isn't needed.

You can view Hybrid information on the available Nissan Navigation System's 203 mm (8") VGA display.

8.5 L/100 km (33 MPG) HWY³ **250** TOTAL HORSEPOWER **243** LB-FT TORQUE **859** KM PER TANK

A supercharged 4-cylinder engine combined with an electric motor provides strong acceleration, while the All-Mode 4x4-i 4WD gives the go-anywhere capability you expect from a Pathfinder.[®] And with a rear-mounted battery pack that's smaller and slimmer than those in other hybrids, there's virtually no loss of rear leg room or cargo space. Pathfinder[®] Hybrid's even designed to be affordable – another road that most other hybrids don't like to travel.

Nissan Pathfinder[®] Platinum shown in Cayenne Red with optional equipment.

Nissan Pathfinder[®] Hybrid Platinum shown in Pearl White with optional equipment.

NISSAN AROUND VIEW® MONITOR¹ IT'S GOT YOUR BACK. AND THE REST OF YOU, TOO.

What if parallel parking was easier? A rearview monitor is great when backing up – but when it comes to parking, it's nice to see more than just what's directly behind you. That's why Pathfinder® offers an available class-exclusive Around View® Monitor.^{1,2} Four cameras give you a virtual 360° bird's-eye view of your vehicle, with selectable split-screen close-ups of the front, rear, and curb-side views, so you can get a better look.³ And since all obstacles aren't stationary, new Rear Cross Traffic Alert helps keep an eye around the rear of your Pathfinder® and can warn you about moving vehicles detected in your vicinity.⁴

¹Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle. ²Ward's Large Cross/Utility Market Segmentation. MY15 Pathfinder® and Pathfinder® Hybrid vs. 2014 competitors. ³Virtual composite 360° view. ⁴Not a substitute for proper backing procedures. May not detect all moving vehicles. Speed and other limitations apply. See Owner's Manual for details.

RIGHT ON THE NOSE

In Drive, the display gives you both a front and overhead view, so you know just how far to pull up – without going too far.

COMPLETE THE PICTURE

Located under your driver's side mirror, this camera helps round out your virtual 360° bird's-eye view, whether you're in Drive or Reverse.³

SPARE YOUR WHEELS

In Drive or Reverse, you can push the camera button to switch out the overhead for a side view. A great help for seeing how close you are to the curb.

NO MORE BUMPER CARS

In Reverse, the display helps you see what's directly behind you, while the overhead view helps with shorter objects otherwise hidden below your window.

NISSAN SAFETY SHIELD® PHILOSOPHY

SURROUND YOURSELF WITH CONFIDENCE.

Wouldn't it be cool if you had the confidence you need for every part of your drive? The Nissan Safety Shield® is a comprehensive approach to safety that guides the engineering and development of every vehicle we make. The features described here are just some of many on your Nissan, helping to protect you and yours by focusing on three key areas: keeping an eye on your vehicle's systems and the surroundings, assisting in handling unexpected situations, and helping to keep you safe in the unfortunate event of an accident.

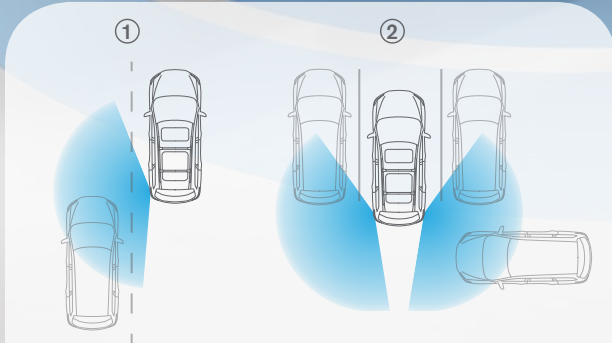

6 Standard Airbags. When a collision is unavoidable, Nissan's Zone Body construction helps absorb the impact while the advanced seat belt and airbag systems help protect passengers.¹

Tire Pressure Monitoring System. With this standard feature, when your tire pressure is low, an icon illuminates on your dash to let you know. When filling your tires, the Easy-Fill Tire Alert gives you a friendly beep of the horn when you've reached the right pressure.^{2,3}

1. Blind Spot Warning (BSW). Available BSW turns on a warning light if a vehicle is detected in the blind spot area, and sounds a warning tone if you signal to change lanes.⁴

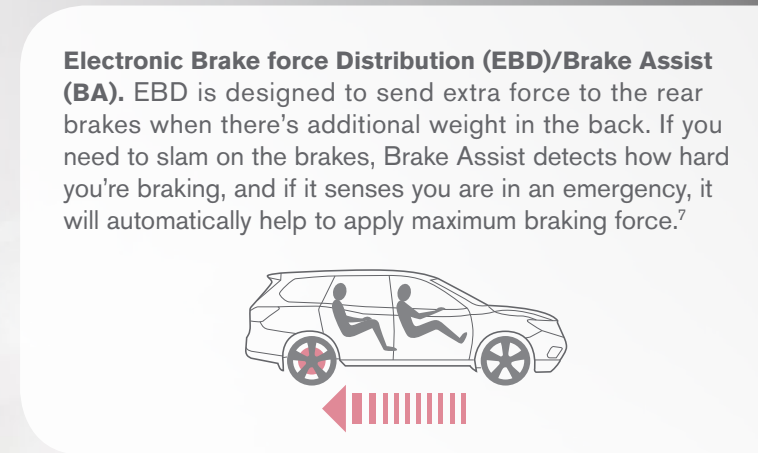

2. Rear Cross Traffic Alert. When your Pathfinder® is in Reverse, available Rear Cross Traffic Alert helps to warn you of moving object from either the left or the right side of the rear of the vehicle.⁵

Vehicle Dynamic Control (VDC). Also known as stability control, VDC monitors your steering and braking to help you maintain your steered path under certain conditions by reducing engine output and/or applying brake pressure to specific wheels.⁶

Traction Control System (TCS). When TCS senses drive-wheel spin, it responds by reducing throttle or applying brake pressure to help maintain traction.

Electronic Brake force Distribution (EBD)/Brake Assist (BA). EBD is designed to send extra force to the rear brakes when there's additional weight in the back. If you need to slam on the brakes, Brake Assist detects how hard you're braking, and if it senses you are in an emergency, it will automatically help to apply maximum braking force.⁷

snug4kids® Nissan safety engineers have dedicated thousands of hours to evaluating hundreds of child restraints in Nissans. The result: an industry first, The Snug Kids® Child Safety Seat Fit Guide. This guide lists child seats that fit the rear seats of Nissan vehicles, as well as offers invaluable tips on correct installation. Look for the latest Fit Guide at Nissan.ca/owners/en.

¹Airbags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. Also, in addition to any other requirement of applicable law, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts, according to their size. Airbags will only inflate in certain accidents; see your Owner's Manual for details. Inflated airbags shown for illustration purposes only, actual coverage area may differ. Airbags deflate after deployment. ²TPMS is not a substitute for regular tire pressure checks. ³Vehicle must be on for the Easy-Fill Tire Alert to operate. ⁴Blind Spot Warning is not a substitute for proper lane change procedures. The system will not prevent contact with other vehicles or accidents. It may not detect every vehicle or object around you. ⁵Not a substitute for proper backing procedures. May not detect all moving vehicles. Speed and other limitations apply. See Owner's Manual for details. ⁶VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. ⁷Brake Assist is only an aid to assist the driver and is not a collision warning or avoidance device. It is the driver's responsibility to be in control of the vehicle at all times.

BUYING AND OWNING

Finance Options Through Nissan Canada Finance, we offer many attractive lease and purchase options that can be tailored to your individual needs. We have unique programs such as the Nissan Grad Program or the New Canadian Program designed just for you. Please visit our website Nissan.ca/finance to explore all of the options available. We have also made it easy to pre-qualify online. All of our programs come with competitive rates and terms. With our flexible options, driving home a new Nissan has never been easier. Consult your local Nissan Dealership for complete details.

No-Nonsense Warranty Every 2015 Nissan is covered by a 3 year/60,000 km⁶ Comprehensive New Vehicle Warranty, a 5 year/100,000 km⁶ Powertrain Warranty, an 8 year/130,000 km⁶ Emission Control Warranty on selected components, and a 5 year/unlimited km Corrosion Perforation Warranty. As a Nissan owner, you'll also receive a 3 year Roadside Assistance program available to you 24 hours a day. Terms, conditions and exclusions apply. See Warranty Information Booklet for complete details.

Added Security Plan (ASP) For ultimate peace of mind, consider the Nissan Added Security Plan. It's our commitment to be there for you, and to help you leave your worries behind. Different plans, available for both purchased and leased vehicles, let you tailor the coverage to your driving habits.

Security+Plus™ Prepaid Maintenance Plan The smart choice when it comes to maintaining your new Nissan. Honoured at all participating Nissan Dealers in Canada and the U.S., your vehicle is cared for by factory-trained technicians using Genuine Nissan Parts. And best of all, there's no worrying about price increases on parts or service in the future. A variety of plans are available. Ask your Dealer for details.

Nissan has taken care to ensure that the colour swatches presented here are the closest possible representations of actual vehicle colours. Swatches may vary slightly due to the printing process and whether viewed in daylight, fluorescent or incandescent light. Please see the actual colours at your local Nissan dealer.
²See your Nissan Dealership and read the actual limited warranty. ³See Nissan Towing Guide and Owner's Manual for proper use. ⁴Provincial laws may apply; review local laws before using. ⁵Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. ⁶Whichever occurs first.

2015 Fuel Consumption Estimates – L/100 km (MPG)		
City/Hwy	V6	Hybrid
2WD	11.9 (24)/8.6 (33)	
4WD	12.1 (23)/8.9 (32)	9.1 (31)/8.5 (33)
Platinum 4WD	12.7 (22)/9.0 (31)	9.1 (31)/8.5 (33)

Actual mileage may vary with driving conditions – use for comparison only. IMPORTANT: Starting with 2015 model year vehicles, the Government of Canada has mandated new fuel economy test methods to better approximate typical driving conditions and styles. These new 5-cycle test methods are more representative of a vehicle's on road fuel consumption compared to the previous 2-cycle testing methodology, and can produce fuel consumption ratings that are up to 20 percent higher than the previous ratings. Fuel Economy estimates for the Nissan 2015 model year vehicles may seem less favourable compared to previous years and some competing vehicles that have not yet reported based on new testing criteria. 2015 vehicles do not consume more fuel than the comparable 2014 vehicle under the same driving conditions. For more information, please visit nissan.ca/fuel2015

Nissan's environmental action plan focuses on several key areas. Increasing production of Zero Emission vehicles, including the 100% electric LEAF.[®] Improving fuel efficiency through our PUREDRIVE™ measures. And reducing the environmental impact of manufacturing through energy-efficient practices in our plants around the world.

¹Not available in Hybrid models. ²Available in Hybrid models only. ³XM[®] and SiriusXM[®] Satellite Radio is available in the 10 Canadian provinces and the 48 contiguous United States. Basic monthly subscription required and sold separately after trial period. NavTraffic[®]/SiriusXM[®] Traffic is available in select North American markets. In Canada, at time of printing, incident and flow data is available for 12 metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Toronto, Ottawa, Montreal, Quebec City, Hamilton, St. Catharines, Kitchener, Guelph, and London). Subscription sold separately after trial period. All subscriptions subject to customer agreement at siriusxm.ca/terms.

All fees and programming subject
